Setting The Captives Free Victims Of The Church Tell Their Stories:

Setting the Captives Free Ron Clark, 2005-11-01 Abuse is a problem that needs to be understood addressed and challenged The abused are humans in the image of God who need to be protected loved and empowered to stand with us and walk through life with respect and dignity When God brings a victim to us we have a responsibility to love them as we want to be loved and be faithful to that responsibility We must make sure that they and their children are safe protected and given the chance to live in peace and love Abusers are also humans who are in the image of God and they need to be taught how to live and respect all others They must be confronted and challenged to change or face prosecution by our legal system and our spiritual communities I believe that the faith community is in a great position to address this problem We have a God who grieves over the violence that occurs in families Yet we have a God who grieves even more over the fact that spiritual leaders have failed to act as servants of Yahweh in this respect The rest of this book is an appeal to you to gain an understanding of what it really means to face domestic violence and how to help bring peace and wholeness to victims and their children caught in the web of abuse It is an appeal to you to confront those who abuse others rather than shut your eyes from the Introduction

Setting the Captives Free Austin Miles, 1990 I was brought into a Christian church by a so called Christian lady While I received Jesus Christ in my heart she left the service to go sleep with my husband Before I had time to think there stood Mr X In a split second he grabbed me and began to squeeze my breasts and crotch I remember struggling to escape I was twelve years old Our church s youth pastor became sick with cancer Medical treatment was resisted and all they did was pray and fast around him 24 hours a day He died He was 26 years old Ten years as a minister with the Assemblies of God Church turned Austin Miles into one of today s most outspoken critics of the church and propelled him into the international spotlight as an important spokesperson on a subject that has been handled far too delicately for far too long Miles first book the controversial Don t Call Me Brother sold thousands of copies appeared on several religious bestseller lists and led to an unprecedented outpouring of media attention and public response This book updates events following the publication of the book and the televangelist scandals and includes letters from Miles admirers and critics from a 70 year old man who sees the truth about born again Christianity for the first time to a ministerial candidate with a high heel fetish Letters from followers of the late faith healer William Branham call the book blasphemous others detail tragic stories of molestation the loss of life savings and the alienation of family members These letters many of them expressing confusion and pain provide the springboard for Miles hard hitting examination of deceptive religious organizations and for updates on the cast of characters that still controls much of the religious thinking of our time

The People Are Kind Bill R. Douglas, 2024-12-30 What religion the newly opened recently indigenous territory of Iowa would become was a matter of concern to German Lutherans Austrian and French Catholics and New England Congregationalists But their funding proved no match for the myriad of choices Iowans had Methodists were everywhere and Inspirationists Freethinkers and Meskwakis

is the story of a shy wisecrack kid from rural Canada becoming a well known American preacher It s a story of seemingly random events deciding one man s destiny But most of all it s a story of God leading one of His dear children along Join Erwin Lutzer on this tour of his life from a Saskatchewan farm to a Dallas seminary to the historic Moody Church in Chicago Hear his personal reflections and tales of pastoral hardship Meet the people who have shaped him his parents professors family and even the great evangelist Billy Graham And see how his many roles author speaker evangelist historian and cultural critic have carried his prophetic voice beyond Moody s pulpit even abroad Part story and part reflection full of heart with a dose of wit *He Will Be the Preacher* is a personal and engaging witness to the providence of God **Sagebrush**

Rebel William Perry Pendley,2013-07-08 The fascinating story of how Ronald Reagan self proclaimed sagebrush rebel took his revolutionary energy policies to Washington and revitalized the American economy Governor Reagan with his unbridled faith in American ingenuity creativity and know how and his confidence in the free enterprise system believed the United States would transcend the Soviet Union To do so however President Reagan had to revive and revitalize an American economy reeling from a double digit trifecta unemployment inflation and interest rates and he knew the economy could not grow without reliable sources of energy that America had in abundance The environmental movement was in its ascendancy and had persuaded Congress to enact a series of well intentioned laws that posed threats of great mischief in the hands of covetous bureaucrats radical groups and activist judges A conservationist and an environmentalist Ronald Reagan believed in being a good steward More than anything else however he believed in people specifically for him people were part of the ecology as well That was where the split developed William Perry Pendley a former member of the Reagan administration and author of some of Reagan s most sensible energy and environmental policies tells the gripping story of how Reagan fought the new wave of anti human environmentalists and managed to enact laws that protected nature while promoting the prosperity and freedom of man saving the American economy in the process *Setting the Captives Free* Marion L. S.

