Spiritual Disciplines within the Church Donald S. Whitney,1996-09-10 You re worth it You deserve a break today Do something nice for yourself Commonly heard phrases in this society committed to self gratification and individual rights Doing things for other people is a waste of precious time and asking for help weak So how do we build the church described in the Scriptures In this day and age how can we be a genuine community based on self sacrifice and mutual commitment In *Spiritual Disciplines Within the Church* seminary professor author and former pastor Don Whitney shows us how to build a sense of community and be active participants instead of passive attendees Whitney looks at such frequently asked questions as Why can t I get by on my own Why should I go to church Why should I give of myself to the church Why do I need to worship in church Couldn t I just worship in nature Why does it matter whether I become a member of the church Committed love must mark the local expression of the body of Christ By putting spiritual disciplines into practice in the church congregations can return to the depth of community present in the New Testament church where they devoted themselves to the apostles teaching and to the fellowship to the breaking of bread and to prayer *Together in Prayer* Andrew R. Wheeler,2010-01-04 Prayer is intimidating Yet prayer is a gift from God to all of us and group prayer binds us to one another in ways that no other activity can Andrew R Wheeler lays the groundwork for establishing a responsible meaningful prayer ministry in your small group Here you ll find guidelines for praying in groups common pitfalls of communal prayer and suggestions for spurring your group onward *The Potential and Power of Prayer* Chuck Lawless,2022-07 Why is it a struggle to pray Respected professor speaker and pastor Dr Chuck Lawless explores the power of a praying church and how it can transform your ministry Through prayer we have access to the all powerful living God Even so too many of us are

tempted to start our days prayerless and feeling alone How can this be We can't afford to be so negligent because whether we realize it or not we all face a high stakes spiritual battle when we step out into our communities In *The Potential and Power of Prayer* Chuck Lawless illustrates how churches need to take prayer seriously in order to grow explores how Jesus and the early church depended on God through prayer explains how prayer is essential to preparing for spiritual battles and guides church leaders in establishing the priority of prayer and a thriving prayer ministry in their churches God chooses to move among Christians who humbly come to him in prayer who depend on him for strength and guidance *Transforming Your Church Into a House of Prayer* P. Douglas Small, 2006

Identifying Your Gifts and Service Henry E Neufeld, 2007-02-23 What is a spiritual gifts How can I know what gifts are spiritual gifts The original edition of *Identifying Your Gifts and Service* was a program for whole church congregations led by a teacher to discover their gifts and place of service It contained a survey as does this book but that is not a typical scientific survey designed to discover what kind of personality you have what you feel like doing or even what your talents are The author believes that the key to identifying spiritual gifts is a process of spiritual discernment a process that takes place in the Body of Christ your local church congregation or group This Small Group Edition is designed for a group of people to study together The lectures and study materials are provided in the various chapters With the cooperation of your pastor and church leadership you can identify your gifts and find your place of service in your church congregation In going through this process you will be invited to shake off some of the walls and limitations you have placed on yourself and open yourself up to the full call that God has on your life Discovering and using your Spiritual Gifts is an adventure Get involved

At a Moment's Notice Barry Blackstone, 2023-02-10 *At a Moment's Notice* is the very first writing project the author ever attempted in 1988 After thirty five years the author took a second look at the series of devotionals and decided they needed to be made into a book *At a Moment's Notice* contains fifty chapters based upon the truth of the title Gleaning from the word of God the Bible the preacher in the author recognized that more often than not the main characters underlined in the Scriptures reacted immediately to certain situations and circumstances they were confronted with Take a trip through Holy Writ as we encounter the judge Shamgar as he comes face to face with a marauding band of Philistines in his field as Lydia the purple saleswoman meets Paul by a river in Philippi as Hur helps Moses at a moment's notice with the Rod of God that eventually wins an important battle as Simeon comes into Herod's Temple just at the right moment to meet the Christ child and as Naboth has to make the most difficult decision of his life that will also cost him his life Though the actions and reactions of each famous or infamous hero or heroine highlighted in the book have the same quality the lessons being taught are as

varied as the stories being told Take a few moments to read the account and ponder what is being taught and then hopefully an application can be made in the reader s heart at a moment s notice
