**Sex Witch** Sophie Saint Thomas, 2021-02-01 A shameless celebration of sexual freedom Sex Witch encourages us to cultivate the potent political powers we all possess within our hearts and minds and between our thighs Kristen J Soll e author of *Witch Hunt* Cat Call and *Witches Sluts* Feminists Sex Witch combines occult knowledge with tried and true relationship advice to provide spells for each stage of a relationship Self love seduction sex love protection revenge and healing are all covered The spells such as A Tarot Spread to Find Which Relationship Format Is Right for You No TERFS Allowed Embrace Gender Identity and Consecrate Sex Toys use occult knowledge and Saint Thomas's award winning relationship writing to manifest a spell book that does something genuinely magickal it works Sex Witch is real Love is not always fair Sometimes we get hurt or hurt others Using the magic inside you'll learn how to stay balanced during these ups and downs Break toxic cycles Use candle magic to summon the perfect partner Embrace and unleash your kinks Navigate relationships through rough patches Get over former lovers Practice self forgiveness and self kindness

**Sex, Death and Witchcraft** Douglas Ezzy, 2014-05-22 Faunalia is a controversial Pagan festival with a reputation for being wild and emotionally intense It lasts five days 80 people attend and the two main rituals run most of the night In the tantalisingly erotic Baphomet rite participants encounter a hermaphroditic deity enter a state of trance and dance naked around a bonfire In the Underworld rite participants role play their own death confronting grief and suffering These rituals are understood as shadow work a Jungian term that refers to practices that creatively engage repressed or hidden aspects of the self Sex Death and Witchcraft is a powerful application of relational theory to the study of religion and contemporary culture It analyses Faunalia's rituals in terms of recent innovations in the sociology of religion and religious studies that focus on relational etiquette lived religion embodiment and performance The sensuous and emotionally intense ritual performances at Faunalia transform both moral orientations and self understandings Participants develop an ethical practice that is individualistic but also relational and aesthetically mediated Extensive extracts from interviews describe the rituals in participants own words The book combines rich and evocative description of the rituals with careful analysis of the social processes that shape people's experiences at this controversial Pagan festival

**Sex Scene** Eric Schaefer, 2014-03-21 Sex Scene suggests that what we have come to understand as the sexual revolution of the late 1960s and early 1970s was actually a media revolution In lively essays the contributors examine a range of mass media film and television recorded sound and publishing that provide evidence of the circulation of sex in the public sphere from the mainstream to the fringe They discuss art films such as *I am Curious Yellow* mainstream movies including *Midnight Cowboy* sexploitation films such as *Mantis in Lace* the

emergence of erotic film festivals and of gay pornography the use of multimedia in sex education and the sexual innuendo of The Love Boat Scholars of cultural studies history and media studies the contributors bring shared concerns to their diverse topics They highlight the increasingly fluid divide between public and private the rise of consumer and therapeutic cultures and the relationship between identity politics and individual rights The provocative surveys and case studies in this nuanced cultural history reframe the sexual revolution as the mass sexualization of our mediated world Contributors Joseph Lam Duong Jeffrey Escoffier Kevin M Flanagan Elena Gorfinkel Raymond J Haberski Jr Joan Hawkins Kevin Heffernan Eithne Johnson Arthur Knight Elana Levine Christie Milliken Eric Schaefer Jeffrey Sconce Jacob Smith Leigh Ann Wheeler Linda Williams

**The Single Witch's Guide to Online Dating** Celia Roman, 2023-03-14 As a busy private investigator working odd hours I have little time for a social life My brother Nick aggravated me so much about it I finally joined an online dating site and put myself out there Lucky me one of the first decent guys I meet works as an arson investigator on the south side of the Greater Atlanta area Our first date goes swimmingly well until he gets called into work Someone had attempted to burn down a unit of townhouses under construction in his district and his expertise was desperately needed When we arrive on scene the situation goes from bad to worse Seth the alpha of my local werewolf pack owns the units and he suspects foul play of the supernatural variety The only problem Supernaturals play for keeps and this one holds a very personal grudge against yours truly