Carson,2016-11-24 *Setting the Captives Free* explores how a theological understanding of slavery goes against the idea of a God who is loving and just with the intention of being widely used in churches activist organisations and groups and by individuals Ardently arguing that slavery is incompatible with Christianity Marion Carson analyses how both anti slavery and pro slavery movements have been justified with the help of Scripture In *Setting the Captives Free* she provides an answer to the question What can the Bible say to us about contemporary human trafficking By looking through important passages from the Old and the New Testament Carson suggests what they might have to say to us about slavery in the twenty first century She analyses how Christians changed their views of slavery after its abolition before closely examining what the Bible has to say about slavery in general especially with regards to prostitution At the end of each chapter study questions are included to aid individual and group discussions in the hope that they will increase awareness of human trafficking and encourage more Christians to become actively involved in its eradication *The Christian Consumer* Laura M.

Hartman,2011-11-10 Be it fair trade coffee or foreign oil our choices as consumers affect the well being of humans around the globe not to mention the natural world and of course ourselves Consumption is a serious ethical issue and Christian writers throughout history have weighed in discussing topics such as affluence and poverty greed and gluttony and proper stewardship of resources These voices are often at odds however In this book Laura M Hartman formulates a coherent Christian ethic of consumption imposing order on the debate by dividing it into four imperatives Christians are to consume in ways that avoid sin embrace creation love one s neighbor and envision the future An adequate ethics of consumption she argues must include all four considerations as tools for discernment even when they seem to contradict one another The book includes discussions of Christian practices such as fasting gratitude solidarity gift giving Sabbath keeping and the Eucharist Using exemplars from the Christian tradition and practical examples from everyday life The Christian Consumer offers a thoughtful guide to ethical consumption

Popular Religion in America Erling T. Jorstad,1993-04-22 The enormous growth of evangelicalism is one of the major developments in recent American life Like other scholars Jorstad acknowledges that evangelicalism has grown because it is theologically attractive But Jorstad also attributes the growth of the evangelical movement to its relationship with American popular culture According to the author the evangelical movement was able to integrate populist democratic traditions with a cultural inclusiveness a mastery of high technology and a willingness to use mass media to spread its views The book contains three sections The first traces the development of evangelical subculture between 1960 and 1990 The second part discusses the evangelical movement and social and individual values The third part explores popular religion and the media The book considers the involvement of evangelicals in popular religion the appeal of popular religion to many but not to all evangelicals the similarities between popular religion and more traditional religious organizations and the means by which evangelicalism effectively utilizes the many genres and styles of popular culture

Leaving the Fold Edward T. Babinski,1995 This riveting new collection offers testimonies of former fundamentalists who became disillusioned with their churches and left Presenting more than two dozen personal journeys this book gives a clear picture of what attracts a person to the fundamentalist faith and what can drive believers away from their religion Photos throughout

