Sex and Other Sacred Games Kim Chernin, Renate Stendhal, 1990 A novelistic treatment of the relationship between the two authors

Sex and the Goddess Karin E Weiss Ph.D., PhD, 2019-11-25 It has been over twenty years since the full manuscript of my book was edited for publication in 1998 I had begun writing it in the previous decade the 1980 s a period of flourishing women s liberation movements against the patriarchal status quo Books about women s sexuality and spirituality were flooding the bookstores and many writers were producing profound studies of the untold heroism of women throughout history I was a pioneer in the burgeoning field of Sex therapy and education at the University of Minnesota Medical School s Program in Human Sexuality In addition I conducted women s self enrichment groups and workshops in my private practice Woman s Discovery Institute where I also gave professional Astrology readings and classes This rich mix of psychology philosophy spirituality and a knowledge of the cyclic patterns of life shown by astrology created within me an avid interest in researching women s unsung heroism throughout history It brewed in me a heady fascination to stitch it all together in a circle montage that connects all women and all aspects of our multi layered lives I based my theory on the lunar cycle which is eternally linked to women s menstrual emotional and psychic cycles With a friend I created a series of workshops for women to celebrate their many faceted selves and gain confidence to pursue their goals Yet for various reasons my book manuscript remained in my own bookshelf never getting published Until now the times again call for women to claim their autonomy and gain equality in an overly male dominated and viciously callous world I am blessed to find in Xlibris a publisher ready to take on the project with me I am thrilled to finally see my Life s Masterwork in print You will find many divergent ideas in these two volumes No single woman encompasses all that are described but as you read and recognize these characters in yourselves and your friends I hope it will help you gain a full appreciation of your own awesome erotic spirit and sacred sexual powers
