

Settling the Canadian-American West, 1890–1915

Pioneer Adaptation and Community Building

John W. Bennett and Seena B. Kohl

Settling The Canadian American West 1890 1915

Brooke Kathleen Brassard

Settling The Canadian American West 1890 1915:

Settling the Canadian-American West, 1890-1915 John William Bennett, 1995-01-01 This anthropological history tells the story of homesteading and community organization in the Canadian American West through personal reminiscences and locally written histories John W Bennett and Seena B Kohl interpret those stories through the lenses of history and social science and they present a view of settlement experience as one phase of the evolving postfrontier society and culture of western North America *Settling the Canadian American West 1890 1915* contains a synthesis of Canadian and U S settlement experiences giving to the extent possible equal space to both sides of the international boundary The experiences of people in these adjacent territories were virtually identical with emigrant populations from the same countries and socioeconomic strata Among other aspects of the homesteading experience the authors explore the interactive adaptation that developed in the West Networks of mutual aid reverently remembered by the voices found in these pages eased the inevitable hardships

Telling Tales Catherine A. Cavanaugh, Randi R. Warne, 2011-11-01 Women played a vital role in the shaping of the West in Canada between the 1880s and 1940s Yet surprisingly little is known about their contributions or the differences sex and gender made to the opportunities and obstacles women encountered *Telling Tales* contributes to the rewriting of western Canada's past by integrating women into the shifting power matrix of class race and gender that undergirded its colonization and settlement This book covers a range of topics African American settlement on Vancouver Island prairie childbirth narratives and Mennonites as domestic servants are but three examples They focus on women of both minority and dominant cultures and reflect the West's characteristically mixed population *Telling Tales* challenges founding myths of the region and invites a retelling of the story of western Canadian colonization and settlement

Writing Off the Rural West Parkland Institute, 2001-09 This collection reveals the situation in rural Canada in a new light but more than that it shows us that the ability to renew our rural communities remains within our grasp if we have the will to do so **BOOK JACKET**

Object Lives and Global Histories in Northern North America Beverly Lemire, Laura Peers, Anne Whitelaw, 2022-03-30 *Object Lives and Global Histories in Northern North America* explores how close collaborative looking can discern the traces of contact exchange and movement of objects and give them a life and political power in complex cross cultural histories Red River coats prints of colonial places and peoples Indigenous made dolls and an Englishwoman's collection provide case studies of art and material culture that correct and give nuance to global and imperial histories The result of a collaborative research process involving Indigenous and non Indigenous contributors this book looks closely at the circumstances of making use and circulation of these objects things that supported and defined both Indigenous resistance and colonial and imperial purposes Contributors re envision the histories of northern North America by focusing on the lives of things flowing to and from this vast region between the eighteenth and the twentieth centuries showing how material culture is a critical link that tied this diverse landscape to the wider world An original perspective on the history of northern North American peoples grounded in

things Object Lives and Global Histories in Northern North America provides a key analytical and methodological lens that exposes the complexity of cultural encounters and connections between local and global communities

The Routledge History of Twentieth-Century United States Jerald Podair, Darren Dochuk, 2018-05-02 The Routledge History of the Twentieth Century United States is a comprehensive introduction to the most important trends and developments in the study of modern United States history Driven by interdisciplinary scholarship the thirty four original chapters underscore the vast range of identities perspectives and tensions that contributed to the growth and contested meanings of the United States in the twentieth century The chronological and topical breadth of the collection highlights critical political and economic developments of the century while also drawing attention to relatively recent areas of research including borderlands technology and disability studies Dynamic and flexible in its possible applications The Routledge History of the Twentieth Century United States offers an exciting new resource for the study of modern American history

Canada and the United States John Herd Thompson, Stephen J. Randall, 2002 From the American Revolution to NAFTA to the Helms Burton Act and beyond this work offers an assessment of relations between the USA and Canada It seeks to distil a mass of detail concerning cultural economic and political developments of mutual importance during the past two centuries

