In the Way of Jesus Paul D. Kroeker, 2017-02-21 A revolutionary love movement is circling the globe Broken lives are being transformed and the love of Jesus is being gossiped into the most remote regions of the planet However in the West the church is in decline The brand image is broken Christianity is not seen as radical or revolutionary and some of those who claim to be Christian seem to bear little resemblance to the life and teachings of Jesus Through national and international engagement in Christian ministry Paul Kroeker has witnessed this development firsthand He has come to realize that Though we thought we were rich we are really poor and though we thought they were poor the international church has the riches we need to live the abundant life Jesus describes inspired by Revelation 3 14 22 In the Way of Jesus takes readers on a journey of renewed hope found in the person of Jesus Christ and the work of the Holy Spirit Through personal anecdotes and biblical insights

Kroeker lays out the path of discipleship that leads to an intimate relationship with Jesus. When someone has been with Jesus, their love becomes authentic and compelling. They eagerly share what Jesus has done for them. Their joy is infectious. They are an open book, evidence of God's love and forgiveness. Their love for one another becomes extraordinary and reveals the good news of the Kingdom of God. Brand, image, and reality are one and the same. This alone will lead to the awakening of the church in the West, allowing for a new tide of God's redeeming love to move across our nation and heal our land. In the way of Jesus, you become a disciple who will love, live, and serve like him. Love. Live. Serve like Jesus. **Rethinking Our Story** G. Douglas Hammack, 2014-01-13. If it ain't broke, don't fix it. But it's no secret that the Christian church is broke and does need fixing. Despite great effort, things are going badly for us. We've tried trendy and tech-savvy entrepreneurial and coffee-house gritty. They're not helping. Our problem is deeper than that. Our problem is our instincts, instincts informed by our story. There was a time when the Christian church was a powerfully transformative presence in society. It can be again, but it will require radical rethinking of the story that informs our instincts. And it's time. It's been five hundred years since the Reformation, our last major update. Today is a pivotal moment in history. With our worldview upended by quantum physics, history is demanding we renew the Christian story for our times. **Rethinking Our Story** reframes the elements of the Christian narrative for the new era. It explores quantum ways of thinking about God, human nature, Jesus' salvation, and the afterlife. The future of the church and the health of our society depend on our willingness to rethink, retell, and live out a better story. We will either update our instincts and contribute to the earth's well-being or disappear into oblivion.
