The Seven Sayings of the Savior on the Cross Arthur W. Pink, 2011-05-01 THE DEATH OF THE LORD JESUS CHRIST is a subject of never failing interest to all who study prayerfully the scripture of truth This is so not only because the believer s all both for time and eternity depends upon it but also because of its transcendent uniqueness Four words appear to sum up the salient features of this mystery of mysteries the death of Christ was natural unnatural preternatural and supernatural Arthur Walkington Pink was an English Christian evangelist and Biblical scholar known for his staunchly Calvinist and Puritan like teachings Though born to Christian parents prior to conversion he migrated into a Theosophical society an occult gnostic group popular in England during that time and quickly rose in prominence within their ranks His conversion came from his father s patient admonitions from Scripture It was the verse Proverbs 14 12 there is a way which seemeth right unto a man but the end thereof are the ways of death which particularly struck his heart and compelled him to renounce Theosophy and follow Jesus *The Seven Sayings of the Saviour on the Cross* Arthur Walkington Pink, 1964 **The Seven**

Sayings of the Savior on the Cross Arthur W. Pink, Rev Terry Kulakowski, 2016-09-27 THE DEATH OF THE LORD JESUS CHRIST is a subject of never failing interest to all who study prayerfully the scripture of truth This is so not only because the believer s all both for time and eternity depends upon it but also because of its transcendent uniqueness Four words appear to sum up the salient features of this mystery of mysteries the death of Christ was natural unnatural preternatural and supernatural The death of Christ was natural By this we mean that it was a real death It is because we are so familiar with the fact of it that the above statement appears simple and commonplace yet what we here touch upon is to the spiritual mind one of the main elements of wonderment The one who was taken and by wicked hands crucified and slain was none other than Jehovah s Fellow The blood that was shed on the accursed tree was divine The church of God which he purchased with his own blood **The Seven Sayings of Our Saviour on the Cross** Francois Petrus Viljoen, 2000 **Cries from the Cross** Erwin W. The Doctrine of Salvation; A Beginner's Guide to Understanding Biblical Theology: What Does Biblical Salvation Really Mean Michael Southard, 2017-01-25 Have you ever just wanted to sit down and read something about God or Jesus just to get closer to him to know him more intimately or to expand your understanding of his creation and plan for you So you find a book that advertises just the subject matter you are interested in then you open it and begin to read but before long you realize you have to run and get the dictionary Then you may have to purchase a dictionary of theology then maybe an encyclopedia of Christian apologetics just to understand what you are reading When this happens readers often give up on the book and never finish it and may never buy another one It can get discouraging when confronted with terminology like infralapsarianism hamartiology and demythologization and that doesn't include the hundreds of nontheological words rarely used in common communication today Authors write this way to keep the book from becoming the size of an encyclopedia However I did buy all those books and persevered in study because of my great hunger for the deeper things of God Now you can too because this book conveys these wonderful biblical thoughts and great theologians writings into plain common language *The Doctrine of Salvation* takes deep theological concepts and brings their understanding down to a street level as it were This book describes on a practical level how these doctrines are to be applied to our lives and how we can relate them to others I refrain from using thirteen letter words but if they are needed I will use them and then immediately clarify their meaning so the reader will not lose their train of thought Enjoy reading about the wonders of God again in greater depth
