curriculum Welcome to the Dark House Laurie Faria Stolarz,2014-07-22 What s your worst nightmare For Ivy Jensen it s the eyes of a killer that haunt her nights For Parker Bradley it s bloodthirsty sea serpents that slither in his dreams And for seven essay contestants it s their worst nightmares that win them an exclusive behind the scenes look at director Justin Blake s latest confidential project Ivy doesn t even like scary movies but she s ready to face her real world fears Parker s sympathetic words and perfect smile help keep her spirits up at least for now Not everyone is so charming though Horror film fanatic Garth Vader wants to stir up trouble It s bad enough he has to stay in the middle of nowhere with this group the girl who locks herself in her room the know it all roommate Mister Sensitive and the one who s too cheery for her own good Someone has to make things interesting Except things are already a little weird The hostess is a serial killer look alike the dream stealing Nightmare Elf is lurking about and the seventh member of the group is missing By the time Ivy and Parker realize what s really at stake it s too late to wake up and run *50 Mindful Steps to Self-Esteem* Janetti Marotta,2013-12-01 In this book psychologist Janetti Marotta offers mindfulness exercises for readers struggling with a lack of self acceptance and self compassion Based on the idea that true self esteem is based on internal rather than external factors the 50 easy to use practices outlined in this book aim to promote inner awareness and help readers live a more fulfilled life **Every Book Is a Social Studies Book** Jeannette Balantic,Andrea S. Libresco,Jonie C. Kipling,2011-02-01 This text offers a teacher and student friendly collection of lessons and activities that help educators use picture books to engage younger students in meaningful social studies activities and bring this critical subject back in elementary schools In order for today s children to succeed as adults they need a solid foundation of life skills inculcated at a young age Social studies is key to building this critical knowledge yet less attention is being paid to social studies in elementary schools as this subject becomes more essential The authors of this text have a solution use picture books as dual purpose texts that fulfill more than just language arts needs and take the time dedicated to those lessons to simultaneously teach social studies Each chapter of this text is organized around one of the National Council for the Social Studies Ten Thematic Strands covering diverse and engaging topics ranging from community and individuality to science and technology This book serves as a vital resource for classroom teachers methods professors staff developers and curriculum writers who prioritize keeping social studies a part of the elementary school curriculum Leading Learning in a Changing World Jacqueline E. Jacobs,Julie A. Rotholz,2005 Professional development activities have proven adequate to facilitate mastery of new content inform teachers of best practice and for dissemination of information however such efforts fail to address the emotional and personal aspects of the teaching profession Here is a hands on activities book that provides school leaders an easy to use format for the delivery of professional development sessions for K 12 personnel It details three major topics social realities e g societal trauma diversity e g Disabilities and community conundrums e g economic uncertainties The uniqueness of this book is the activity design using children s literature to provide a neutral framework for discussion of often difficult issues The authors provide

an opportunity for teachers to explore their underlying assumptions unacknowledged biases or often unspoken feelings about issues that are central to student success They seek to regain professional responsibility to solve problems and improve education in our ever changing world For administrators or teacher leaders who are on the cutting edge of facilitating professional development for problem solving issues in our schools **Books to Build On** E.D. Hirsch, Jr.,2009-10-14 The invaluable grade by grade guide kindergarten sixth is designed to help parents and teachers select some of the best books for children Books to Build On recommends for kindergartners lively collections of poetry and stories such as The Children s Aesop and imaginative alphabet books such as Bill Martin Jr s Chicka Chicka Boom Boom and Lucy Micklewait s I Spy An Alphabet in Art for first graders fine books on the fine arts such as Ann Hayes s Meet the Orchestra the hands on guide My First Music Book and the thought provoking Come Look with Me series of art books for children for second graders books that open doors to world cultures and history such as Leonard Everett Fisher s The Great Wall of China and Marcia Willaims s humorous Greek Myths for Young Children for third graders books that bring to life the wonders of ancient Rome such as Living in Ancient Rome and fascinating books about astronomy such as Seymour Simon s Our Solar System for fourth graders engaging books on history including Jean Fritz s Shh We re Writing the Constitution and many books on Africa including the stunningly illustrated story of Sundiata Lion King of Mali for fifth graders a version of Shakespeare s A Midsummer Night s Dream that retains much of the original language but condenses the play for reading or performance by young students and Michael McCurdy s Escape from Slavery The Boyhood of Frederick Douglass for sixth graders an eloquent retelling of the Iliad and the Odyssey and the well written American history series A History of US and many many more Thematic Activities and Patterns for the Early Childhood Classroom Beverly Ann Beckmann,1999