*Gender and Witchcraft* Brian P. Levack, 2013-08-06 Witchcraft and magical beliefs have captivated historians and artists for millennia and stimulated an extraordinary amount of research among scholars in a wide range of

disciplines This new collection from the editor of the highly acclaimed 1992 set *Articles on Witchcraft Magic and Demonology* extends the earlier volumes by bringing together the most important articles of the past twenty years and covering the profound changes in scholarly perspective over the past two decades Featuring thematically organized papers from a broad spectrum of publications the volumes in this set encompass the key issues and approaches to witchcraft research in fields such as gender studies anthropology sociology literature history psychology and law This new collection provides students and researchers with an invaluable resource comprising the most important and influential discussions on this topic A useful introductory essay written by the editor precedes each volume

Sex and Sexuality in Europe, 1100-1750 Andrew

Mansfield, 2023-10-02 Transcending the traditional categories of medieval and early modern to analyse pan European attitudes and behaviours *Sex and Sexuality in Europe 1100 1750* provides students with a grounding in the history of sexuality by supplying both a detailed analysis of the existing historiographical debates but also analysis of the primary sources such as autobiographies and contemporary literature Offering an accessible overview that places sex and sexuality within the historical context of the time period it creates a deeper understanding of connections and differences across Europe An interdisciplinary work it draws on cultural social religious philosophical literary economic and scientific ideas while incorporating theory from within the field to broaden perspective of the history of sexuality Challenging the separation of the medieval and early modern periods this volume highlights a great deal of continuity between 1100 and 1750 across Europe with change occurring more notably towards the eighteenth century Key interventions on the role of the passions the imagination the two worlds motif and subordination are made across the work Moreover it questions the belief that the Middle Ages was one of sexual repression and highlights a second world in which sex was a natural even celebrated part of life and engages with the belief that the eighteenth century saw a sexual revolution This book is essential reading for students scholars and the general public interested in the history of sexuality

**The European Witch-Hunt** Julian

Goodare, 2016-05-12 The *European Witch Hunt* seeks to explain why thousands of people mostly lower class women were deliberately tortured and killed in the name of religion and morality during three centuries of intermittent witch hunting throughout Europe and North America Combining perspectives from history sociology psychology and other disciplines this book provides a comprehensive account of witch hunting in early modern Europe Julian Goodare sets out an original interpretation of witch hunting as an episode of ideologically driven persecution by the godly state in the era of the Reformation and Counter Reformation Full weight is also given to the context of village social relationships and there is a detailed analysis of gender issues Witch hunting was a legal operation and the courts rationale for interrogation under torture is explained Panicking local elites rather than central governments were at the forefront of witch hunting Further chapters explore folk beliefs about legendary witches and intellectuals beliefs about a secret conspiracy of witches in league with the Devil Witch hunting eventually declined when the ideological pressure to combat the Devil's allies slackened A final

chapter sets witch hunting in the context of other episodes of modern persecution This book is the ideal resource for students exploring the history of witch hunting Its level of detail and use of social theory also make it important for scholars and researchers

**Woodcutters and Witchcraft** Mark W. Risjord, 2000-03-09 Well written and richly illustrated with vivid examples from Wittgenstein's woodcutters to witchcraft in Mexico and elsewhere this book argues that the underlying methodological principle governing interpretive change is explanatory coherence

Religion & Sex Chapman Cohen, 1919

*The Salem Witch Trials* K. David Goss, 2007-12-30 Part of the enduring fascination of the Salem witch trials is the fact that to date no one theory has been able to fully explain the events that ravaged Salem in 1692 Countless causes from ergot infected rye to actual demonic possession have been offered to explain why the accusations and erratic behavior of seven village girls left hundreds accused over 20 dead and the townspeople of eastern Massachusetts shaken Through a multitude of resources this authoritative reference guide explores the Salem Witchcraft episode including the religious and political climate in Puritan New England and accessibly summarizes the major interpretations of and reactions to the events from the seventeenth century until the present day Biographical sketches of each person central to the events including afflicted girls victims ministers and magistrates add a human element and primary document excerpts including petitions letters and revealing testimony give a firsthand glimpse of the proceedings in the players own words A chronology of events a glossary of terms an annotated bibliography and over 25 photos make this a

must have resource for students of American history criminal justice gender issues and culture A must have for any student of American history this resource gives a unique glimpse into the 17th century politics religious culture and gender issues that created the Salem witchcraft episode and gives context to an impact that still resonates today in everything from modern political life to popular culture

