Buildings will change the way we look at the buildings around us *Sex and the Goddess* Karin E Weiss Ph.D.,2019-11-20 It has been over twenty years since the full manuscript of my book was edited for publication in 1998 I had begun writing it in the previous decade the 1980 s a period of flourishing women s liberation movements against the patriarchal status quo Books about women s sexuality and spirituality were flooding the bookstores and many writers were producing profound studies of the untold heroism of women throughout history I was a pioneer in the burgeoning field of Sex therapy and education at the University of Minnesota Medical School s Program in Human Sexuality In addition I conducted women s self enrichment groups and workshops in my private practice Woman s Discovery Institute where I also gave professional Astrology readings and classes This rich mix of psychology philosophy spirituality and a knowledge of the cyclic patterns of life shown by astrology created within me an avid interest in researching women s unsung heroism throughout history It brewed in me a heady fascination to stitch it all together in a circle montage that connects all women and all aspects of our multi layered lives I based my theory on the lunar cycle which is eternally linked to women s menstrual emotional and psychic cycles With a friend I created a series of workshops for women to celebrate their many faceted selves and gain confidence to pursue their goals Yet for various reasons my book manuscript remained in my own bookshelf never getting published Until now the times again call for women to claim their autonomy and gain equality in an overly male dominated and viciously callous world I am blessed to find in Xlibris a publisher ready to take on the project with me I am thrilled to finally see my Life s Masterwork in print You will find many divergent ideas in these two volumes No single woman encompasses all that are described but as you read and recognize these characters in yourselves and your friends I hope it will help you gain a full appreciation of your own awesome erotic spirit and sacred sexual powers *Revelation of Sex Mysteries* Roderick Thurber,2008-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work [Sex Worship and Symbolism](#) Sanger Brown,1922 **Cross Dressing, Sex, and Gender** Vern L. Sex Difference in Christian Theology Megan K. DeFranza, 2015-05-16 How different are men and women When does it matter to us or to God Are male and female the only two options In *Sex Difference in Christian Theology* Megan DeFranza explores such questions in light of the Bible theology and science Many Christians entrenched in culture wars over sexual ethics are either ignorant of the existence of intersex persons or avoid the inherent challenge they bring to the assumption that everybody is born after the pattern of either Adam or Eve DeFranza argues from a conservative theological standpoint that all people are made in the image of God male female and intersex and that we must listen to and learn from the voices of the intersexed among us

Hygeia, 1927 *Virgins, Harlots and Sex* David Chesney, 2011-02-14 AN Earthy Look At Christianity Many biblical terms have a consistent symbolic significance from Genesis to Revelation eg nudity light and darkness virgins harlots Nudity occurs in three of the most significant events in the whole Bible and in every case it is best understood symbolically This book demonstrates that symbolism is so powerful it can for example change the status of Isaiah s virgin birth prophecy from an absurdity to an astonishing fulfilment of prophecy Harlots described in the book as God s warning lights also figure very prominently in the biblical coverage of both Jews and Christians Another key theme is to show that the raw seed concepts of the Hebrew Bible evolve so neatly into the Christian New Testament viewpoint over a 1000 years that readers may conclude uninspired biblical script writers could not have organized it Here are some quotes from the book that introduce intriguing and or provocative new trains of thought 1 If you think linking sex with religious experience is a bit rich then you need to do some more Bible study 2 Indulgence in adultery is the most obvious of the sins proscribed in the Ten Commandments that could trace directly to hormonal influences 3 Should we be joining Haters Anonymous Schadenfreude Anonymous or Egotists Anonymous in order to qualify for a better land and to actually enjoy it 4 Some of our excretory functions are less than ideal for a brand new earth the creator team could have done better by us if they wanted to 5 It is tacitly assumed God did not conduct experiments in His creation efforts No need to He knows the end from the beginning But Other challenging insights emerge in connection with Lot s use of his daughters as sex sops the possible symbolic significance of the Mosaic decree to cut off a lady s hand if she squeezed testicles the massaging of data in St Matthew s genealogies a religious uncertainty principle and the reason God doesn t do something to stop the
