How the West Was Lost Patrick Michael Murphy,2005-05-18 His premise is that civilizations have life spans and the Western civilization that produced America and Europe has been replaced in our lifetime and before our very eyes To people whose minds were made by the West the civilization we now find ourselves in often feels wrong evil even but we also find ourselves feeling oddly affectionate toward this strange new world And the more time that passes the more normal the New Civ gets to feel We sometimes have to pinch ourselves to remember that society once had roots in a universe that knew something of moral absolutes where the horrible behaviors we now read about in every morning newspaper were so rare that one such event in a year would have felt like the world is just about to end But these things are what passes for normalcy today We are still able to be reminded of what we know in our bones although it gets harder all the time something has gone terribly wrong That s what this book is about

Posing Sex Alan Singer,2018-04-19 Posing Sex Toward a Perceptual Ethics for Literary and Visual Art views the long and provocative tradition of representing the sexual act in Western art as an occasion for challenging assumptions about personhood It is uncontroversial that what Singer dubs the sex image the artist s posing of human figures in the act of coitus is an enduring compositional armature for artists from antiquity to the present Singer however makes the quite controversial claim that this aesthetic practice in literature and painting especially serves as a powerful m tier for exploring how the mind is continuous with the sensuously lively body rather than its rationalistic antagonist Singer draws upon a rich philosophical tradition from the Greek Stoics Descartes Spinoza and Hegel to contemporary theorists of perception and aesthetic agency to show how the stakes of aesthetic experience epitomized in the sex image are essentially ethical Referencing a broad range of image based artworks literary painterly and cinematic Singer illustrates the proposition that posing sex broadens the scope of our knowledge about how feeling reciprocates with reason giving
