Serving Christ in the Workplace Larry Peabody, 2004-01-01 Bored and frustrated with your work Do you feel like you're a second class citizen in God's kingdom because you're not a pastor or missionary Here's a how to manual on finding fulfillment in the work God has given you Peabody focuses on changing your attitude towards what you do not in changing what you do **Work Book** Cooke Tony, 2015-06-09 Do you know why you're here Do you know what you're supposed to accomplish Your work what you do in this life matters greatly to God Whether it is our everyday work or the work of the ministry there are no second class assignments from Him In The Work Book you will find answers to important questions How can I learn to find joy purpose **God Loves Your Work** Larry Peabody, 2022-03-03 If you know God loves your work you can as Paul put it work at it with all your heart But too often even Christians find it hard to engage fully with what occupies them for hours every day This book will help you relate your work to God's eternal kingdom purposes Here you will find not just one or two but several biblical reasons for getting up and going to work During your lifetime you will spend perhaps 100 000 hours working in paid or unpaid work Will you see spiritual significance in those hours In the end will they really matter These easy to read chapters will help you view your daily work within a new and much larger perspective For example what if you were to begin seeing your work as a worship offering that God gladly receives Or what if you were to discover how he intends to use your work to further your own spiritual growth Get set to move from Thank God it's Friday to Wonderful it's Monday again *EMPOWERED! Discovering Your Place in God's Story* Stuart Simpson, 2013-09-12 Surveys indicate that most Christians feel disempowered Wrong dualistic thinking which separates the whole of life into spiritual and secular and creates a division within the Church between those in full time ministry and those who are not has robbed many believers of the joy of knowing their life can make a difference The purpose of this book is to help give every Christian believer the realization that they have a special God given role and place in the fulfillment of God's Story and the Great Commission Our life story fits into God's bigger story HIsTory Our mission and purpose in life fits within his global mission and purpose God is calling us today towards the consummation of his story and his mission This task is not just for church workers or overseas missionaries Whatever your vocation in life you have a destiny to fulfill and a unique contribution to make With practical tools and study questions **The Hole in Our Gospel World Vision 75th Anniversary** Richard Stearns, 2025-02-04 Richard Stearns shows that the Bible boldly speaks that there is no whole gospel without compassion and justice shown to the poor With more than 260 000 copies sold The Hole in Our Gospel continues to impact readers worldwide and this new edition includes updated statistics photos and a foreword from the current World Vision president Is our faith only about going to church studying the Bible and avoiding the most serious sins Or does God expect more Have we embraced the whole gospel or a gospel with a hole in it More than twenty years ago Rich Stearns came face to face with that question as he sat in a mud hut in Rakai Uganda listening to the heartbreaking story of an orphaned child Stearns's journey

took much more than a long flight to Africa It took answering God s call on his life a call that tore him out of his corner office at one of America s most prestigious corporations to walk with the poorest of the poor in our world Stearns s compelling story demonstrates that the whole gospel was always meant to be a world changing social revolution a revolution that begins with each one of us With more than 260 000 copies sold this revised and updated edition will be part of World Vision s 75th anniversary

A Sacred Journey Paul Nicholas Wilson,2021-05-19 Paul Wilson believes God is poised to perform a mighty work through believers in the workplace including the secular university The Rev Billy Graham had the same insight But Christ followers in secular institutions must explicitly embrace secular work as God s work Likewise seminaries churches and pastors must step up their efforts In this book the author shares his struggles of being a follower of Christ at secular places of learning At times he felt there was little or no integration of his faith and vocation due to a lack of courage and time Get answers to questions such as What are the perils of living a double life by not identifying yourself as a follower of Christ How can Christ regain a foothold at secular institutions of learning How can educators help students move closer to the Lord outside of class What does a faithful presence look like in the academy A Sacred Journey presents a Gospel centered framework for Christian witness on campus where Ph D students faculty and staff can serve as salt light and leaven in their secular university environments We must reclaim the sacredness of our academic vocations
