Sex Gender Social Change In Britain

A. Harris,T. Jones

Sex Gender Social Change In Britain:

Sex, Gender and Social Change in Britain since 1880 Lesley A. Hall, 2017-09-16 Sexual attitudes and behaviour have changed radically in Britain between the Victorian era and the twenty first century However Lesley A Hall reveals how slow and halting the processes of change have been and how many continuities have persisted under a facade of modernity Thoroughly revised updated and expanded the second edition of this established text explores a wide range of relevant topics including marriage homosexuality commercial sex media representations censorship sexually transmitted diseases and sex education features an entirely new last chapter which brings the narrative right up to the present day provides fresh insights by bringing together further original research and recent scholarship in the area Lively and authoritative this is an essential volume for anyone studying the history of sexual culture in Britain during a period of rapid social change

Love and Romance in Britain, 1918 - 1970 A. Harris, T. Jones, 2014-11-11 The new histories of love and romance offered within this edited collection illustrate the many changes but also the surprising continuities in understandings of love romance affection intimacy and sex from the First World War until the beginning of the Women s Liberation movement

Sex, Sin and Suffering Roger Davidson, Lesley A. Hall, 2003-09-02 This volume brings together for the first time a series of studies on the social history of venereal disease in modern Europe and its former colonies It explores from a comparative perspective the responses of legal medical and political authorities to the Great Scourge In particular how such responses reflected and shaped social attitudes towards sexuality and social relationships of class gender generation and race

The Routledge History of Sex and the Body Sarah Toulalan, Kate Fisher, 2013-03-20 The Routledge History of Sex and the Body provides an overview of the main themes surrounding the history of sexuality from 1500 to the present day The history of sex and the body is an expanding field in which vibrant debate on for instance the history of homosexuality is developing This book examines the current scholarship and looks towards future directions across the field The volume is divided into fourteen thematic chapters which are split into two chronological sections 1500 1750 and 1750 to present day Focusing on the history of sexuality and the body in the West but also interactions with a broader globe these thematic chapters survey the major areas of debate and discussion Covering themes such as science identity the gaze courtship reproduction sexual violence and the importance of race the volume offers a comprehensive view of the history of sex and the body The book concludes with an afterword in which the reader is invited to consider some of the tensions problems and areas deserving further scrutiny Including contributors renowned in their field of expertise this ground breaking collection is essential reading for all those interested in the history of sexuality and the body

A Companion to Contemporary Britain 1939 - 2000 Paul Addison, Harriet Jones, 2008-04-15 A Companion to Contemporary Britain covers the key themes and debates of 20th century history from the outbreak of the Second World War to the end of the century Assesses the impact of the Second World War Looks at Britain s role in the wider world including the legacy of Empire Britain s special relationship with the United States

and integration with continental Europe Explores cultural issues such as class consciousness immigration and race relations changing gender roles and the impact of the mass media Covers domestic politics and the economy Introduces the varied perspectives dominating historical writing on this period Identifies the key issues which are likely to fuel future debate

Women, Gender and Religious Cultures in Britain, 1800-1940 Sue Morgan, Jacqueline de Vries, 2010-06-10 This volume is the first comprehensive overview of women gender and religious change in modern Britain spanning from the evangelical revival of the early 1800s to interwar debates over women's roles and ministry This collection of pieces by key scholars combines cross disciplinary insights from history gender studies theology literature religious studies sexuality and postcolonial studies The book takes a thematic approach providing students and scholars with a clear and comparative examination of ten significant areas of cultural activity that both shaped and were shaped by women's religious beliefs and practices family life literary and theological discourses philanthropic networks sisterhoods and deaconess institutions revivals and preaching ministry missionary organisations national and transnational political reform networks sexual ideas and practices feminist communities and alternative spiritual traditions Together the volume challenges widely held truisms about the increasingly private and domesticated nature of faith the feminisation of religion and the relationship between secularisation and modern life Including case studies further reading lists and a survey of the existing scholarship and with a British rather than Anglo centric approach this is an ideal book for anyone interested in women's religious experiences across the nineteenth and twentieth centuries

Sexual State Roger Davidson, 2012-04-12 This important book fills a gap in the study of modern Scottish and British Society providing as it does a vital perspective on Scotland's sexual history and its political and social context It is unique in exploring the period from 1950 to 1980 covering the immediate post war and Scotland's sexual coming of age It charts a steady political growth from a deeply moralistic policy framework towards a less judgmental global and scientific context Davidson and Davis lead us through the Scottish sexual landscape leading up to the global crisis of HIV AIDS analysing post war state policy towards issues such as abortion family planning homosexuality pornography prostitution sex education and sexual health Policy makers social historians teachers and students alike will find this an invaluable resource on the study of sexuality and policy making in modern society

