Sex and Anarchy Anne Coombs,1996 **Making Trouble** Lynne Segal,2017-06-06 What happens when angry young rebels become wary older women ageing in a leaner meaner time a time which exalts only the new in a ruling orthodoxy daily disparaging all it portrays as the old Delving into her own life and those of others who left their mark on it Lynne Segal tracks through time to consider her generation of female dreamers what formed them how they left their mark on the world where they are now in times when pessimism seems never far from what remains of public life Searching for answers she studies her family history sexual awakening ethnic belonging as well as the peculiarities of the time and place that shaped her own political journeys with all their urgency significance pleasures and absurdities **Fringe to Famous** Tony Moore,Mark Gibson,Chris McAuliffe,Maura Edmond,2024-01-25 Fringe to Famous examines exchange between small scenes of cultural production and mainstream institutions and markets Drawing on Australian examples in music streetwear comedy screen and digital games it argues that there has been much greater crossover between the two than is generally recognized The book resists a tendency to represent fringe and mainstream as abstract opposites bringing a focus instead to concrete historical formations It offers an alternative both to romantic celebrations of a pure fringe discredited now by half a century of critical responses to the counterculture and to an increasingly hardened anti romantic reaction Drawing on extensive original interviews Fringe to Famous offers an overview of transformations in Australian culture since the 1980s concluding with suggestions for cultural policy after the creative industries It proposes an idea of generative hybridity between fringe and mainstream that allows us to imagine new possibilities for arts and culture in the 2020s and beyond **Our Familiars** Anne Coombs,2024-07-30 A beautiful meditation on the awe inspiring responsibility we hold with other living creatures from their containment and loss of freedom to our intense and mysteriously mutual love How do animals guard serve and care for us And how and why do we love them so much Anne Coombs spent her entire life working to understand the profound answers that come from these two deceptively simple questions Before her death in late 2021 she researched the topic extensively and reflected deeply on her own experiences with animals both domestic and in the paddocks The animals in her life were privy to her deepest and darkest emotions her despair her tears and her love In Our Familiars Anne calls for all animal caregivers to use our great creative imaginations to see animals as conducting lives as meaningful as our own intersecting in our intimate spaces She has left us with a beautiful meditation on the awe inspiring responsibility we take on with other living creatures from their containment and loss of freedom to our intense and mysteriously mutual love Opening with the story of Anne s childhood familiar Elsie the goat this tender book takes us on an expansive journey that is part personal memoir part insightful research and part noble call to action With her last book Anne leaves us an invaluable gift With wit humour and insight she implores us to feel wonder as we watch how our animal companions live **Glass Houses** Anne Coombs,2023-04-03 Raymond causes a stir in country town Glaston when he buys Glastonbridge a house of vast neo

Gothic fantasy abandoned for decades It s an ambitious project and all previous renovators have come to grief Out of the
woodwork come real estate agents a jealous sister the heritage council prospective tourism operators and journalists
proffering opinions and making his life a misery As the restoration goes on Raymond becomes increasingly isolated unable to
trust anyone alienating his friends and giving courage to his enemies He believes that unseen forces are trying to remove him
from his grand project At turns pitied admired humoured and loved Raymond undoubtedly has the knowledge vision and
fortune to make Glastonbridge thrive again but will he be able to see it through Glass Houses is a gentle satire with a rapier
edge perfectly capturing the socially mobile mid nineties milieu of city folk with country houses The final novel from
acclaimed author and activist Anne Coombs is about finding your place of refuge and reaching for what you want

scholar rock stars groupie bohemian lover of cats and gardening and a feminist who spurned and then yearned for motherhood An icon of women s liberation yet fiercely competitive and scathing of other women a swashbuckling adventuress yet often vulnerable and surprisingly passive in her dealings with men an inveterate self dramatist yet incorrigibly honest Greer has always lived by extremes and the risks she took have allowed shoals of moderate feminists to swim in her wake Many followers have been rebuffed by her reckless inconsistency a quality she shares with Byron her first literary love stemming from a rare determination to be true to the moment This biography puts into context the unhappy childhood the convent schooling and promiscuous but rigorous university years that shaped Greer s powerful personality and restless intelligence Child of the beat generation leader and victim of the 60s sexual revolution she continues to assail our complacency

From Superwomen to Domestic Goddesses Natasha Campo,2009 This book examines the rise and fall of feminism in the public imagination in the last twenty years and explains why feminism failed me has become the catch cry of a generation Today many women turn their back on feminism because they feel betrayed by the promises of feminism Yet during the 1980s the popular ideal of the Superwoman offered a source of empowerment and pride for women and equality with men even having it all seemed possible Through a close reading of popular culture sources this book shows how women s engagement with feminism has shifted over time and considers its future as a social movement

The Liberal Mind in a Conservative Party Geoffrey Robinson, 2025-06-17

Robinson analyses the peculiarly Australian intellectual tradition of liberal conservatism within the mainstream centre right Liberal Party of Australia. Conservative intellectuals in Australia have forged a pragmatic sceptical and utilitarian liberal conservatism focused on the tasks of government. It remains distant both from the romantic and organicist ideas of the populist right and the simplicities of libertarianism. Focusing on key figures within this tradition, Robinson tracks the progress of Australian liberal conservatism over the years through its origins in the work of David Hume to the thoughts of Peter Coleman, David Kemp and Andrew Norton, before moving forward to George Brandis and Gregory Melleuish. The Liberal Party of Australia has appealed successfully to the conservative sentiments of voters in a liberal society. The Liberal Mind in a Conservative Party tells the story of seven intellectuals who helped make this possible. Peter Coleman drew on John Anderson, Georges Sorel and Michael Oakeshott to champion neoconservatism. He argues that this potent political ideology has shaped a distinct political identity which rejects conservative traditionalism and libertarian economics while defending a pragmatic approach to capitalism. A fascinating read for students and scholars of Australian politics, this book will also be of great value to readers with an interest in international centre right politics.
