## **Seventeen Steps To 221b:**

**Seventeen Steps to 221B** James Edward Holroyd,1994-05-01      **221b Baker Street** Ian Lamb,2013-12 Presents an information resource on works by British writer Arthur Conan Doyle 1859 1930 featuring the detective Sherlock Holmes compiled by Michael Sherman Offers access to online versions of the stories and some of their illustrations      [Seventeen Steps to 221B](#) James Edward Holroyd,1967      [Seventeen Steps To 221B](#) ,1967      [Seventeen Steps to 221B. A Collection of Sherlockian Pieces by English Writers Maurice Baring, and Others](#) James Edward Holroyd,1967      **The Transcendent Holmes** John Warwick Montgomery,2018-03-09 In a series of sparkling and intelligently presented essays Dr Montgomery takes a fresh look at the world where it is always eighteen ninety five the world of Baker Street and Sherlock Holmes Besides examining long debated problems such as the true location of 221B which was Holmes s University how many times Watson was married and where Watson was wounded Dr Montgomery also considers Holmes s activities in Tibet his writings his brother Mycroft and his liking for fine wines In a stunning climax to the volume the reader is presented with a discussion between Holmes and Watson which will almost certainly cause him her to pause think and deeply consider the depth of the message conveyed Dr Montgomery is a Sherlockian of long standing These essays prove that his time devoted to his subject has been very well spent indeed      **Sherlock Holmes - The Hero With a Thousand Faces: Volume 1** David MacGregor,2022-06-07 Sherlock Holmes The Hero With a Thousand Faces ambitiously takes on the task of explaining the continued popularity of Arthur Conan Doyle s famous detective over the course of three centuries In plays films TV shows and other media one generation after another has reimagined Holmes as a romantic hero action hero gentleman hero recovering drug addict weeping social crusader high functioning sociopath and so on In essence Sherlock Holmes has become the blank slate upon which we write the heroic formula that best suits our time and place Volume One looks at the social and cultural environment in which Sherlock Holmes came to fame Victorian novelists like Anthony Trollope and William Thackeray had pointedly written novels without a hero because in their minds any well ordered and well mannered society would have no need for heroes or heroic behavior Unfortunately this was at odds with a reality in which criminals like Jack the Ripper stalked the streets and people didn t trust the police who were generally regarded as corrupt and incompetent Into this gap stepped the world s first consulting detective an amateur reasoner of some repute by the name of Sherlock Holmes who shot to fame in the pages of The Strand Magazine in 1891 When Conan Doyle proceeded to kill Holmes off in 1893 it was American playwright director and actor William Gillette who brought the character back to life in his 1899 play Sherlock Holmes creating a sensation on both sides of the Atlantic with his romantic version of Holmes and cementing his place as the definitive Sherlock Holmes until the late 1930s By that point Sherlock Holmes had developed a cult following who facetiously maintained that Holmes was a real person formed clubs like The Baker Street Irregulars and introduced the idea of cosplay to the embryonic world of fandom These well educated fanboys subsequently became the self assigned

protectors of Sherlock Holmes anxious that their version of the character not be besmirched or defamed in any way In spite of this there was considerable besmirching and defaming to be seen in the early silent films featuring Sherlock Holmes which effectively turned him into an action hero due to the lack of sound When sound films took the industry by storm in the late 1920s there were a numbers of pretenders who reached for the Sherlock Holmes crown including Clive Brook Reginald Owen and Raymond Massey but it took more than a decade before a new definitive Sherlock Holmes would be crowned in 1939 in the person of Basil Rathbone

**How Sherlock Pulled the Trick** Brian McCuskey,2021-06-01 A masterful combination of literary study and author biography How Sherlock Pulled the Trick guides us through the parallel careers of two inseparable men Sherlock Holmes and his creator Sir Arthur Conan Doyle Reconsidering Holmes in light of Doyle s well known belief in Victorian spiritualism Brian McCuskey argues that the so called scientific detective follows the same circular logic along the same trail of questionable evidence that led Doyle to the s ance room Holmes s first case A Study in Scarlet was published in 1887 when natural scientists and religious apologists were hotly debating their differences in the London press In this environment Doyle became convinced that spiritualism as a universal faith based on material evidence resolved the conflict between science and religion The character of Holmes with his infallible logic was Doyle s good faith solution to the cultural conflicts of his day Yet this solution has evolved into a new problem Sherlock Holmes now authorizes the pseudoscience that corrupts our public sphere defying logic revising history and promoting conspiracy theories As this book demonstrates wearing a deerstalker does not make you a mastermind more likely it marks you as a crackpot Fascinating and highly readable How Sherlock Pulled the Trick returns the iconic Holmes to his mystical origins [Sherlock Holmes Handbook](#) Christopher Redmond,2009-09-28 Here in one convenient volume is everything needed for the enjoyment of Holmes canon

[Holmes and the Ripper](#) Lucyna Krawczyk-Żywko,2024-03-22 In versus narratives Sherlock Holmes is fighting or otherwise engaging Jack the Ripper These texts pit the archetypal detective against the archetypal serial killer using established formulas as well as new narrative and generic features a combination that results in their mass appeal among authors and audiences alike The list of primary sources includes 120 titles novels short stories plays fanfiction Grand Game studies movies TV shows video and board games which are treated as a dialogic network of transfictional and transmedial texts This study unpacks the versus corpus in its media dispersal by analysing Sherlock Holmes and Jack the Ripper as serial figures and culture texts emphasising the increasing palimpsestousness of the former and the multidirectional polymorphousness of the latter and tracing the overlapping Doylean culture text It also addresses the way character constellations are represented negotiated and fed back into the versus network contextualising them within the coalescence of fact and fiction Gothic and crime fiction frames cultural memory neo Victorianism and biofiction **The Adventures of Sherlock Holmes and the Glamorous Ghost - Book 3** Harry DeMaio,2023-05-09 Mr Sherlock Holmes I am or was Lady Juliet Armstrong Baroness Crestwell Having been murdered I am deceased and require your assistance Thus began the

James Bond and scores of forgettable detectives moulder in forgettable detective stories while durable dated Holmes whose career is now a century old and he himself better than a century and a quarter according to his supporters is as crisply readable and as much read as ever If this is not literature it is certainly durable craftsmanship such that while Conan Doyle's other works fade into that greyness explored only by the occasional match striking literature student new editions of Sherlock Holmes and Holmeses who never knew Conan Doyle roll steadily from the presses Such durability demands explanation