Bootleggers and Borders Stephen T. Moore, 2014-11-01 Between 1920 and 1933 the issue of prohibition proved to be the greatest challenge to Canada U S relations When the United States adopted national prohibition in 1920 ironically just as Canada was abandoning its own national and provincial experiments with prohibition U S tourists and dollars promptly headed north and Canadian liquor went south Despite repeated efforts Americans were unable to secure Canadian assistance in enforcing American prohibition laws until 1930 Bootleggers and Borders explores the important but surprisingly overlooked Canada U S relationship in the Pacific Northwest during Prohibition Stephen T Moore maintains that the reason Prohibition created such an intractable problem lies not with the relationship between Ottawa and Washington DC but with everyday operations experienced at the border level where foreign relations are conducted according to different methods and rules and are informed by different assumptions identities and cultural values Through an exploration of border relations in the Pacific Northwest Bootleggers and Borders offers insight into not only the Canada U S relationship but also the subtle but important differences in the tactics Canadians and Americans employed when confronted with similar problems Ultimately British Columbia s method of addressing temperance provided the United States with a model that would become central to its abandonment and replacement of Prohibition

Patterns in Border Security Christian Leuprecht, Todd Hataley, Emmanuel Brunet-Jailly, 2022-12-12 How do security communities transform into security regimes This book compares the construction of cross border security regimes across five regions of the world to illustrate how trust emerges from the day to day relations of coordination cooperation or collaboration Patterns in Border Security Regional Comparisons studies the way borderland communities develop implement and align border policy to enhance their sense of security

Borders have been evolving rapidly in direct response to the multifaceted challenges brought on by globalization which has had a nuanced impact on the way borders are governed and border security is managed Taking a methodical comparative regional approach this book identifies and contrasts determinants of nascent ascendant and mature border security regimes which the book documents in seven regional case studies from across the globe The findings identify conditions that give rise to cross border and trans governmental coordination cooperation or collaboration Specifically pluralistic forms of communication and interactions sometimes far from the actual borderline emerge as key determinants of friendly and trustful relations among both contiguous and non contiguous regions This is a significant innovation in the study of borders in particular in the way borders mediate security For six decades international security studies had posited culture as the bedrock of security communities By contrast the book identifies conditions a method and a model for adequate and effective cross border relations but whose outcome is not contingent on culture The chapters in this book were originally published as a special issue of *Commonwealth and Comparative Politics* with a Foreword by the Secretary General of the World Customs Organization The Open Access chapters of this book available at <http://www.tandfebooks.com/doi/view/10.4324/9781003216926> have been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

Promised Lands David M. Wrobel, 2002 Whether seen as a land of opportunity or as paradise lost the American West took shape in the nation's imagination with the help of those who wrote about it but two groups who did much to shape that perception are often overlooked today Promoters trying to lure settlers and investors to the West insisted that the frontier had already been tamed that the only frontiers remaining were those of opportunity Through posters pamphlets newspaper articles and other printed pieces these boosters literally imagined places into existence by depicting backwater areas as settled culturally developed regions where newcomers would find none of the hardships associated with frontier life Quick on their heels some of the West's original settlers had begun publishing their reminiscences in books and periodicals and banding together in pioneer societies to sustain their conception of frontier heritage Their selective memory focused on the savage wilderness they had tamed exaggerating the past every bit as much as promoters exaggerated the present Although they are generally seen today as unscrupulous charlatans and tellers of tall tales David Wrobel reveals that these promoters and reminiscers were more significant than their detractors have suggested By exploring the vast literature produced by these individuals from the end of the Civil War through the 1920s he clarifies the pivotal impact of their works on our vision of both the historic and mythic West In examining their role in forging both sense of place within the West and the nation's sense of the West as a place Wrobel shows that these works were vital to the process of identity formation among westerners themselves and to the construction of a West in the national imagination Wrobel also sheds light on the often elitist sometimes racist legacies of both groups through their characterizations of Native Americans African Americans Mexican Americans and Asian Americans In the era Wrobel examines promoters painted the future of each western place as

if it were already present while the old timers preserved the past as if it were still present But as he also demonstrates that West has not really changed much promoters still tout its promise while old timers still try to preserve their selective memories Even relatively recent western residents still tap into the region's mythic pioneer heritage as they form their attachments to place Promised Lands shows us that the West may well move into the twenty first century but our images of it are forever rooted in the nineteenth

