Americans remain deeply ambivalent about teenage sexuality Many presume that such uneasiness is rooted in religion But how exactly does religion contribute to the formation of teenagers' sexual values and actions What difference if any does religion make in adolescents' sexual attitudes and behaviors Are abstinence pledges effective What does it mean to be emotionally ready for sex Who expresses regrets about their sexual activity and why Tackling these and other questions *Forbidden Fruit* tells the definitive story of the sexual values and practices of American teenagers paying particular attention to how participating in organized religion shapes sexual decision making Merging analyses of three national surveys with stories drawn from interviews with over 250 teenagers across America Mark Regnerus reviews how young people learn and what they know about sex from their parents schools peers and other sources He examines what experiences teens profess to have had and how they make sense of these experiences in light of their own identities as religious moral and responsible persons Religion can and does matter Regnerus finds but religious claims are often swamped by other compelling sexual scripts Particularly interesting is the emergence of what Regnerus calls a new middle class sexual morality which has little to do with a desire for virginity but nevertheless shuns intercourse in order to avoid risks associated with pregnancy and STDs And strikingly evangelical teens aren't less sexually active than their non evangelical counterparts they just tend to feel guiltier about it In fact Regnerus finds that few religious teens have internalized or are even able to articulate the sexual

ethic taught by their denominations The only and largely ineffective sexual message most religious teens are getting is Don't do it until you're married Ultimately Regnerus concludes religion may influence adolescent sexual behavior but it rarely motivates sexual decision making **Ending Violence in Teen Dating Relationships** Al Miles, The remedy we need to protect teens from physical sexual and emotional abuse lies within this book information Al Miles a nationally recognized expert in the field of domestic and teen relationship violence awareness teaches parents educators and pastors about the abuse tactics being used against their teens Miles helps readers understand how offenders use popular culture and Christian traditions to excuse and justify their violence And most important he offers parents and pastors key strategies to build bridges with the teens in their lives and protect them in order to end violence in teen dating relationships BOOK JACKET

*Why True Love Waits* Josh McDowell, 2002 How can parents youth workers and teachers help teens resist the

immense pressure to be sexually active before marriage Josh McDowell's classic *Why Wait* has been updated and revised in this new reference work to prepare adults with answers and a solution to kids' struggles to remain sexually pure in today's culture *Why True Love Waits* equips readers with emotional, relational, physical, and spiritual reasons to share with young people to help them resist sexual pressure *Non-Toxic Masculinity* Zachary Wagner, 2023-04-04 Boys will be boys and purity culture sell the same excuses with a different spin Can we break the toxic cycle and recover a healthy identity for men Confronting harmful teaching from the American church that has distorted desire, sex relationships, and responsibility Zachary Wagner offers a renewed vision for Christian male sexuality Summary of Nancy Pearcey's *Love Thy Body* Everest Media, 2022-09-21T00:00:00Z Please note This is a companion version, not the original book Sample Book Insights 1 The body-person dichotomy is best understood through an example If a baby is human life from conception but not a person until some later time, then those are two different things The former has no value and the latter has value only if we choose to value it 2 The assumption behind abortion is personhood theory, which states that the human body has no value until the pre-born child becomes conscious 3 The two-story dualism of Christianity is that there are two kinds of substances in reality: body and soul The body is a part of nature and people have thought about nature as God's handiwork for centuries 4 The search for the origin of life has been reframed as the search for the origin of biological information Information implies the existence of a mind, and scientists have found evidence for teleology not only in living things but also in the physical universe Redeemed Sexuality Tim Konzen, Dr. Jennifer Konzen, 2019-03-12 You are a sexual person Whether you are single or married, a teenager or an older single adult, God created you as a sexual person So how do we inhabit our sexuality in a way that brings honor to God And what exactly is sexuality Is it just sexual intercourse Or is it perhaps something much greater God created them male and female From the moment of our conception, we are born in this act of creation as a sexual being God's creation was the work of a master artist It is vital that we discover both the artwork and the artist God intended for sex to be a wonderful good When someone allows God to guide them in how they engage in sex, it can be However, sometimes sexuality has become a source of shame, guilt, pain, confusion, frustration, and sorrow Sexual challenges can come from the choices we make from the things that others do against us and from the ways in which Satan has inundated the world with a tsunami of destructive words and images about sex Those challenges can also come from the lack of being able to talk openly about sex Perhaps you want to lead a life of sexual purity but you are finding it hard to find solid biblical answers to some of the very real questions you have You may feel like you've tried to bring up these things with those involved in your life but that you often receive the same old trite and empty arguments about purity Just wait or Just repent or God has a plan Be patient So how do we reconcile God's intricate and amazing plan for sex with the devastation, destruction, and frustration that sex outside of His plan can cause How can we pursue purity and honor sexuality at the same time What exactly is God's plan for sexuality for those who are not married *Redeeming Sexuality* answers many of these and other questions that singles, teens, and parents

ask the authors in their conferences and sessions including What is God's plan for sex How should single working professionals college students teens and all other unmarried individuals understand their sexuality in light of God's plan What is allowed and how far is too far How can we have healthy intimate connections with others What is purity and how do we deal with temptation when it is so hard to escape How do we work through the damage and pain that is already done How can parents effectively communicate with their kids about sex This comprehensive guide strives to bring clarity and understanding to topics that many Christians have trouble discussing Journey with us as we discover a vibrant understanding of God's plan for redeemed sexuality
