The Seven Faces of Death Alexandra Volland,2019-04-01 Seven deaths Seven lessons on life One person to see them through All that Mitch Jordan wants to do after his girlfriend s death is to die himself Only that the Grim Reaper Death Incarnate won t let him Appearing in front of him the skeleton gives him one choice either he can continue to try killing himself and spend the next decades of his life locked up in a psychiatry Or Mitch agrees to see the sites of seven deaths seven tragedies and to meet seven people and get back the love of his life But simply going through loss is not enough Mitch has to understand the lessons he s taught about what really matters in life And if he refuses to he ll lose everything      Eros: Faces of Love Jeff Cannon,2010-01-29 The word Eros names not only a Greek god of love but also an asteroid What does an ecstatic filled epiphany of empathic compassionate fulfillment have to do with a hard and lifeless rocky chunk of matter Eros Faces of Love fearlessly enters the spiral labyrinth of this paradox With penetratingly tender reflection and bold confessional scrutiny the author ponders whether love is the arrival of a longed for gift or the disaster of an unexpected meteor As sensual descriptions reveal the ecstatic delight of islands of paradise passionate metaphors uncover rocky hidden coves of scorn Can unsettled dreams temper the hectic race to make space to love Can fond remembrances call one home to rest and simply let space open for love Eros Faces of Love opens the space of the heart for both the lover and the beloved to find out      **Faces of Love** Bertha Adjei Adiwana,2011-09-30 Contrary to the custom of the kingdom the throne had passed Prince Ziggah Mandi the first son of the king to his junior brother This did not go well with the senior prince but he could not do anything about it because he had a deformity which disqualified him As a vengeance he secretly planned to annihilate all heirs to the throne of Armadah Kingdom However while he thought he had totally annihilated all heirs to the throne except he and his children the son of the king he murdered was growing up in a different country under a foreign name The desire of the hidden prince was to avenge his father s death and take his throne but he got himself entangled in a love affair that landed him and the princess of his heart in prison The beautiful kingdom of Armadah was fast deteriorating under the ineffective reign of Prince Ziggah s son but there seemed to be nobody to the rescue      **Seven Faces of Love ... **Romantic Love and Sexual Behavior** Victor C. de Munck, 1998-04-16

Westerners believe that love makes life worth living that sex is a natural desire different in kind from love and that only cynics reduce our love life to a calculation of economic or genetic factors In this volume essays explore these and other assumptions about the relationship between romantic love and sex This represents the first interdisciplinary social science study of love and sex Contributors ask and answer questions such as Is love just sex idealized or is it a transcendent and divine emotion Is love a cultural construct that is shared by members of the same culture or is it a matter of personal taste What keeps promiscuous people from using condoms even when they know they are at risk Are black professional men so rare that their conceptions of love and sex differ from those of white professional men Are brutal sexual fantasies an exclusively male domain and are they always excluded from love fantasies among normal adolescents Is divorce a culturally induced response to evolutionary reproductive strategies that compel individuals to maximize their genetic legacy Are marriages or relationships less satisfying or stable when an actual mate falls short of the fantasy of the ideal mate Is there a universal core to love and sex that is camouflaged by other cultural norms such as modesty and sexual segregation Is rape perceived as more acceptable when the rapist says he was motivated by love What do cult movements and romantic love have in common As they attempt to answer these and other questions the authors extend our understanding of the variety of ways that love and sex are conceptualized connected or separated