**Witchcraft in Tudor and Stuart England** Alan MacFarlane,2002-09-10 This is a classic regional and comparative study of early modern witchcraft The history of witchcraft continues to attract attention with its emotive and contentious debates The methodology and conclusions of this book have impacted not only on witchcraft studies but the entire approach to social and cultural history with its quantitative and anthropological approach The book provides an important case study on Essex as well as drawing comparisons with other regions of early modern England The second edition of this classic work adds a new historiographical introduction placing the book in context today

*Witchcraze* Anne L. Barstow,1995-06-24 In the sixteenth century a rise in sexual violence in European society was exacerbated by pressure from church and state to change basic sexual customs As the centuries since have shown escalating levels both of violence general and sexual and of state control the witchcraze can be considered a portent even a model of some aspects of what modern Europe would be like Over three centuries approximately one hundred thousand persons most of whom were women were put to death under the guise of witch hunts particularly in Reformation Europe The shocking annihilation of women from all walks of life is explored in this brilliant authoritative feminist history Anne Llwellyn Barstow Barstow exposes an unrecognized holocaust the ethnic cleansing of independent women in Reformation Europe and examines the residual attitudes that continue to influence our culture Barstow argues that it is only with eyes sensitive to gender issues that we can discern what really happened in the persecution and murder of these women Her sweeping chronicle examines the scapegoating of women from the ills of society investigates how their subjugation to sexual violence and death sent a message of control to all women and compares this persecution of women with the enslavement and slaughter of African slaves and Native Americans Ultimately Barstow traces the current backlash against women to its gynophobic torture filled origins In the process she leaves an indelible mark on our growing understanding of the legacy of violence against women

around the world      **The Sex Thieves** Julien Bonhomme, 2016-11-15 While working in Africa anthropologist Julien Bonhomme encountered an astonishing phenomenon people being accused of stealing or shrinking the genitals of strangers on the simple occasion of a handshake on the street As he soon discovered these accusations can have dramatic outcomes the sex thieves are often targeted by large crowds and publicly lynched Moreover such rumors are an extremely widespread practice having affected almost half of the African continent since the 1970s In this book Bonhomme examines the story of the penis snatcher asking larger questions about how to account for such a phenomenon unique in its spatial and temporal scale without falling prey to the cliché of Africa as an exotic other Bonhomme argues that the public belief in sex thieves cannot be considered a superstition or form of mass hysteria Rather he brings to light multiple factors that explain the rumor's success and shows how the cultural dynamic can operate on a vast scale Analyzing the rumor on both transnational and local levels he demonstrates how it arises from the ambiguities and dangers of anonymity and thus that it reveals an occult flipside to everyday social interaction Altogether this book provides both richly ethnographic and theoretical understandings of urban sociality and the dynamics of human communication in contemporary Africa and beyond      Night Magic Jennifer Lyon, 2011-03-22 She's a siren he can't resist Phoenix Torq is the devilishly handsome bad boy of the Wing Slayer Hunters Tormented by a mysterious singing in his head he tracks the compelling voice and discovers his soul mirror witch and his ultimate salvation Awesome except that she's already engaged to a demon Yet Ailish's fierce independence and genuine heart draw him into wicked fight that could cost him his life and soul He's a dangerous temptation Ailish Donovan is a blind witch who was tricked into a handfast with a demon She absolutely refuses to serve a vile demon or surrender control of her powerful magic to him Ailish has two weeks to break the evil bond or she'll die When Phoenix explodes into her life he lights up her dark world with steamy sensuality and steals her heart She's desperate to become a witch worthy of the man she loves but how does she escape the demon's hold on her Are they destined for tragedy With sure death speeding toward his beautiful and strong Ailish Phoenix goes to hell and back seeking the magic to free her But the answer he sought is one he doesn't want One of them must die      Her Hidden Children Chas Clifton, 2006 A history of Wicca and Neopaganism in the United States focusing on the post WW II period      Languages of Witchcraft Stuart Clark, 2017-07-19 Different conceptions of the world and of reality have made witchcraft possible in some societies and impossible in others How did the people of early modern Europe experience it and what was its place in their culture The new essays in this collection illustrate the latest trends in witchcraft research and in cultural history in general After three decades in which the social analysis of witchcraft accusations has dominated the subject they turn instead to its significance and meaning as a cultural phenomenon to the languages of witchcraft rather than its causes As a result witchcraft seems less startling than it once was yet more revealing of the world in which it occurred
