A Catholic Parent's Tool Box Joseph D. White, PhD, 2014-09-04 Parenting Some parts of the job are obvious Don't run with scissors Brush your teeth Be kind to animals But some parts of parenting are not so cut and dry How do I set healthy limits and risk not being liked How do I turn off technology theirs and mine How do I say no when everyone else is saying yes How do I raise them Catholic and keep them Catholic How do I manage our crazy schedules How do I get to work on my family Dr Joseph White practicing clinical psychologist and noted author just handed you the toolbox With almost 20 years of experience counseling children and families Dr White knows how to break down the tough topics into bite size pieces for families Practical advice actionable tips and comforting stories combine to give parents exactly the tools they need to learn

How to fearlessly form your kids in the faith How to simplify the family schedule and keep your sanity How to discipline your kids and not feel guilty How to raise thankful children How to make your kids gracious winners How to be a married couple and parents at the same time and why it matters All parents face challenges but Catholic parents have a unique opportunity the ability to weather any storm with the grace that comes from their Catholic faith And a bit of help from A Catholic Parent s Toolbox **Raising Children Who Think for the mselves (EasyRead Comfort Edition) ,** *Adult Children Raising*

Children Randy Colton Rolfe,2011-11-21 Raising children today is a challenge for anyone For those who were raised with alcoholism or other chemical dependency the challenge can be overwhelming Trapped between our parents and our children we may fear both the old and the new In *Adult Children Raising Children* author Randy Colton Rolfe demonstrates that all our children really need is us being our true selves Using case studies and real life anecdotes she helps us take a compassionate inventory of ourselves and our reactions to our old family our new family and the relationship between them She offers new strategies for everyday situations as well as ways to find out who we really are and how to be that wonderful person for our children Discover the best ways to avoid overreacting when your buttons are pushed develop rules that stick stop trying to please everyone be loving without being a pushover instill responsibility in your child motivate with the carrot rather than the stick relax and have fun *Adult Children Raising Children* can help you create a new life of peace and joy developed with confidence and love **Raising Children Who Think for the mselves (EasyRead Super Large 18pt Edition) ,**

Raising Children Who Think for Themselves Elisa Medhus M.D.,2011-02-22 *Raising Children Who Think for Themselves* offers a new approach to parenting that has the power to reverse the trend of external direction in our children and help parents bring up empathetic self confident moral independent thinkers Children who are externally directed make decisions based on the peer groups violent movies sexually explicit television shows and rap lyrics that permeate their lives When children are self directed on the other hand they use their power of reason like a sword to cut through the jungle of external influences Fortunately the author shows us it is never too late to foster in our children the ability to weigh options consider sources and think for themselves Filled with real life examples humorous anecdotes and countless interviews with parents children and teachers *Raising Children Who Think for Themselves* Identifies the five essential qualities of self directed children Outlines the seven strategies necessary for parents to develop these qualities in their children Addresses nearly one hundred child raising challenges from body piercing to whining wars and offers solutions to help encourage self direction