Birth Control and American Modernity Trent MacNamara,2018-10-11

MacNamara reveals how ordinary women and men legitimized birth control through private moral action as opposed to public advocacy in the early twentieth century

Canada , The Making of Modern Immigration Patrick J.

Hayes,2012-02-13 Combining the insight of two dozen expert contributors to examine key figures events and policies over 200 years of U S immigration history this work illuminates the foundations of the ethnic and socioeconomic makeup of our nation The two volume The Making of Modern Immigration An Encyclopedia of People and Ideas is organized around a series of four dozen in depth essays on specific aspects of American immigration history since the founding of the Republic This encyclopedia addresses the major historical themes and contemporary research trends related to U S immigration canvassing all the major policy endeavors on immigration in the last two centuries In addition to documenting immigration policy the contributors devote extensive attention to the historiography of immigration supplementing theories with cutting edge sociological data Not content with providing a comprehensive overview of immigration history however the work also offers probing investigations of key figures behind the ideas that have shaped the nation's self understanding Taken as a whole this seminal work lifts out the personalities and policies that surround the composition of America's national identity illuminating the past as a series of lessons for the future

The Shaping of America: A Geographical Perspective on 500 Years of History D. W. Meinig,1986-01-01 Volume one examines how an immense diversity of ethnic and religious groups ultimately created a set of distinct regional societies Volume two emphasizes the flux uncertainty and unpredictability of the expansion into continental America showing how a multitude of individuals confronted complex and problematic issues

Transnationalism Reginald C. Stuart,2010-10-20 The border between Canada and the United States separates political sovereignties but not the shared themes of cultural social and economic history that have unfolded since the 18th century Transnationalism brings together original works that focus on the shared histories of the United States and Canada that have over two centuries created a distinct North American identity and sensibility Contributors explore the phenomenon of a North American history and discuss interactions between Canada and the United States from the eighteenth century to the present Specific themes include the First Nations experience national and North American identities and culture social and economic cooperation and issues of security and defence Transnationalism challenges us to put the border in context order to better understand the past present and future interrelationships between Canada and the United States

Colour-coded

Constance Backhouse,Osgoode Society for Canadian Legal History,1999-01-01 Backhouse presents detailed narratives of six

court cases each giving evidence of blatant racism created and enforced through law

BOOK JACKET To Know Our Many Selves Dirk Hoerder, 2010 *To Know Our Many Selves* profiles the history of Canadian studies which began as early as the 1840s with the *Study of Canada*. Discussing this comprehensive examination of culture, Hoerder highlights its unique interdisciplinary approach which included both sociological and political angles. Years later as the study of other ethnicities was added to the cultural story of Canada a solid foundation was formed for the nation's master narrative. Against this background *To Know Our Many Selves* focuses on why Canadian studies can be used as a sound model for the study of other societies in a framework of transcultural societal studies.

American Pentimento Patricia Seed, 2001 The modern regulations and pervading attitudes that control native rights in the Americas may appear unrelated to the European colonial rule but traces of the colonizers' cultural, religious, and economic agendas remain. Patricia Seed likens this situation to a *pentimento*—a painting in which traces of older compositions become visible over time and shows how the exploitation begun centuries ago continues today. Seed examines how the goals of European colonialists in the Americas: The English appropriated land while the Spanish and Portuguese attempted to eliminate barbarous religious behavior and used indigenous labor to take mineral resources. Ultimately each approach denied native people distinct aspects of their heritage. Seed argues that their differing effects persist with natives in former English colonies fighting for land rights while those in former Spanish and Portuguese colonies fight for human dignity.

