*The Authorized Biography of Jesus Christ* Mano Govindaraj,2012 The author describes how as a high school student he first met the scientific approach to the study of the Gospels and learned that the Gospel of St Matthew was copied from an older document called Q The question arose if Matthew was a disciple of Jesus why would he need another document to write about Jesus A life long struggle to answer that question resulted in the development of this new Interpretation Matthew was a trained tax accountant Taxation is all about keeping records and diaries Jesus called Matthew to be a disciple Matthew did what he knew best keeping records and diaries as directed by Jesus Analyzing its contents using principles of information assurance Mano concludes that this gospel is in two parts The first nine chapters happened before the call of Matthew and the source of data is Jesus After chapter ten Matthew is the source of data He recorded events as indicated by Jesus including events after the arrest This is the justification for calling it an authorized biography of Jesus Christ The Ascension is omitted That significant omission proves that this gospel was not written by a later Christian believer or organization but happened because Matthew ceased his diaries before the Ascension These diaries were obtained by Christians many years later and recognized as a gospel **Night the Angels Sang** James E.
