experience The Council assures us that we have the power to be the Creators of our lives And from the Council s perspective it s all done already we already have this Creator energy within us and it s just a matter of aligning with that frequency The Council encourages us to expand our consciousness and awareness so we can go beyond our thinking mind Only then can we expand our potential come into alignment with who we truly are manifest from a place of wholeness rather than lack and ultimately live out our destiny How to Unite Catholic - Protestant Church As One Dante Michael Soiu,2011-06-23 *Can You Keep a Secret?* Millisa C. Thomas,2009-11-03 Millisa C Thomas is a multifaceted woman To her friends she is passionate about life courageous giving pure and full of infectious strength and resolve To her children she is simply the world To her coworkers and employers she has proven herself time and time again to be resourceful reliable intelligent and invaluable and to her family of origin she is a crazy and insignificant whistle blower who threatens to expose the venerated family secrets Ms Thomas was born in Wilmington Delaware and now resides in Southern California with her three remarkable children and her faithful Shepherd Collie mix Angel One of her greatest accomplishments includes the birth of her three precious children Other accomplishments include a successful twenty two year long career in the medical field completing a college degree surviving healing and now telling the story She still does not like Valentine s Day tulips are still her favorite flower and Christmas is still her favorite holiday **Decoded** Mai Jia,2014-03-18 Translation originally published London Allen Lane 2014 **Meditate** Matt Spencer,2023-02-20 Meditate comes to you slowly and calmly from the unseen realm of Consciousness Consciousness is the essence of Life It is the realm of intelligence space and energy out of which and within which the universe exists And if you haven t discovered Consciousness it is what you are looking for The aim of meditation is a quiet mind A quiet mind takes us beyond the suffering we have experienced in our lives so far It leads us to enlightenment and unity with Consciousness The key to this new paradigm of reality is Meditate Lead Us Not into Temptation Raymond Arroyo Jr.,2010-06-07 Lead Us Not Into Temptation is a spiritual book as given to me by God This book is different from other spiritual books in that it connects man with his sole link to God and that is through his own soul Regardless of ones religion or persuasion this book is for all people to find their way back to God For secularism religion and intellectualism have failed miserably in bringing true peace and love into this world be it in the past our present and probably in our future also Jesus once said truly truly you must be born again of the spirit For that which is of water is water the body and that which is of spirit is spirit For the Father is spirit and for us to worship Him we must worship in spirit and in truth This is a universal law the same for all people all over the world regardless of their religious beliefs For we all worship the same one God and He must be worshipped in spirit and in truth The purpose of this book is to help people change from their secular life to a spiritual life and to develop a closer walk with God in their daily lives By which we then begin to worship God the Father in spirit and in truth This is the one pathway never chosen by man and is the pathway to peace on earth and good will towards all men It is the pathway to the salvation for all mankind Part One Lead Us Not Into Temptation explores the history of man

back to the Garden of Eden and the first temptation where man falls from grace Man after that incident embarks on a journey of secularism worldliness and materiality which only separates him more and more from God Although man has had the opportunity to live in the time of the great prophets of God and with Jesus himself he has still maintained a steady course in his secular worldly lifestyle constantly refusing to follow the spiritual path of God This stubbornness of man has brought him to where we find our world today in the grips of a huge recession and probably a depression and world tensions and terrorism threatening the peace of the world Part Two Deliver Us From Evil teaches how one can develop a life of spirituality and redemption from both God and from oneself I begin with the prophecies of God as given to us in the Holy Bible and in the Bible codes I explain how these prophecies line up with our generation living on Earth right now and are 100% accurate and have all been fulfilled to date They are Gods warning to us that we cannot go on living worldly secularly lives for we are reaching the end of the road the End Times as predicted in the bible It is a warning meaning we can change the future from doom and gloom to eternal bliss but it is up to each of us That unless we are willing to make some very fundamental changes in our lives towards one another and to God we wont survive as a civilization That without faith hope and love in God we are doomed to repeat our mistakes I teach the power of prayer and how that through prayer with God one will find the answer and changes for their lives I show how a prayer life is the only link we have to God the Father Through daily prayer one will begin the process of recreating a life of spirituality I teach the principles of a spiritual life and the fruits of Gods Holy Spirit How God works the fruits into your life changing you from your former self imperfections and dislikes into the new person filled with the wonderful fruits of Gods Holy Spirit I explain that the key of life is love for without love there could be no God no universe no us This book is for all people of all races all religions to find the cure to life that has escaped them all through the years It will unite the reader to a one to one relation with God and a healing and rebirth for their souls *Destroy the Destroyer* Charles Ofori Akrofi, 2017-04-26 The world is waiting for the manifestation of the children of God for their salvation Bitterness is one of the ways by which the devil makes sure that this manifestation does not happen God is love and so should his children be Have you ever done something for somebody and expected a thank you and there was absolute silence What about a false accusation Were you abused as a child or are you still being abused betrayed or rejected Have you ever been a victim of rape Dismissed from your job unjustifiably or undermined at the work place How does it feel when it is a wife a husband or a loved one It hurts even the more If you are hurting as a result of being bitter or you want to help someone Destroy the Destroyer will assist you Destroy the Destroyer will take you through some of the causes of bitterness with examples from the bible its deadly effects on the individuals and how some of them dealt with it and how you can also deal with it You will also find real interesting stories of people who lived in bitterness and how it affected their lives Learn how to prevent bitterness from taking root in your life and free yourself from the prison of anger
