The Anarchists' Guide to the Bay Area Buckner Thompson, 2022-12-03 Susie Os and the independent publishing house AL Press are proud to present their first book in a series on Direct Democracy Political Activism and Personal Freedom The neo conservative gun toting minority has high jacked the Republican Party the United States Supreme Court as well as the language and terminology of freedom but AL Press is here to help YOU fight back While violent white supremacists and hard core evangelicals with the assistance of talking heads and masters of propaganda like Donald Trump and Tucker Carlson have subverted the very basic principles of the United States to strip average hard working Americans of their fundamental rights the silent majority of freedom loving and proud Americans can no longer stay SILENT But how do you protest inside a

increasingly oppressive militaristic and violent society How do you stay safe when your very life may be at the whim of a heavily armed racist police officer recruited into a position of authority by his white supremacist overlords and protected from prosecution by an ever more corrupt judicial system RESIST It is the only ethical and moral option and this is the book the government doesn't want you to have AL Press Independent Publishing at its best Susie Os and Bonny Freedom are the editors of the first in a series of books on political activism and personal freedom This book along with several others at AL Press follow a long tradition of promoting literary freedom as protected by the United States constitution However due to recent challenges and post 9 11 censorship the authors and AL Publishing are currently writing under pseudonyms for their own protection Teenage Dreams Charlie Jeffries,2022-06-17 Teenage girls and the new right Women and children Sexual speech and sexual harm Explicit content cultures of girlhood The third wave and the third way Medicine education and sexualization Epilogue girlhood sexualities in the contemporary culture wars **Indie Porn** Zahra Stardust,2024-09-27 In Indie Porn Zahra Stardust examines the motivations and interventions of independent porn producers as they navigate criminal laws risk averse platforms discriminatory algorithms and rampant piracy Herself a porn performer and participant Stardust takes readers behind the scenes offering intimate insights into this sociopolitical movement She finds politicians who watch porn in parliament protesters leading face sitting demonstrations sex workers making COVID safe pornography and artists reverse engineering porn detection software Against the backdrop of a global gig economy Stardust documents the promises of indie porn to democratize content revolutionize production and redistribute wealth while outlining the fantasies of regulators whose illusions of what porn is and does foreclose possibilities for transformation Inevitably as these paradigms collide porn producers engage in creative tactics to hustle for survival and visibility from ethical certification to law reform sometimes reproducing hierarchies of stigma themselves By highlighting how porn stigma is bound up with intersecting oppressions Stardust identifies these junctions as coalitional opportunities for changing social relationships to sex work and capitalism *Read This When Things Fall Apart* Kelly Hayes,2025-11-04 From the co author of *Let This Radicalize You* a collection of letters to inspire activists to continue the fight Organizers are well seasoned in defeat We study movement histories strategize collectively and gather strength in direct action knowing that liberation does not arrive overnight but that the fight is worth it But what happens when political and personal crises overlap and the despair becomes overwhelming Where do we turn when the process of organizing no longer feels like a site of refuge but isolating or even tragic *Read This When Things Fall Apart* is a collection of letters written to organizers in crisis who are struggling with the conflicts heartbreaks and catastrophes that activists so often experience From grief to exhaustion fractured relationships state violence and interpersonal violence the struggle for justice can be tumultuous Each letter invites the reader to the writer's particular world in abortion defense organizing within prison walls recuperating from state repression after the 2020 uprisings or as a new parent struggling to find their way in movement spaces and offers an authentic account of moving

through difficult times Personal reflective and hopeful Read This When Things Fall Apart is a new type of book for radicals that harnesses the writers individual moments of despair into living breathing wisdom capable of chipping away at the supposed inevitability of fascist life Restorative like a letter from a trusted friend and invigorating like a story from a mentor the book is an indispensable companion for all of us navigating the challenging times ahead **Sex Media** Feona

Attwood,2017-12-08 Media are central to our experiences and understandings of sex whether in the form of familiar mainstream genres pornographies and other sex genres or the new zones interactions and technosexualities made possible by the internet and mobile devices In this engaging new book Feona Attwood argues that to understand the significance of sex media we need to examine them in terms of their distinctive characteristics relationships to art and culture and changing place in society Observing the role that media play in relation to sex gender and sexuality this book considers the regulation of sex and sexual representation issues around the sexualization of culture and demonstrates how a critical focus on sex media can inform debates on sex education and sexual health as well as illuminate the relation of sex to labour leisure intimacy and bodies Sex Media is an essential resource for students and scholars of media culture gender and sexuality

