Hudson,1904 *The Masculine Cross and Ancient Sex Worship* Sha Rocco,2020-09-28 FAR back in the twilight of the pictured history of the past the cross is found on the borders of the river Nile A horizontal piece of wood fastened to an upright beam indicated the height of the water in flood This formed a cross the Nileometer If the stream failed to rise a certain height in its proper season no crops and no bread was the result From famine on the one hand to plenty on the other the cross came to be worshiped as a symbol of life and regeneration or feared as an image of decay and death This is one so called origin of the Cross The cross was a symbol of life and regeneration in India long before this usage on the Nile and for another reason The most learned antiquarians agree in holding it unquestionable that Egypt was colonized from India and crosses migrated with the inhabitants Proofs in adequate confirmation of this point are found says the learned Dr G L Ditson in waifs brought to light in ancient lore Waif originally signified goods a thief when pursued threw away to avoid detection Many of the facts to be brought forth in our inquiry were doubtless intentionally scattered and put out of sight to prevent apprehension of the proper subject to which they belong **Sex Worship and Symbolism** Sanger Brown,1922 *Sex Worship* Clifford Howard,2019-06-25 No subject is of greater importance and significance in the history of the human race than that of sex worship the adoration of the generative organs and their functions as symbols of the procreative powers of nature It was the universal primitive religion of the world and has left its indelible impress upon our ideas our language and our institutions It constitutes the basis of all religious systems and the origin of our most sacred symbols and many of our most familiar customs in a word it is the foundation of religious thought and conduct **Sex Worship** Clifford Howard,1917 Sex in a Broken World Paul David Tripp,2018-01-16 We live in a deeply broken world but there is hope Sexuality is a fundamental part of what it means to be human part of God s beautiful design when he created all things And yet sex in our world today looks nothing like the way that God intended it to be Sexual brokenness surrounds us and in one way or another affects us all

This sexual brokenness reveals our deep need for redemption something quick fixes mere behavior modification or a set of rules can't provide Honest and direct yet kind and caring this book points us to the only place we can find help for sexual brokenness the transforming grace of Jesus Christ Only this grace offers hope for a life of freedom purity and joy as God intended

A. Wall,2015-06-25 Excerpt from Sex and Sex Worship

Phallic Worship A Scientific Treatise on Sex Its Nature and Function and Its Influence on Art Science Architecture and Religion with Special Reference to Sex Worship and Symbolism When Psychopathia Sexualis by Krafft Ebing and similar works by Moll Lombroso etc appeared in print I at the request of some of my professional friends prepared a series of lectures for them showing that sexual perversions described in these works as insanities were in reality deliberate vices the results of vicious teachings which had come to us by transmission and teachings from the Greek and Roman schools in which slaves were trained in libidinous arts to make them more valuable to luxury loving purchasers their masters and mistresses But of this matter little or none is used in this book which does not pretend to treat of that phase of sexual life and sexual practices Recently I was asked to write my studies on sex for publication in order that the work might not be lost As the views on these subjects have materially changed among the learned among the public since the time when the collection of this information was first begun I consented and this book is the result The facts gathered about phallic religion led me to doubt whether this was ever a religion from all other religions apart it appeared to me to be merely a phase in the evolution of all religions Nor was it a real worship of the generative organs but rather a use of representations of the phallus and yoni as symbols for certain religious ideas which were embodied in nature worship Mankind when it gave expression to its first dawns of religious thoughts wove a fabric of myths and theories about religion the warp of which ran through from earliest historical times to our own days as threads of the warp of philosophies and theories about sex male female love passion lust desire procreation offspring etc while the succeeding ages and civilizations wove into this warp the woof of the individual religions the myths and fables of gods and goddesses so that the whole fabric of beliefs though at first coarse and poor became more refined as mankind itself advanced by a process of revelation which consisted in a gradual unfolding of truths in the consciousness and consciences of innumerable thinkers until our present religions were produced and which process of revelation is still going on and will continue until all that is fantastic irrational unbelievable is eradicated from our faiths About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
