Seven Steps To Eternity:

Seven Steps to Eternity Stephen Turoff, 2012-07-09 I died in the Battle of the Somme These were the astonishing first words spoken to clairvoyant and healer Stephen Turoff by the soul of James Legett a young soldier who was killed in the First World War For two years the world famous psychic surgeon communicated with the soldier's soul and in the process wrote down his remarkable story not the tale of Legett's tragically short life on the physical plane but of his death on a battlefield in France and his soul's subsequent journey into the afterlife Although he works with many discarnate spirits in his clinic the dyslexic Turoff was initially reluctant to undertake the task of writing a book But he was persuaded by the boisterous and genial soul of the dead man Their literary collaboration involved an unusual method Legett presented spiritual pictures to Turoff who with clairvoyant perception interpreted them into words The result is this enlightening testimony of life beyond the illusion of death filled with insight spiritual wisdom and delightful humour It is written to show that we are all eternal there is no death only change

Seven Steps to Eternity Stephen Turoff, 1989* Seven Steps to Eternity Richard Strahm, 2013-02 For years I was a professional student with the goal of becoming an athletic coach in baseball and basketball Until one day God put his thumb in my back and said Change In May of 1950 at the age of 20 I experienced being born from above and became a new creation in Christ Jesus 1 Corinthians 5:17 I completed my BA degree in Philosophy and Religion graduating from Marion College now known as Indiana Wesleyan University An ordained minister in the Church of the Nazarene through God's grace and mercy I have pastored two churches Under my leading I encouraged the congregations I served to believe they can achieve all that God has planned for them and Don't permit the problems of the past prevent you from possessing the promises of the future The author challenges the reader to explore how a simple thought triggers a chain of events that determines where a person spends eternity

Seven Steps to Eternity Independently Published, 2017-10-23 A life of sensual bliss continues for James and Genevieve A new civilisation is born Unfortunately all good things come to an end But is it the end for James and Genevieve Maybe not

Seven steps to eternity Angelo Aulisa, 2014-08-19 Seven steps to eternity self help non fiction inner guide to meditation and consciousness awareness for the realization awakening of oneself Seven steps to eternity help the reader to be awake conscious aware of oneself and consciousness infinity eternity in essence a human being is eternal immortal in this book a convergence of evolution in consciousness awareness is clearly explained The path endless meditation Angelo Aulisa

Seven Steps To Eternity: Step 5 A New Life Begins Tessy 47, 2017 **Seven Steps to Eternity** Independently Published, 2017-10-23 In Step 5 James and Genevieve settle into accepting that they as well as their dog Jimmy are possibly the only ones remaining in the world Not that it particularly bothers James and Genevieve because of the intense intimate love that they share Much evil is discovered below ground at the property where they live Enormous quantities of gold are uncovered This has relevance later in their lives

Seven Steps to Eternity Independently Published, 2017-10-23 Two beautiful birds come into James and Genevieve's lives As a result their days are

filled with fun and humour Our two lovers escape death by a hair s breadth They also find a plane to fly While flying the plane it s at the end of Step 6 that they come across others who have survived the Armageddon of step 4 **Seven Steps To Eternity** 47 Tessy (author),1901 Seven Steps To Eternity 47 Tessy (author),1901 **Seven Steps to Eternity** Independently Published,2017-10-20 Seven Steps to Eternity is a heptalogy of books depicting a compelling and somewhat sensual love story It s a story that embraces intense feelings of joy sorrow disaster and humour It s a story that above all depicts the most powerful love between two people that has ever existed In fact it is of a love that has never been known within the human fraternity When I first started writing the series the intention was that it be simply one book It was as I continued to write that I have to admit that to some degree I became emotionally involved This was as the story unfolded With my emotional involvement the words continued to flow and kept on flowing On that basis containing the complete story within one book became impractical The story is fiction but refers to actual events that have occurred in the world since the 1960 s As an example there are references to real events such as what has become known as Nine Eleven There are fictional events portrayed that occur beyond the year 2000 Even though they are fictional something similar could happen and change how we all live forever In fact if we don t all do something about how we treat Planet Earth it will be inevitably someday and somehow that we will as a civilisation self destruct Within the story there are references to real places such as Birmingham in England and Auckland New Zealand to name two of many At these locations fictional events occur These fictional events bear no reflection on the places themselves It is simply convenient to use such places to fit in with the story Apart from the use of real names there are references to fictional places as well In writing this seven part novel I felt it to be high time that there be a change That is a change where the explicit sensual and sexual feelings between two people exist What I mean is that the intimate actions between two lovers be expressed as something of great beauty Too many times I have seen the sexual act being portrayed with a crudity that is beyond belief There are no F or C words here Maybe this crudity came about because of an inherent timidity our society has That is about expressing deep feelings something similar to a boys don t cry mentality These seven books change all that They take an approach that will no doubt offend or infuriate some and be embraced by others Please if it offends don t read on In addition to what I have just stated the story has a spiritual aspect that touches on the realms of being science fiction Even so Seven Steps to Eternity is not a series of science fiction novels as such It is in essence a love story that differs to anything ever written The man and the woman in the story have needs that replicate first time love and lust Those feelings never die for a single moment No nobody has ever experienced such everlasting and sustained lust and love before For some of us the challenges the world throws our way can be overwhelming On that basis we don t make it The two main characters in this story do make it This is because firstly the intense love they have for one another gives them the strength to do so Secondly being loved gives them the courage to survive against all odds They are also controlled by a higher power that they can t see or feel Over time they become aware of such a presence

At times in writing this story there were tears in my eyes This was with the deep sensual feelings that prevail Even so it is not a doom and gloom epic It has humour and in some ways it takes courage to read it It does so because it makes us take a look at ourselves and how we live as a society It may in all likelihood even take the reader where he or she has have never had the courage to go in a relationship

Seven Steps to Eternity Independently Published,2017-10-22 James and Genevieve come to terms with the fact that the world is changing This is in relation to responsibility and attitudes expressed by the masses The cheating culture has arrived In fact the world can t continue on the way it is Yes something is very wrong within society on Planet Earth

Seven Steps to Eternity Independently Published,2017-10-22 James and Genevieve and the world for that matter become aware of a space object named TESSY Spiritual events within James and Genevieve s lives become more frequent They come to know that they are Chosen Ones in relation to the future of Planet Earth This is especially so when life as it has always been on Earth ends Hence the name of Step 4 being The Meek Disinherit the Earth