Raped in the Church Mohadeebah,2019-11-12 This book is not intended for everyone to read or for everyone to like it is for the millions of people who have been unjustly raped in the church without any type of human justice or foreseeable biblical justice This book is for those who have been hurt or abused in the natural psychological mental physical and the spiritual realm If you are a new convert do not read this book because some things may shock you or even shake your faith in your local lay members or clergy who do not deserve any unjust criticism Some stories may seem unreal but they are based on real life events of everyday people who you see or are seen in the sanctuary worshipping God never knowing what they are going through or why they leave the church today some even convert to other religions As a result of hurt and frustration many never return to the organized church and prefer a relationship with God through television

evangelist I am not targeting Christianity but most of the stories and events are from people who are or once was a Christian I must say in all fairness I must say that I m a Christian and this book is written from a Christian point of view It s written to heal as well as inform that not everyone in the church is of the church meaning the kingdom of God To the clergy and lay members please remember this the Lord said woe unto the Shepherd that scatter MY Sheep he said that we are the sheep of his pasture Many people in leadership today seem to forget that very important fact that we are not theirs to command and bid as they see fit If you choose to read this book you will always have an awareness of what is going on with those who have been spiritually raped Some people may not believe you when you tell them what you have read and what you learned which is fine Remember they did not believe Jesus either Finally as one pastor once said to me many years ago that education stuff isn t going to get you anywhere he she didn t know that the bible has been translated by some of the best scholars of our time and our theology has had may contributors throughout history From the Quakers Shakers Lutheran Catholic Jews and even Mormons The lord said that knowledge would steadily increase and if a man lacks knowledge or wisdom let him ask God who gives limberly and upbraids not Cursing the Church or Helping it? Anna M. Aquino,2012-03-20 There is an epidemic going on in the Church today Many Christians hold on to offenses and maintain a me first attitude In this last season we must learn how to have compassion truly love each other and become one as the Body of Christ Anna Aquino s book seeks to open our eyes soften our hearts and move us to extend blessings to one another as we come together in unity This book will help heal the hearts of people both in the Church and in the world who have been hurt by the spirit of Balaam You will Learn that the spirit of Balaam brings division by causing Christians to criticize curse each other Understand how spiritual Amnons violate the Body Be challenged to examine your ways and humble your heart before God Be motivated to love your brothers and sisters in the Lord compassionately Anna Aquino writes We in the church need to wake up have compassion and start loving the hell out of each other The spirit of Balaam is moving through the churches at a rapid pace It s up to us as the Church to stop it **Breaking the Silence** Dr. Kim Yancey James,2010-03-11 This writing spiritually passionately and intellectually addresses the issues surrounding the silence of both church and secular community concerning violence against women The author shares a model of ministry that engaged women who courageously describe their victimization bringing the reader into the heart of their woundedness This ministry model has proven effective in breaking the silence of abuse while providing a safe nurturing environment in which victims of abuse may begin the lengthy process of healing This book is a must read for women and men alike as we are all somehow associated with a female victim survivor of violence and abuse *Forthcoming Books* Rose Arny,1994-04 **The Cumulative Book Index** ,1991 A world list of books in the English language *Divine Destruction* Stephenie Hendricks,2005 A simple investigation into environmental policy in the Sierra Nevadas turned out to be a far bigger story Bush s environmental policy is being driven by biblical fundamentalists who believe exhausting natural resources will hasten the Second Coming of Jesus Christ *The Publishers' Trade List*

Annual ,1995 **The X-Manual** Peter J. Bellini,2022-04-07 The title of the book The X Manual is taken from the word exousia from the subtitle It is the Greek word for authority The word is used throughout the New Testament For our purposes it is used to express the divine authority or right to cast out demons I have given you authority exousia to trample on snakes and scorpions and to overcome all the power of the enemy nothing will harm you Luke 10 19 NIV Jesus gives believers authority to cast out demons This book is about spiritual authority over evil The X Manual is a practical how to handbook for clergy and laity on deliverance and exorcism One reason I wrote the book is because so few understand and or operate effectively in deliverance ministry Nowhere is the church more inadequate or excessive than in deliverance ministry The X Manual contains specific time tested biblical instructions on selecting and training a deliverance team pre deliverance work the deliverance session post deliverance work and other useful tools like the C1 13 instrument that helps determine if one needs deliverance Deliverance is essential to the church s New Testament healing and evangelism ministry It is time for the church to walk in the authority and power that Christ gave us to set the captives free