Book jacket Reinventing Free Labor Gunther Peck, 2000-05-22 One of the most infamous villains in North America during the Progressive Era was the *padrone*, a mafia-like immigrant boss who allegedly enslaved his compatriots and kept them uncivilized, unmanly, and unfree. In this history of the *padrone*, first published in 2000, Gunther Peck analyzes the figure's deep cultural resonance by examining the lives of three *padrones* and the workers they imported to North America. He argues that the *padrones* were not primitive men but rather thoroughly modern entrepreneurs who used corporations, the labour contract, and the right to quit to create far-flung coercive networks. Drawing on Greek, Spanish, and Italian language sources, Peck analyzes how immigrant workers emancipated themselves using the tools of *padrone* power to their own advantage.

At America's Gates Erika Lee, 2004-01-21 With the Chinese Exclusion Act of 1882, Chinese laborers became the first group in American history to be excluded from the United States on the basis of their race and class. This landmark law changed the course of U.S. immigration history but we know little about its consequences for the Chinese in America or for the United States as a nation of immigrants. *At America's Gates* is the first book devoted entirely to both Chinese immigrants and the American immigration officials who sought to keep them out. Erika Lee explores how Chinese exclusion laws not only transformed Chinese American lives, immigration patterns, identities, and families but also recast the United States into a gatekeeping nation. Immigrant identification, border enforcement, surveillance, and deportation policies were extended far beyond any controls that had existed in the United States before. Drawing on a rich trove of historical sources including recently released immigration records, oral histories,

interviews and letters Lee brings alive the forgotten journeys secrets hardships and triumphs of Chinese immigrants Her timely book exposes the legacy of Chinese exclusion in current American immigration control and race relations Thirsty Land into Springs of Water Brooke Kathleen Brassard,2025-07-15 Looking at the example of The Church of Jesus Christ of Latter day Saints Thirsty Land into Springs of Water answers questions about Canadian and religious identities immigration and integration Brooke Kathleen Brassard sheds light on the Latter day Saint experience in southern Alberta between 1887 and 1947 revealing how the Latter day Saints integrated into Canadian society while maintaining their peculiar identity through architecture business practices political participation gendered roles and family structures Drawing on family histories correspondence meeting minutes and oral histories Brassard explores how the Church negotiated the tension between integration and otherness The book demonstrates how Latter day Saints in southern Alberta embedded themselves in the social economic and political structures of Canada and how they adapted Mormonism to Canadian circumstances It draws on the concept of lived religion and historical methodologies to reveal the complications that occur in the process of negotiation for members of a minority religion in Canada Thirsty Land into Springs of Water ultimately illuminates the ways in which mainstream Canadian society forces newcomers to decide what they will adopt reject or adapt in order to belong

Recognizing the artifice ways to get this book **Settling The Canadian American West 1890 1915** is additionally useful. You have remained in right site to start getting this info. get the Settling The Canadian American West 1890 1915 link that we present here and check out the link.

You could buy lead Settling The Canadian American West 1890 1915 or acquire it as soon as feasible. You could quickly download this Settling The Canadian American West 1890 1915 after getting deal. So, similar to you require the books swiftly, you can straight acquire it. Its appropriately entirely simple and hence fats, isnt it? You have to favor to in this circulate

Settling The Canadian American West 1890 1915 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Settling The Canadian American West 1890 1915 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Settling The Canadian American West 1890 1915 has opened up a world of possibilities. Downloading Settling The Canadian American West 1890 1915 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Settling The Canadian American West 1890 1915 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Settling The Canadian American West 1890 1915. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Settling The Canadian American West 1890 1915. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Settling The Canadian American West 1890 1915, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the

legitimacy of the websites they are downloading from. In conclusion, the ability to download Settling The Canadian American West 1890 1915 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Settling The Canadian American West 1890 1915 Books

1. Where can I buy Settling The Canadian American West 1890 1915 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
