## Seuestro Sangrento:

**Vocabulario de las lenguas ibéricas** Mariña Regueiro, Ricardo Goyoaga, 1982 *Nuevo diccionario enciclopédico y atlas universal Codex: Apéndice II. Poligloto: Francés. Italiano. Portugués. 6. ed*, 1959 **Oitenta**, 1980 **SECUESTRO EXPRESS**, 2004 **Never Surrender** Stacy Claflin, 2020-08-25 Alex Mercer thought his worst days were behind him. Instead his life is falling apart from the seams. Again. While his marriage is on the brink of divorce his daughter is once more the target of a potential abductor. Alex will do whatever it takes to keep her safe while working to get to the bottom of the infamous kidnapping ring once and for all. He believes one of his superiors in the police department to be involved with the criminal mastermind and he will do anything to prove it. But if his suspicions prove wrong it will end his career. Alex must weed out friend from foe before his daughter disappears. His focus is being pulled in so many directions something is bound to fall through the cracks and soon. If he can't keep both his family and job intact he will lose everything. And this time there will be no salvaging any of it. **Bloodline** Kathi Oram Peterson, 2019 Flight attendant Skye Armstrong has heard the voice of warning before and as she's returning home from London she recognizes the feeling of dread that accompanies her sixth sense. Walking from the airport terminal to her car she pauses in the middle of the road. Her hesitation gives a Good Samaritan the split second he needs to pull her out of the path of a speeding car saving her life. But her misfortunes are just beginning. When she arrives home she discovers that Auntie Marjorie has been kidnapped and cryptic instructions have been left behind. Skye must retrieve the contents of a safe deposit box and deliver it to the captors. What Skye discovers in the bank box is baffling a single page. The ancient document is certainly valuable and with no time to lose she goes to the rendezvous to discover the next step. A cell phone rings beneath a park bench. She answers the call and on the screen is a picture of Auntie unconscious. Now the kidnapper demands Skye find two more pages or her aunt will die. What secrets are hidden within the illuminated pages and who believes they are worth killing for. And what roles does the Good Samaritan play in all of it. **Frightening Kidnap** Donnefar Skedar, 2017-02-01 Frightening Kidnap would be just an independent tale of any given work that I would create over time but in every little bit of the story that I wrote I ended up noticing it created its own course and totally swerved from the horror tale I was writing at first. Thus this tale ended up being isolated and unique a short and simple suspense tale full of mystery. Nowadays it is part of book Cadavrico but the e version was released separately. This version is the same as the one in the book the only differences are the inscription and this note which may be found in the original Cadavrico. **Stolen** Caroline Klug, 2019-05-14 Seventeen and on the streets Star is a runaway headed down a dark path. It becomes even darker when she catches the eye of a serial killer who holds her captive in a remote prison in the woods. Failed escapes physical torture and mental anguish mark her days in isolation. Alternating chapters weave her story around Sarah a woman riddled with questions about her own past who suspects the man she lives with may not be what he seems. As the stories unfold and connect perhaps there's a twist that will make you want to go back and read it again. This story brings

to life the anguish of isolation and the choices that paved the way into their prisons It also brings the gentle whisper of love and the audacious hope of freedom Stolen is a thriller that will take the reader on a journey of pain and terror as well as an unexpected journey of redemption

**The Slithy Toves** Ryan Scoville, 2013-10-23 Decades after three children are abducted from a rural Ohio town and held captive in the woods three more children disappear under similar circumstances Though the abductor in the previous case was killed Detective Terry Kruthers must deal with local speculation that the two crimes are intrinsically linked Terry wants to treat this like his typical small town case but the media puts him into the national spotlight and he is forced to chase an old rumor that two kidnappers committed the original abduction and the survivor is now seeking revenge Terry's gut says this is the work of a copycat criminal but he must reevaluate his suspicions when he receives riddles mailed directly from the children's abductor Each package contains a cryptic message along with a horrifying link to the thirty year old case As the media guesses who committed these unspeakable acts Terry struggles to answer the more profound question Why

A Maiden's Grave Jeffery Deaver, 1996 A veteran FBI agent matches wits with an escaped killer who holds eight deaf children and their teachers hostage and has nothing left to lose
