**Seventy Years: Civil War and Beyond** Chetlain, General Augustus Gus Chetlain lived a remarkably active life full of honors

diplomatic posts abroad meetings with generals presidents and royalty and political life Yet when he penned this autobiography he signed it with the title that meant the most to him general in the Union army of the American Civil War Chetlain was the first man in Illinois to volunteer and rose to become a Major General He was also ordered by Ulysses S Grant to take charge of training newly freed African Americans as soldiers I believe the colored man will make a good soldier He has been accustomed all his life to lean on the white man and if a good officer is placed over him he will learn readily and make an efficient soldier U S Grant When told in one city that they did not want his colored troops marching through the city Chetlain told them I answered that these were United States troops who had a right to pass through their city He met Lincoln before he became president He knew Ulysses S Grant as a clerk in the Grant store in Galena as commander of all Union forces in the war and as president of the United States Chetlain wrote in November 1864 reports showed that there were 179 000 colored soldiers fit for duty and adding the disabled and absent on furlough the total would have been about 200 000 a large army of itself numbering nearly one sixth of the entire Union army The colored soldiers as the representatives of over 4 000 000 slaves who served in the Union army during the war deserve great credit for what they did to save the Union Every memoir of the American Civil War provides us with another view of the catastrophe that changed the country forever For the first time this long out of print volume is available as an affordable well formatted book for e readers tablets and smartphones
