Sex In The Future: The

Reproductive Revolution and How it Will Change Us Robin Baker, 2001-07-11 Provocative and often shocking Sex in the Future examines how advances in reproductive technology will change human behavior In vitro fertilization and surrogate motherhood could mean the end not only of infertility but also of the need for men and women to form relationships or for women to interrupt careers for pregnancy Sperm and egg storage mean people can literally shop for genes while cloning egg egg fertilization and other techniques will lead to fertility on demand in a Reproduction Restaurant What will all our choices be and how far down this road do we want to travel Same-sex Marriage Mathew D. Staver, 2004 Staver argues that the allowing of same sex marriages in San Francisco speaks to the homosexual agenda s cultural assault and the church s timidity in confronting it **Same-Sex Marriage and Children** Carlos A. Ball, 2016 Same Sex Marriage and Children is the first book to bring together historical social science and legal considerations to comprehensively respond to the objections to same sex marriage that are based on the need to promote so called responsible procreation and child welfare Carlos A Ball places the current marriage debates within a broader historical context by exploring how the procreative and child welfare claims used to try to deny same sex couples the opportunity to marry are similar to earlier arguments used to defend interracial marriage bans laws prohibiting disabled individuals from marrying and the differential treatment of children born out of wedlock Ball also draws a link between welfare reform and same sex marriage bans by explaining how conservative proponents have defended both based on the need for the government to promote responsible procreation among heterosexuals In addition Ball examines the social science studies relied on by opponents of same sex marriage and explains in a highly engaging and accessible way why they do not support the contention that biological status and parental gender matter when it comes to parenting He also explores the relevance of the social science studies on the children of lesbians and gay men to the question of whether same sex couples have a constitutional right to marry In doing so the book looks closely at the gay marriage cases that reached the Supreme Court and explains why the constitutionality of same sex marriage bans could not be defended on the basis that maintaining marriage as an exclusively heterosexual institution promoted the best interests of children Same Sex Marriage and Children will help lawyers law professors judges legislators social and political scientists historians and child welfare officials as well as general readers interested in matters related to marriage and families understand the empirical and legal issues behind the intersection of same sex marriage and children s welfare

The African-American Teenagers Guide to Personal Growth, Health, Safety, Sex, and Survival Debrah Harris-Johnson, 2001 A guide to understanding the world and how to live in it successfully discussing safety survival sex money time and responsibility Afro-Caribbean Dynamics of Sex and Relationships Kai A.D. Morgan Campbell, 2025-07-31 Afro Caribbean Dynamics of Sex and Relationships Reclaiming the Caribbean Sexual Narrative examines the complexities of sexuality and relationships in the Caribbean shaped by colonial legacies cultural norms and evolving gender roles Through seven original research studies it explores a wide range of topics related to sexuality and intimate relationships including

body image and sexual satisfaction sexual socialization and communication perceptions of unconventional relationships the psychological impact of adverse childhood experiences on intimate relationships family structure s influence on sexual identity sexual decision making among Caribbean youth and the intersections of mental health trauma and intimacy This book challenges Eurocentric narratives offering a culturally grounded framework for understanding Afro Caribbean sexuality Bridging psychology sociology and history it is essential reading for scholars researchers and academics in gender sexuality Caribbean studies and postcolonial mental health Same-Sex Marriage Donald Cantor,2006-04-28 A persuasive history and clearly argued case for same sex marriage **Sex, Preference, and Family** David M. Estlund,Martha C.

Nussbaum,1998-06-18 The public furor over issues of same sex marriages gay rights pornography and single parent families has erupted with a passion not seen since the 1960s This book gathers seventeen eminent philosophers and legal scholars who offer commentary on sexuality including sexual behavior sexual orientation and the role of pornography in shaping sexuality on the family including both same sex and single parent families and on the proper role of law in these areas The essayists are all fiercely independent thinkers and offer the reader a range of bold and thought provoking proposals Susan Moller Okin argues for instance that gender ought to be done away with that differences in biological sex ought to have no more social relevance than one s eye color or the length of one s toes and she urges that we look to same sex couples as a model for households and families in a gender free society And Cass Sunstein suggests that the Supreme Court case Loving vs Virginia which overthrew the ban on interracial marriages in Virginia might be a precedent for overturning laws that bar same sex marriage just as Loving overturned miscegenation laws because they were at the service of white supremacy Sunstein shows the laws against same sex marriages and homosexuality are at the service of male supremacy and might also be overturned Of vital importance to anyone interested in sexuality homosexuality gender feminism and the family Sex Preference and the Family both clarifies the current debate and points the way toward a less divisive future *New York Magazine* ,1986-05-19 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