Making Stuff and Doing Things Kyle Bravo,2017-01-13 When you re young broke and in search of a life of adventure Making Stuff and Doing Things is the most useful book on the planet It s been called more important than the Bible It s an indispensable handbook full of basic life skills for the young punk or activist or for anyone who s trying to get by get stuff done and live life to the fullest without a lot of money The book started as a series of zines with dozens of contributors setting down the most important skills they knew in concise often hand written pages If you want to do it yourself or do it together this book has it all from making your own tooth paste to making your own art and media feeding clothing cleaning and entertaining yourself surviving on little living on less and staying healthy on all your life s adventures You ll never be bored again **Everyday Pornography** Karen Boyle,2010-09-13 Public and academic debate about porn culture is proliferating Ironically what is often lost in these debates is a sense of what is specific about pornography By focusing on pornography s

mainstream contemporary commercial products for a heterosexual male audience Everyday Pornography offers the opportunity to reconsider what it is that makes pornography a specific form of industrial practice and genre of representation Everyday Pornography presents original work from scholars from a range of academic disciplines Media Studies Law Sociology Psychology Women s Studies Political Science introducing new methodologies and approaches whilst reflecting on the ongoing value of older approaches Among the topics explored are the porn industry s marketing practices spam emails reviews and online organisation commercial sex in Second Life the pornographic narratives of phone sex and amateur videos the content of best selling porn videos how the male consumer is addressed by pornography represented within the mainstream understood by academics and contained by legislation This collection places a particular emphasis on anti pornography feminism a movement which has been experiencing a revival since the mid 2000s Drawing on the experiences

of activists alongside academics Everyday Pornography offers an opportunity to explore the intellectual and political challenges of anti pornography feminism and consider its relevance for contemporary academic debate **Fat Sex: New Directions in Theory and Activism** Helen Hester, Caroline Walters, 2016-03-09 While fat sexual bodies are highly visible as vehicles for stigma there has been a lack of scholarly research addressing this facet of contemporary body politics Fat Sex New Directions in Theory and Activism seeks to rectify this bringing debates about fat sex into the academic arena and providing a much needed critical space for voices from across the spectrum of theory and activism It examines the intersection of fat sex and sexuality within a contemporary cultural landscape that is openly hostile towards fat people and their perceived social and aesthetic transgressions Acknowledging and engaging with some of the innovative work being done by artists activists and academics around the issue of fat sex this collection both challenges preconceptions regarding fatness and sexuality but also critiques and debates various aspects of the fat activist approach It draws on a wide range of disciplinary perspectives bringing together work from the UK US Europe and Australia to offer a wide ranging examination of the issues of size sex and sexuality A cutting edge exploration not only of fat sex but of identity politics neoliberalism and contemporary body activism in general Fat Sex New Directions in Theory and Activism will be of interest to scholars of sociology cultural studies geography porn studies and literary studies working on questions of gender sexuality and the body

The Philosophy of Pornography Lindsay Coleman, Jacob M. Held, 2014-09-08 For many individuals pornography is a troubling and problematic issue Regardless of how the public views this topic one thing is clear Pornography is as prevalent and accessible as smartphones and laptop computers Indeed beyond traditional hardcore material a pornographic sensibility permeates many aspects of culture from tween and young teen fashions to television and commercially successful films In fact pornography is so widespread that more often than not it is taken as a given in our modern social space However the

thought of engaging in intellectual discussions about the topic strikes many particularly scholars as beneath them And yet something this impactful this definitive of modern culture needs to be laid open to scrutiny In *The Philosophy of Pornography Contemporary Perspectives* Lindsay Coleman and Jacob M Held offer a collection of essays covering a wide range of viewpoints from issues of free speech and porn's role in discrimination to the impact of porn on sexuality These essays investigate the philosophical implications of pornography as a part of how we now seek to conceive and express our sexuality in contemporary life Contributors to this volume discuss pornography as a component of gender and sexual socialization ecological understandings of sexually explicit media subordination sexualization and speech feminism and pornography pornography's depiction of love and friendship black women and pornography playfulness and creativity in porn Because its subject matter sex gender interpersonal relationships and even love is reflective of who we are and what kind of society we want to create pornography demands serious treatment So whether one chooses to accept pornography as a fact of modern culture or not this collection of timely essays represents a variety of voices in the ongoing debate As such *The Philosophy of Pornography* will be of interest to not only those who are engaged in porn studies but also to an audience educated in and conversant with recent trends in philosophy

Free and Natural Sarah Schrank,2019-07-12 From Naked Juice to nude yoga contemporary society is steeped in language that draws a connection from nudity to nature wellness and liberation This branding promotes a free and natural lifestyle to mostly white and middle class Americans intent on protecting their own bodies and those of society at large from overwork environmental toxins illness conformity to body standards and the hyper sexualization of the consumer economy How did the naked body come to be associated with naturalness and how has this notion influenced American culture Free and Natural explores the cultural history of nudity and its impact on ideas about the body and the environment from the early twentieth century to the present Sarah Schrank traces the history of nudity especially public nudity across the unusual eras and locations where it thrived including the California desert Depression era collectives and 1950s suburban nudist communities as well as the more predictable beaches and resorts She also highlights the many tensions it produced For example the blurry line between wholesome nudity and sexuality became impossible to sustain when confronted by the cultural challenges of the sexual revolution Many longtime free and natural lifestyle enthusiasts fatigued by decades of legal battles retreated to private homes and resorts while the politics of gay rights sexual liberation environmentalism and racial equality of the 1970s inspired a new generation of radical advocates of public nudity By the dawn of the twenty first century Schrank demonstrates a free and natural lifestyle that started with antimaterialist back to the land rural retreats had evolved into a billion dollar wellness marketplace where Naked sells endless products promising natural health sexual fulfilment organic food and hip authenticity Free and Natural provides an in depth account of how our bodies have become tethered so closely to modern ideas about nature and identity and yet have been consistently subjected to the excesses of capitalism
