and Sources facilitates the work of legislative librarians and makes them confident so that they can supply legislators and their staffs with the information needed to effectively examine draft or enact legislation of benefit to the public. No other book on the market provides such a comprehensive overview of legislative reference services. Author Kathleen Low acquaints librarians with over 100 sources useful in responding to information requests from legislators. A wide range of valuable topics are covered that will help legislative reference librarians meet the information demands of legislators and lawmakers including an overview of essential reference services needed by legislators and their staffs, specific protocols and forms of etiquette to observe when promoting services to elected and appointed officials, over 100 frequently consulted titles in legislative references, the usefulness of online resources, how to recognize special services and sensitivity warranted by patrons, and the services and responses to expect in return. **Legislative Reference Services and Sources** addresses the legislative reference services commonly provided, promotion of services, the librarian-client relationship, client expectations, the ethics of responding to certain requests, and the core resources used in legislative reference requests. It is an invaluable tool for beginning level legislative librarians, public services librarians, and state and federal agency librarians who need an introduction to this unique type of information service.
