Packaging Girlhood Sharon Lamb, Lyn Mikel Brown, 2025-06-25 The stereotype laden message delivered through clothes music books and TV is essentially a continuous plea for girls to put their energies into beauty products shopping fashion and boys. This constant marketing cheapening of relationships absence of good women role models and stereotyping and sexualization of girls is something that parents need to first understand before they can take action. Lamb and Brown teach parents how to understand these influences give them guidance on how to talk to their daughters about these negative images and provide the tools to help girls make positive choices about the way they are in the world. In the tradition of books like *Reviving Ophelia* *Odd Girl Out* *Queen Bees* and *Wannabees* that examine the world of girls this book promises to not only spark debate but help parents to help their daughters.
