Worship Leader This book takes the principles found in Constance Cherry's successful *The Worship Architect* in which she provided dynamic blueprints for designing worship services and applies them to special services in the life of the church. Cherry, a worship professor and practitioner, offers theological reflection, practical guidance, and suggested resources to help worship leaders and ministry students in training to create meaningful special services related to the sacraments, life passages, and other occasions. Cherry sets forth a process concerning worship design for special services and demonstrates how this process is conducive to virtually any style of worship practiced today in a myriad of Christian communities. She includes a model order for each service type, including weddings, funerals, baptisms, child dedications, Holy Communion, and more. The book not only explains what leaders do in order to preside at special services and how to do it, but also why they make certain choices. Each chapter includes discussion questions, practical exercises, and a basic glossary.

Pastoral Care in the Small Membership Church James L. Killen Jr., 2005-05-01 An introduction to pastoral care for pastors of small membership churches. If you spend your whole life serving small membership churches and doing it well, yours will have been a life well spent. Small membership churches have a real advantage when it comes to incorporating people into a fellowship where they are known and where their needs are met. These churches and their pastors have an opportunity for excellence in this area and should make the most of it. Good pastoral care can be the key to effectiveness in all of the other ministries of the church. From getting acquainted with your congregation, weddings and funerals, picking up on subtle cues in a conversation to not so subtle conflicts, Killen shares insights from years of ministry in a small membership church setting. James L. Killen Jr. is a retired elder of the Texas Conference, contributor to *Circuit Rider*, and author of *Who Do You Say That I Am?* A Personal Reader.

Non-Religious Pastoral Care David Savage, 2018-09-21 This ground-breaking book is a guide to non-religious pastoral care practice in healthcare, prisons, education, and the armed forces in the UK. It brings a new perspective to our understanding of care services traditionally offered by chaplaincy departments. The book charts the progress from a Christian to a multi-faith and on to a fully inclusive care service. Compelling evidence is presented showing strong and broad support for non-religious pastoral care provision. A practical guide, it outlines the beliefs and values on which this care is founded and its person-centred approach. The role, skills, competencies, and training requirements for non-religious pastoral carers are described. Institutions need to consider their policy responses to the rapid development of non-religious pastoral care provision. A number of policy aspects are explored, including understanding service users' needs, recruitment, and communications. This book is essential reading for non-religious pastoral carers and those thinking of entering this field. Chaplains and institutional managers responsible for chaplaincy or spiritual care departments will find this book gives them valuable insights into the positive contribution non-religious pastoral carers can make in building stronger, more inclusive pastoral, spiritual, and religious care services.
