Seventyfive Years Of Scouting:

Seventy-Five Years of 'Being Prepared' Andrew Luczko, 2013-07-07 Walesby Forest is situated just north of Nottingham Encompassing 250 acres of woodlands the site sits on the ancient edge of the historic Sherwood Forest with a river and a cave said to be the hiding place of Robin Hood Feeling a strong sense of moral duty to capture some of Walesby Forest s history Andrew Luczko was keen to mark this historic landmark with something that would benefit the site both now and for future generations He wrote Seventy Five Years of Being Prepared A History of Walesby Forest Nottinghamshire 1938 2013 in an effort to record key events decisions changes and personalities that have moulded this beautiful unspoiled piece of North Nottinghamshire over the last 75 years Luczko was captivated by Walesby Forest at the age of 10 when he visited the site for the first time and he hopes that this book will go on to inspire many others who encounter the fantastic setting with its forest meandering river and stunning lake His book highlights the many challenges the area has faced over the years including financial difficulties WWII bombs fires flooding closure due to the national Foot Mouth epidemic and a Right to Roam challenge Probaby the greatest surprise is an unexpected link to a potential source of Shakespeare s work in the form of Sir Francis Bacon The book is also an opportunity to share what has been achieved under the 75 year ownership of the forest by the City of Nottingham Scouts It has been no easy task and continues to create problems and challenges that you might expect from a 250 acre facility with a wide choice of accommodation buildings and activities Seventy Five Years of Being Prepared adopts a chronological order and gives an insight into the issues that have been faced since the site was sold as part of the sell off by the Rufford Abbey Estate in 1938 It comes right up to date with the current projects of 2013 and hopes for the future It makes a great read for any former visitor of the site those interested in Robin Hood and local history and any skeptics of the origination of Shakespeare s works

Modern Manhood and the Boy Scouts of America Benjamin René Jordan,2016-03-07 In this illuminating look at gender and Scouting in the United States Benjamin Ren Jordan examines how in its founding and early rise the Boy Scouts of America BSA integrated traditional Victorian manhood with modern corporate industrial values and skills While showing how the BSA Americanized the original British Scouting program Jordan finds that the organization s community based activities signaled a shift in men s social norms away from rugged agricultural individualism or martial primitivism and toward productive employment in offices and factories stressing scientific cooperation and a pragmatic approach to the responsibilities of citizenship By examining the BSA s national reach and influence Jordan demonstrates surprising ethnic diversity and religious inclusiveness in the organization s founding decades For example Scouting officials preferred urban Catholic and Jewish working class immigrants and modernizable African Americans and Native Americans over rural whites and other traditional farmers who were seen as too backward to lead an increasingly urban industrial society In looking at the revered organization s past Jordan finds that Scouting helped to broaden mainstream American manhood by modernizing traditional Victorian values to better suit a changing nation