Contraception and Modern Ireland Laura Kelly, 2023-02-23 Contraception was the subject of intense controversy in twentieth century Ireland Banned in 1935 and stigmatised by the Catholic Church it was the focus of some of the most polarised debates before and after its legalisation in 1979 This is the first comprehensive dedicated history of contraception in Ireland from the establishment of the Irish Free State in 1922 to the 1990s Drawing on the experiences of Irish citizens through a wide range of archival sources and oral history Laura Kelly provides insights into the lived experiences of those negotiating family planning alongside the memories of activists who campaigned for and against legalisation She highlights the influence of the Catholic Church's teachings and legal structures on Irish life showing how for many sex and contraception were obscured by shame

Yet in spite of these constraints many Irish women and men showed resistance in accessing contraceptive methods This title is also available as Open Access

Thicker Than Water Leonore Davidoff, 2012 A pioneering new study of nineteenth century kinship and family relations focusing on the British middle class and highlighting both the similarities and the differences in relations between brothers and sisters in the past and in the present

Women in Britain Janet H. Howarth, 2018-11-29 The millennium has sharpened perspectives on the history of women in twentieth century Britain Many features of the contemporary gender order date only from the last decades of the century the expectation of equal opportunities in education and the work place sexual autonomy for the individual and tolerance of a variety of family forms The years dominated by the two World Wars saw real advances towards equal citizenship and legal rights and a growing sense of the impact on women of modernity in its various forms including consumerism and the mass media But values inherited from the Victorians were still reflected in the class hierarchy the policing of sexuality and the male breadwinner family This anthology of original sources accompanied by a state of the art bibliography illustrates patterns of continuity and change in women s experience and their place in national life An introductory survey provides an accessible overview and analysis of controversial issues such as the relationship between first second and third wave feminism

Women's Legal Landmarks Erika Rackley, Rosemary Auchmuty, 2018-12-27 Women s Legal Landmarks commemorates the centenary of women s admission in 1919 to the legal profession in the UK and Ireland by identifying key legal landmarks in women s legal history Over 80 authors write about landmarks that represent a significant achievement or turning point in women s engagement with law and law reform The landmarks cover a wide range of topics including matrimonial property the right to vote prostitution surrogacy and assisted reproduction rape domestic violence FGM equal pay abortion image based sexual abuse and the ordination of women bishops as well as the life stories of women who were the first to undertake key legal roles and positions Together the landmarks offer a scholarly intervention in the recovery of women s lost history and in the development of methodology of feminist legal history as well as a demonstration of women s agency and activism in the achievement of law reform and justice

How the Clinic Made Gender Sandra Eder, 2022-06-07 An eye opening exploration of the medical origins of gender in modern US history Today a world without gender is hard to imagine Gender is at the center of contentious political and social debates shapes policy decisions and informs our everyday lives Its formulation however is lesser known Gender was first used in clinical practice This book tells the story of the invention of gender in American medicine detailing how it was shaped by mid twentieth century American notions of culture personality and social engineering Sandra Eder shows how the concept of gender transformed from a pragmatic tool in the sex assignment of children with intersex traits in the 1950s to an essential category in clinics for transgender individuals in the 1960s Following gender outside the clinic she reconstructs the variable ways feminists integrated gender into their theories and practices in the 1970s The process by which ideas about gender became medicalized enforced and popularized was messy and the route

by which gender came to be understood and applied through the treatment of patients with intersex traits was fraught and contested In historicizing the emergence of the sex gender binary Eder reveals the role of medical practice in developing a transformative idea and the interdependence between practice and wider social norms that inform the attitudes of physicians and researchers She shows that ideas like gender can take on a life of their own and may be used to question the normative perceptions they were based on Illuminating and deeply researched the book closes a notable gap in the history of gender and will inspire current debates on the relationship between social norms and medical practice

Shame and Modernity in Britain Anne-Marie Kilday, David S. Nash, 2017-02-20 This book argues that traditional images and practices associated with shame did not recede with the coming of modern Britain Following the authors acclaimed and successful nineteenth century book *Cultures of Shame* this new monograph moves forward to look at shame in the modern era As such it investigates how social and cultural expectations in both war and peace changing attitudes to sexual identities and sexual behaviour new innovations in media and changing representations of reputation all became sites for shame s reconstruction making it thoroughly modern and in tune with twentieth century Britain s expectations Using a suite of detailed micro histories the book examines a wide expanse of twentieth century sites of shame including conceptions of cowardice conscientious objection during the First World War fraud and clerical scandal in the interwar years the shame associated with both abortion and sexual behaviour redefined in different ways as deviant shoplifting in the 1980s and lastly how homosexuality shifted from Coming Out to embracing Pride finally rediscovering the positivity of shame with the birth of the Queer

