Sex Begins in the Kitchen Kevin Leman,1983-10 *Sex Begins in the Kitchen* Joe Hill,2017-11-04 The pain of a failed marriage and a family torn apart is cruel and lingering Men are not spared this agony when a marriage ends Viewing images posted on social media of family events while sitting alone on the outside looking in is a torture not fitting for most people While at the same time we men sometimes just let things happen like watching a sinking ship go down instead of repairing the breaches causing it to sink It s difficult to find books that talk directly to men about the ways women respond in relationships and how we can more effectively and proactively become engaged in the process of keeping our marriage new and fresh Men simply don t know everything about loving a woman and sometimes we need a little help The fact is there are easy and applicable methods in being the husband your wife desires It really isn t rocket science but it does take effort and repetition There is no reason that a five or ten year marriage needs to be comfortable and predictable if exciting and spontaneous is preferred This book will teach you things like continual dating better communication skills how intimacy is a mindset and not an event and how to become more deliberate and fulfilling lovers for your wives There are things you just don t learn in church or from your parents and brides don t come with How To manuals Hopefully this book will fill in many gaps of left out information so that a man can be a participant if not the leader in creating and maintaining a romance that movie directors would be envious of **Your Daughters Shall Prophecy** Todd Korpi,2023-03-29 In Your Daughters Shall Prophecy Todd Korpi charts the course for what it means to come alongside female pastors and leaders in order to move beyond being a passive supporter to being a passionate advocate for Christian women Drawing from theology leadership studies practical experience and the testimonies of women in ministry Korpi addresses some of the most pressing issues in egalitarian churches and organizations today He answers pressing issues such as Whether men really are the spiritual head of the home How our best intentions to help can actually harm women in ministry How Christians need a better script for lust power and sexuality **Is There Really Sex After Kids?** Jill Savage,2003 With Leader s Guide and Personal Reflections A practical guide to help women rise above frustrations and disappointments to restore intimacy pleasure spontaneity and passion in marriage What s happened to our sex life now that we have kids Many moms may not ask this question aloud but Jill Savage knows from years of leading Hearts at Home conferences that no workshop subject will more quickly fill a room Having children in the home alters the sexual dynamic between husband and wife Going from making meatloaf to making love from practical mommy to passionate lover all in one crowded evening has its own set of unique challenges Is There
