Seven Steps To Developing Your Intuitive Powers:

Seven Steps to Developing Your Intuitive Powers Betty Bethards, 2012-08-09 Here's what you'll learn in just seven steps 1 Tapping your hotline to the Divine 2 Self Love 3 Releasing the past and facing fears 4 Life cycles 5 Creating and receiving prosperity 6 Relationships 7 Awakenning the spiritual self Change your perception change your life **The Way of the Mystic** Betty Bethards, Jaclyn Catalfo, 1995 Designed for individuals or groups who wish to deepen perception and increase intuitive abilities this course contains exercises worksheets diagrams and techniques together with personal stories and guidance from the authors Its topics include tapping innate creativity and intuition increasing vital energy to promote healing getting rid of self limiting beliefs and fears and achieving balance in body mind and spirit **Journey Into Truth** Kent Saylor, 2010-09-20 This book chronicles the amazing spiritual journey made by the author after a series of misfortunes took him from a happy life into an abyss filled with grief and aching loss He thus began questioning everything about life faith truth and God In frustrated desperation he started a five year quest for answers to the melancholy and pain The author writes of powerful hidden knowledge discovered during his fight back to wholeness Through these secrets he ultimately attained a deep genuine sense of peace joy and purpose The book shares personal details of his significant insight filled journey as well as the hidden formula for happiness that he uncovered along the way His references to long lost ancient wisdom make it easy for readers to quickly find their own pathway to profound peace and joy They are also led to discover the means by which they can personally experience a life of true contentment coming to understand their life's unique purpose and thereby achieving deep personal fulfillment *The Dream Book* Betty Bethards, 2011-02-12 What does it mean if you dream you're being chased by someone in a dream night after night What if you're flying or falling or spitting out teeth Should you be embarrassed if you happen to be walking through Grand Central Station in the nude You dream every night even if you don't remember your dreams Dreams are an important key to self discovery offering insight guidance and inspirations All dreams even nightmares contain positive messages The trick is learning to decipher the symbolism so you can understand what your dreams are trying to tell you The Dream Book includes interpretation of 1 650 dream symbols along with explanations of recurring dreams prophetic dreams violent dreams dreams about snakes about sex money death and more You'll also learn to remember your dreams more clearly and discover ways to use them to solve problems in waking hours *Reason, Virtue and Psychotherapy* Antonia Macaro, 2006-06-14 In recent years philosophy has become increasingly popular as an alternative source of inspiration in helping people to lead a good life Ancient Greek philosophy in particular was conceived as a practical endeavour intended to have an impact on how people lived This book loosely organised around the structure of Aristotle's Nicomachean Ethics draws on Aristotle's ideas about virtue and on contemporary virtue ethics to create a framework that can be used by psychotherapists and counsellors in helping their clients or themselves to live flourishing lives It provides a clear discussion of Aristotle's key ideas about virtue and the good life and places these within

the context of other philosophical and psychological theories both ancient and contemporary It goes on to address the practical relevance of these ideas to the everyday work of the therapist providing suggestions for practice and a number of useful exercises These will be particularly helpful for practitioners working with issues such as finding value and meaning in life making difficult decisions developing helpful character traits managing disruptive emotions and increasing self control Reason Virtue and Psychotherapy bridges the gap between academic philosophy and real life It will be of interest to practising counsellors and psychotherapists as well as students and trainees in these areas Since it is written in a clear jargon free style it is also appropriate for all those who are curious about how ancient understandings can improve their life
