Seven Years Harvest:

His Dream Interpreters Phantom Prophet, 2009-03 *Shadow of Things to Come Very Soon* William Kelly, 2020-11-30

This book was written to teach Christians to understand the foundations of the book of Revelation to see how it is put together by using the Old Testament as a shadow of the new. In the Old Testament we are taught about the harvest of grains: barley, wheat, and grapes; and in the new we are taught about the harvest of souls. The souls are the Christians, Israel, and Gentiles. Each harvest has three parts: firstfruits, main harvest, and gleanings. This is the same for grains and souls. Christ is the second Adam. This means we can look at Adam as a shadow of Christ. Christians are part of the body of Christ, as God took a rib from Adam next to his heart. God will take the firstfruits from the body of Christ, the church, in the first rapture. Then he will take the main harvest, the body of Christ, in the second rapture. Bible Reference: Joel 2:16.

The Making of Middlebrow Culture Joan Shelley Rubin, 1992. Examines the growth of book clubs, reading groups, and new forms of book reviewing in the first half of the twentieth century to chronicle the rise of middlebrow culture.

Acts: Jimmy Swaggart Bible Commentary Jimmy Swaggart, 1996. ACTS BIBLE COMMENTARY. After nearly 40 years of full-time ministry, Brother Swaggart published his first commentary on the book of Genesis that was later described as the most helpful Bible commentary ever published. It would take nearly 20 years to complete the entire commentary series from Genesis to Revelation. True to Pentecostal theology, the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible. Rather than providing notes on every Bible verse, these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended. Where most relevant cultural and historical references are also included along with explanations of the allegories, types, and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures. Yet what seems to separate this work from all other commentaries are the biblical applications made to present-day circumstances facing every believer. Printed on high-quality paper and bound with a beautiful hardback cover, this unique reference will be cherished by anyone who loves to study the Word of God.

Federal Register, 2007-05-30 **"The Bible, in Story, from the Beginning"** Ruth Mumford Fox, 2012-11-30. May all glory, honor, and praise be unto God the Father, to Jesus His beloved Son, and to Precious Holy Spirit. A message to loving parents: Following a prayerful and deep desire to serve my Lord in any way He might lead me, *The Bible in Story from the Beginning* came into existence. I have no children, nor have I ever lived or worked with them, yet our Lord chose me to write the Bible in story form for His children. I prayed for His guidance, for I had never written anything in my life. Dear Mother Teresa was quoted as saying in a documentary: "The Holy Spirit directed me all the way. I just pushed the pencil." I can honestly say this publication was also written by the most famous author of all times: Jesus Christ, our Lord and Savior. Even the title was given to me by the Holy Spirit. With just a glance through this book, you will find the stories are written in chronological order with a great deal of direct dialogue and biblical teachings. They are easy for children to understand and are written in a very