Sex, Politics and Society, 2014-05-22 A pioneering study which has become an established classic in its field *Sex Politics and Society* provides a lucid and comprehensive analysis of the transformations of British sexual life from 1800 to the present These changes are firmly located in the wider context of social change from industrialization and the experience of Empire through the establishment of the welfare state to the rise of new social movements such as feminism and gay liberation and new forms of social conservatism Now fully revised and updated and with a new chapter bringing the story right up to date this new edition considers the transformation of the sexual world through globalization and the internet the changing impact of the AIDS pandemic over the last thirty years the influence of new currents in social and cultural theory on the study of sexuality the gradual depoliticization and mainstreaming of sexuality within historical study Combining rich empirical detail with innovative theoretical insights *Sex Politics and Society* remains at the cutting edge of the subject and this third edition will inspire and provoke a whole new generation of readers in history sociology social policy and the study of sexuality

Common Prostitutes and Ordinary Citizens J. Laite, 2011-12-02 Between 1885 and 1960 laws and policies designed to repress prostitution dramatically shaped London s commercial sex industry This book examines how laws translated into street level reality explores how women who sold sex experienced criminalization and charts the complex dimensions of the underground sexual economy in the modern metropolis

Gender and the Second World War Corinna

Peniston-Bird, Emma Vickers, 2017-09-16 Showing how gender history contributes to existing understandings of the Second World War this book offers detail and context on the national and transnational experiences of men and women during the war Following a general introduction the essays shed new light on the field and illustrate methods of working with a wide range of primary sources **Gender and Citizenship in Historical and Transnational Perspective** Anne Epstein, Rachel Fuchs, 2017-09-16 With gender as its central focus this book offers a transnational multi faceted understanding of citizenship as legislated imagined and exercised since the late eighteenth century Framed around three crosscutting themes agency space and borders leading scholars demonstrate what historians can bring to the study of citizenship and its evolving relationship with the theory and practice of democracy and how we can make the concept of citizenship operational for studying past societies and cultures The essays examine the past interactions of women and men with public authorities their participation in civic life within various kinds of polities and the meanings they attached to their actions In analyzing the way gender operated both to promote and to inhibit civic consciousness action and practice this book advances our knowledge about the history of citizenship and the evolution of the modern state Gender in Twentieth-Century Eastern Europe and the USSR Catherine Baker, 2016-09-29 A concise and accessible introduction to the gender histories of eastern Europe and the Soviet Union in the 20th century These essays juxtapose established topics in gender history such as motherhood masculinities work and activism with newer areas such as the history of imprisonment and the transnational history of sexuality By collecting these essays in a single volume Catherine Baker encourages historians to look at gender history across borders and time periods emphasising that evidence and debates from Eastern Europe can inform broader approaches to contemporary gender history **Sexual Revolutions** G. Hekma, A. Giami, 2014-05-13 Sexual Revolutions explores the sexual revolution of the late twentieth century in several European countries and the USA by engaging with themes from sexual freedom and abortion to pornography and sexual variation This work discusses the involvement of youth feminism left liberalism arts science and religion in the process of sexual change *The WRNS in Wartime* Hannah Roberts, 2017-11-24 The Women's Royal Naval Service WRNS was created in 1917 re formed in 1938 and maintained after 1945 This book determines for the first time the reasons for the expansion and contraction of the service and the impact key individuals had on it and in turn the influence it had on its members Hannah Roberts offers new insights into a previously little studied British military institution which celebrates its centenary in 2017 She shows how political and military decision making within the fluctuating national security situation coupled with a growing cultural acceptability of women taking on military roles allowed for the growth of the service in World War II into realms never expected of women Although it shared a similar pattern in its formation to the Auxiliary Territorial Service ATS and had a similar ethos to its Air Force counterpart the WAAF the WRNS took on a wider ranging role in the war in part due to the latitude afforded to the service because of its uniquely independent origins From 1941 onward the WRNS spread internationally and subverted the combat taboo by adopting semi

combatant roles Using twenty one new oral histories and a multitude of archived personal documents this book demonstrates the pivotal importance of the Women s Royal Naval Service in both the world wars

Sex Gender Social Change In Britain Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Sex Gender Social Change In Britain PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Sex Gender Social Change In Britain PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal

boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Sex Gender Social Change In Britain free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
