Sex and Germs Cindy Patton,1985 *Sex and Germs* by Cindy Patton looks beyond the one dimensional often homophobic analyses that are legion in the popular media and attempts to understand AIDS biologically psychologically and socially

Sex and Germs Cindy Patton,1988-06-01 **Year Book** Carnegie Institution of Washington,1918 List of the names of persons engaged in the various activities v 10 p 243 257 The Psychology of Sex (Vol. 1-6) Havelock Ellis,2020-12-17 This edition contains three studies which seem to me to be necessary prolegomena to that analysis of the sexual instinct which must form the chief part of an investigation into the psychology of sex The first sketches the main outlines of a complex emotional state which is of fundamental importance in sexual psychology the second by bringing together evidence from widely different regions suggests a tentative explanation of facts that are still imperfectly known the third attempts to show that even in fields where we assume our knowledge to be adequate a broader view of the phenomena teaches us to suspend judgment and to adopt a more cautious attitude So far as they go these studies are complete in themselves their special use as an introduction to a more comprehensive analysis of sexual phenomena is that they bring before us under varying aspects a characteristic which though often ignored is of the first importance in obtaining a clear understanding of the facts the tendency of the sexual impulse to appear in a spontaneous and to some extent periodic manner affecting women differently from men This is a tendency which later I hope to make still more apparent for it has practical and social as well as psychological implications Here and more especially in the study of those spontaneous solitary manifestations which I call auto erotic I have attempted to clear the ground and to indicate the main lines along which the progress of our knowledge in these fields may best be attained **Sex Searchlights and Sane Sex Ethics** Lee Alexander Stone,1922 **Studies in the Psychology of Sex** Havelock Ellis,1897 **Psychology of Sex** Havelock Ellis,1901 **Sex searchlights and sane sex ethics** ,1922 *Studies in the Psychology of Sex* Havelock Ellis,2001-10 Under Erotic Symbolism I include practically all the aberrations of the sexual instinct although some of these have seemed of sufficient importance for separate discussion in previous volumes It is highly probable that many readers will consider that the name scarcely suffices to cover manifestations so numerous and so varied The term sexual equivalents will seem preferable to some The Mechanism of Detumescence brings us at last to the final climax for which the earlier and more prolonged stage of tumescence which has occupied us so often in these Studies is the elaborate preliminary The art of love a clever woman novelist has written is the art of preparation That preparation is on the physiological side the production of tumescence and all courtship is concerned in building up tumescence But the final conjugation of two individuals in an explosion of detumescence thus slowly brought about though it is largely an involuntary act is still not without its psychological implications and consequences In the Psychic State of Pregnancy we at last touch the point at which the whole complex process of sex reaches its goal A woman with a child in her womb is the everlasting miracle which all the romance of love all the cunning devices of tumescence and

detumescence have been invented to make manifest Sex and Sex Worship Otto Augustus Wall,1922 *Studies in the Psychology of Sex: Sexual inversion.* [2d ed Havelock Ellis,1902 Studies in the psychology of sex. v.2, 1902 Havelock Ellis,1906 **Studies in the Psychology of Sex (Vol. 1-6)** Havelock Ellis,2020-07-14 This edition contains three studies which seem to me to be necessary prolegomena to that analysis of the sexual instinct which must form the chief part of an investigation into the psychology of sex The first sketches the main outlines of a complex emotional state which is of fundamental importance in sexual psychology the second by bringing together evidence from widely different regions suggests a tentative explanation of facts that are still imperfectly known the third attempts to show that even in fields where we assume our knowledge to be adequate a broader view of the phenomena teaches us to suspend judgment and to adopt a more cautious attitude So far as they go these studies are complete in themselves their special use as an introduction to a more comprehensive analysis of sexual phenomena is that they bring before us under varying aspects a characteristic which though often ignored is of the first importance in obtaining a clear understanding of the facts the tendency of the sexual impulse to appear in a spontaneous and to some extent periodic manner affecting women differently from men This is a tendency which later I hope to make still more apparent for it has practical and social as well as psychological implications Here and more especially in the study of those spontaneous solitary manifestations which I call auto erotic I have attempted to clear the ground and to indicate the main lines along which the progress of our knowledge in these fields may best be attained _x000D_ _x000D_ _x000D_ Studies in the Psychology of Sex: Sexual inversion Havelock Ellis,1915 Sexual Inversion Havelock Ellis,John Addington Symonds,1897 **Modernist Sexualities** Hugh Stevens,Caroline Howlett,2000 Leading critics from Britain Canada and the US examine modernism s imaginative rethinkings of sex gender and sexuality Original essays show how modernism intersects with the suffragette movement technological change and its effects on women and labor the growth of pseudo scientific writings and the burgeoning lesbian and gay movement They show how modernism upsets the fixities of gender and sexuality through its fascination with ambiguities marginality and the crossing of borders Sex reformers and sex changers unsexed storytellers typewriters femme and butch experimenters suffragettes in wide brimmed hats musical and dramatic pageants adolescent delinquents sunbathers and dancing indigenes all play a role in the heterodox and varied modernism revealed in these essays **Journal of the National Institute of Social Sciences** National Institute of Social Sciences (U.S.),1915 List of members in v 2 4 6 7 9 **Experiment Station Record** U.S. Office of Experiment Stations,United States.
