Sex And The Adolescent:

Media, Sex, and the Adolescent Bradley S. Greenberg, Jane Delano Brown, Nancy Buerkel-Rothfuss, 1993 **Sex in the Adolescent Years** Isadore Rubin, Lester Allen Kirkendall, 1968 Sexual Teens, Sexual Media Jane D. Brown, Jeanne R. Steele, Kim Walsh-Childers, 2001-11-01 This collection explores the sexual content of U S mass media and its influence in the lives of adolescents Contributors address the topic of sexuality broadly including evidence not only about physical sex acts but also about the role the media play in the development of gender roles standards of beauty courtship and relationship norms Chapters included here present new perspectives on what teens are paying attention to in the media and offer insight into how teens are understanding and applying what the media present about sex and sexuality Employing various methodological approaches the studies also represent a diversity of adolescent audiences and deal with a wide variety of media content ranging from teens favorite TV programs to magazines movies music and teen girls Web pages Taken as a whole this volume highlights the significant roles the media play in adolescents sexual lives Sexual Teens Sexual Media contributes important evidence to the ongoing debate over media effects making it essential reading for scholars and students in media studies as well as social and developmental psychology Adolescent Sexuality Thomas P. Gullotta, Gerald R. Adams, Raymond Montemayor, 1993 Unplanned pregnancies and sexually transmitted diseases are on the increase among young people This volume explores social and behavioural implications of adolescent sexuality and suggests ways in which to encourage sexual responsibility With contributions from psychologists sociologists and family care experts the volume examines such topics as gender sexual behaviour adolescent parenting homosexuality and bisexuality *Sex in the Adolescent Years* Isadore Rubin, Lester Allen Kirkendall, 1969 *Teaching Sex* Jeffrey P. Moran, 2002-10-15 Sex education since its advent at the dawn of the twentieth century has provoked the hopes and fears of generations of parents educators politicians and reformers On its success or failure seems to hinge the moral fate of the nation and its future citizens But whether we argue over condom distribution to teenagers or the use of an anti abortion curriculum in high schools we rarely question the basic premise that adolescents need to be educated about sex How did we come to expect the public schools to manage our children s sexuality More important what is it about the adolescent that arouses so much anxiety among adults Teaching Sex travels back over the past century to trace the emergence of the sexual adolescent and the evolution of the schools efforts to teach sex to this captive pupil Jeffrey Moran takes us on a fascinating ride through America s sexual mores from a time when young men were warned about the crippling effects of masturbation to the belief that schools could and should train adolescents in proper courtship and parenting techniques to the reemergence of sexual abstinence brought by the AIDS crisis We see how the political and moral anxieties of each era found their way into sex education curricula reflecting the priorities of the elders more than the concerns of the young Moran illuminates the aspirations and limits of sex education and the ability of public authority to shape private behavior More than a critique of public health policy Teaching

Sex is a broad cultural inquiry into America's understanding of adolescence sexual morality and social reform **Romance and Sex in Adolescence and Emerging Adulthood** Ann C. Crouter, Alan Booth, 2014-04-04 Examines the nature and origin of adolescents contemporary patterns of sexual and romantic relationships spanning such diverse topics as the evolutionary roots of these behaviors This book is useful for academicians and upper level undergraduate and graduate students in the fields of human development and family studies and psychology *Sex and the Adolescent* Mary Jan Losoncy, Lawrence J. Losoncy, 1971-01-01 Introduces the physical and emotional aspects of sex with an emphasis on Christian ethics

Long-range Effects of Child and Adolescent Sexual Experiences Allie C. Kilpatrick, 2014-06-03 Making a unique contribution of placing the current sexual exploitation of children and adolescents firmly in its historical context this book looks at the family's and society's roles in child and adolescent sex abuse Unlike most previous studies this study allows a range of responses from negative to positive and avoids the methodological problems inherent in many other studies Most studies combine the age groups of children and adolescents whereas this study separates these different age groups and compares the nature and outcome of sexual experiences of children with those of adolescents Utilizing sophisticated analytical measures the author's findings repudiate many commonly held assumptions and serve to calm current hysteria regarding sexual abuse of minors Written to disseminate findings that could be helpful in realistically confronting the phenomenon of human sexuality the results presented in this book dispel many current myths about early sexuality including ethnic differences The author wanted to separate scientific inquiry from the perpetration of pervading mores or social norms and identify the real menaces to healthy adult functioning **Sexuality in Adolescence** Susan Moore, Doreen Rosenthal, 1993 Susan Moore and Doreen Rosenthal review current work on adolescent sexual development including data from their own studies on sexual risk taking and the social contexts in which young people form their sexual beliefs

Sexuality in Adolescence and Emerging Adulthood Raymond Montemayor, 2018-10-23 Written in an engaging question and answer format this accessible text synthesizes contemporary empirical research to provide a panoramic view of adolescent sexual development and behavior The book examines sexuality as part of normative growth and development in addition to addressing traditional problem areas such as sexual risk taking Candid personal stories bring the theory and research to life Topics include the precursors of adolescent sexuality in childhood biological aspects of adolescent sexuality including puberty and the adolescent brain the influences of parents peers and the media and gender and racial ethnic differences in attitudes and behavior Coverage also encompasses romantic relationships the experiences of sexual and gender minority youth sexually transmitted infections contraception pregnancy and teen parenthood cross cultural and international research and approaches to sex education Pedagogical Features Headings written as questions throughout the chapters for example How common is hooking up and Is coming out to parents always a good thing In Their Own Words boxes with firsthand accounts from adolescents and young adults Focus on Research sidebars that discuss research methods
