Negro-Caucasian Mixing in  
All Ages and All Lands

VOLUME I  
The Old World

J. A. ROGERS

# Sex And Race Volume 1

**Francis A ..... Walker**

## **Sex And Race Volume 1:**

**Sex and Race, Volume 1** J. A. Rogers, 2014-09-15 In the Sex and Race series first published in the 1940s historian Joel Augustus Rogers questioned the concept of race the origins of racial differentiation and the root of the color problem Rogers surmised that a large percentage of ethnic differences are the result of sociological factors and in these volumes he gathered what he called the bran of history the uncollected unexamined history of black people in the hope that these neglected parts of history would become part of the mainstream body of Western history Drawing on a vast amount of research Rogers was attempting to point out the absurdity of racial divisions Indeed his belief in one race humanity precluded the idea of several different ethnic races The series marshals the data he had collected as evidence to prove his underlying humanistic thesis that people were one large family without racial boundaries Self trained and self published Rogers and his work were immensely popular and influential during his day even cited by Malcolm X The books are presented here in their original editions

**Sex and Race, Volume 3** J. A. Rogers, 2014-09-15 In the Sex and Race series first published in the 1940s historian Joel Augustus Rogers questioned the concept of race the origins of racial differentiation and the root of the color problem Rogers surmised that a large percentage of ethnic differences are the result of sociological factors and in these volumes he gathered what he called the bran of history the uncollected unexamined history of black people in the hope that these neglected parts of history would become part of the mainstream body of Western history Drawing on a vast amount of research Rogers was attempting to point out the absurdity of racial divisions Indeed his belief in one race humanity precluded the idea of several different ethnic races The series marshals the data he had collected as evidence to prove his underlying humanistic thesis that people were one large family without racial boundaries Self trained and self published Rogers and his work were immensely popular and influential during his day even cited by Malcolm X The books are presented here in their original editions

Middle-Aged Sex Goddess Volume 1: Fragile Flower Elizabeth J. Winters Waite,2019-05-29 In her memoir series *Diary of a Middle Age Sex Goddess* Elizabeth J Winters Waite explores the complexities of life for a single mother in her sexual prime Bridging the gap between *Sex and the City* and *The Golden Girls* her stories detail raising three boys running a successful all female accounting firm and pursuing passions that grow her soul all while trying to get laid or trying not to get laid whichever the case may be while on the never ending quest for true love In *Fragile Flower* the first volume in the series Waite s youngest son turns ten and for his birthday asks for a stepfather Being a dutiful mother Waite enrolls in three different dating sites and goes on fifty three first dates all in one year But jumping back into the dating game after so many years isn t easy What are The Rules for being forty something and back on the scene How does a middle age sex goddess protect her heart her hearth and her family of three young sons while looking for love Is it still considered kissing frogs when she can find something to like about everyone she goes out with Ninth Census-volumes Francis A ..... Walker,1872

*Nature Knows No Color-Line* J. A. Rogers,2012-01-01 The classic refutation of scientific racism from the renowned African American journalist and author of *Africa s Gift to America* In *Nature Knows No Color Line* originally published in 1952 historian Joel Augustus Rogers examines the origins of racial hierarchy and the color problem Rogers was a humanist who believed that there were no scientifically evident racial divisions all humans belong to one race He believed that color prejudice generally evolved from issues of domination and power between two physiologically different groups According to Rogers color prejudice was then used a rationale for domination subjugation and warfare Societies developed myths and prejudices in order to pursue their own interests at the expense of other groups This book argues that many instances of the contributions of black people had been left out of the history books and gives many examples Most contemporary college students have never heard of J A Rogers nor are they aware of his long journalistic career and pioneering archival research Rogers committed his life to fighting against racism and he had a major influence on black print culture through his attempts to improve race relations in the United States and challenge white supremacist tracts aimed at disparaging the history and contributions of people of African descent to world civilizations Thabiti Asukile *Black International Journalism Archival Research and Black Print Culture* *The Journal of African American History* Vital Statistics of the United States ,1989
