Lloyd, 1975 Monograph of articles on sex discrimination and employment patterns of the woman worker in the USA covers female labour market participation occupational segregation economic aspects of housework unpaid work and child care the economic implications of women's rights etc References and statistical tables Sex Segregation in the Workplace National Research Council, Commission on Behavioral and Social Sciences and Education, Committee on Women's Employment and Related Social Issues, 1984-01-01 How pervasive is sex segregation in the workplace Does the concentration of women into a few professions reflect their personal preferences the tastes of employers or sex role socialization Will greater enforcement of federal antidiscrimination laws reduce segregation What are the prospects for the decade ahead These are among the important policy and research questions raised in this comprehensive volume of interest to policymakers researchers personnel directors union leaders anyone concerned about the economic parity of women *A Handbook for Workshops on Sex Equality in Education* Mary Ellen Verheyden-Hilliard, 1976 Mill's Progressive Principles David O. Brink, 2013-04-18 In Mill's Progressive Principles David Brink provides a systematic reconstruction and assessment of John Stuart Mill's contributions to the utilitarian and liberal traditions examining his first principles and their application to issues of representative democracy and sexual equality Brink defends novel interpretations of key elements in Mill's moral and political philosophy including his concepts of motivation happiness duty proof harm and the harm principle freedom of expression anti paternalism representative democracy and weighted voting and sexual equality However the most distinctive aspect of this account of Mill's commitments is the case it makes for a perfectionist reading of his conception of happiness and the significance this has for other aspects of his moral and political philosophy On this perfectionist conception the chief ingredients of happiness involve the exercise of a person's capacities for practical deliberation and decision that mark us as progressive beings Once this perfectionist theme is made explicit it can be shown to be central to Mill's views about utilitarianism liberalism rights democratic government and sexual equality Equal Employment Opportunity and Affirmative Action Floyd D. Weatherspoon, 2018-11-21 First published in 1985 In this remarkable book the author has compiled a large collection of resource material that will be of benefit to the student as well as the practitioner of equal employment and affirmative action EEO AA This book includes a broad scope of information on EEO AA from its infancy and progresses through its rapidly changing and developing stages Indeed this book will be an invaluable asset in easily acquiring and supplementing one's basic knowledge as well as providing a general overview of the subject area **Colorado Revised Statutes, 1973** Colorado, 1974 The Foundations of Equal Employment Opportunity, 1972 *Sex, Discrimination, and Violence* Stephen Kershnar, 2009-09-08 Sex Discrimination and Violence is about how the systematic application of some basic principles of applied ethics yields some surprising and very unpopular results In particular Stephen Kershnar investigates three areas sex discrimination and violence In his discussion of

sex he concludes that adult child sex is not always wrong and that it is not clear that watching rape pornography is bad for the viewer When discussing discrimination Kershner argues for the following startling conclusions persons of different races on average differ in their value professional schools may and probably should discriminate against women and equal opportunity is not worth pursuing In his discussion of violence he contends that in some cases governments are morally permitted to use torture in order to interrogate suspected terrorists and may assassinate foreign leaders These controversial conclusions will no doubt spur animated and thoughtful discussion amongst readers Comparable Worth: June 6-7, 1984, 1984 *Capital and Knowledge* Wei-Bin Zhang, 2012-12-06 This book constructs an economic theory which may be studied like the I Ching it contains multiple patterns within a grand whole it consists of multiple parts and each part represents itself as a consistent unity The book is the key part of my economic theory with endogenous population capital knowledge preferences sexual division of labor and consumption institutions economic structures and exchange values over time and space Zhang I 996a It has taken me a long laborious process to systematize the ideas represented in this book formulating the grand vision in Schumpeter's sense searching for or creating many ideas of which only a few have survived and now completing this book to make a tell I remember Schumpeter's attitude new ideas unless carefully elaborated painstakingly defended and pushed simply will not tell Schumpeter 1934 Keynes observation the difficulty lies not in the new ideas but in escaping from the old ones which ramify into every corner of our minds Keynes 1936 as well as Confucius recognition of the importance of timing If my principles are to advance it is so ordered If they are to fall to the ground it is so ordered Confucius 1992 Acknowledgements I completed this book at the Swedish Institute for Futures Studies I am grateful to the pleasant and effective environment produced by the staff of the Institute I acknowledge my deep appreciation to Professor Ake E Andersson my supervisor of Ph D

Equality on Trial Katherine Turk, 2016-04-29 In 1964 as part of its landmark Civil Rights Act Congress outlawed workplace discrimination on the basis of such personal attributes as sex race and religion This provision known as Title VII laid a new legal foundation for women's rights at work Though President Kennedy and other lawmakers expressed high hopes for Title VII early attempts to enforce it were inconsistent In the absence of a consensus definition of sex equality in the law or society Title VII's practical meaning was far from certain The first history to foreground Title VII's sex provision *Equality on Trial* examines how the law's initial promise inspired a generation of Americans to dispatch expansive notions of sex equality Imagining new solidarities and building a broad class politics these workers and activists engaged Title VII to generate a pivotal battle over the terms of democracy and the role of the state in all labor relationships But the law's ambiguity also allowed for narrow conceptions of sex equality to take hold Conservatives found ways to bend Title VII's possible meanings to their benefit discovering that a narrow definition of sex equality allowed businesses to comply with the law without transforming basic workplace structures or ceding power to workers These contests to fix the meaning of sex equality ultimately laid the legal and cultural foundation for the neoliberal work regimes
