Sex In Longterm Relationships Men And Women Talk About Sex:

Sex in Long-Term Relationships Klay Lamprell, 1997 This work opens the door on the most intimate and least discussed dimension of relationships by asking one basic question what happens when the early barrage of lust subsides Love, Sex and Long-Term Relationships Sarah Hendrickx, 2008-02-15 For the first time people with AS discuss their desires needs and preferences in their own words AS attitudes to issues such as gender sexual identity and infidelity are included as well as positive advice for developing relationships and exploring options and choices for sexual pleasure *Human Sexuality* Ami Rokach, Karishma Patel, 2021-01-22 Human sexuality touches us all pun intended We all either enjoy it struggle with it or may have been victims of it Sexuality is not just about sex but about human sexual function the physiology of sex the hormones involved and how they affect us and the cultural norms related to it Sexual function and dysfunction are closely tied to one's self esteem self respect and to relationships with intimate partners Human Sexuality Function Dysfunction Paraphilias and Relationships explores the interplay of intimacy and sexuality how it can enhance relationships and how it can negatively affect them or be affected by them When individuals or partners encounter sexual problems or dysfunctions it can have a long lasting affect both biologically and psychologically Dr Rokach explores the causes and the reasons that these dysfunctions are maintained and successful treatment methods Chapters on sexual offenses and paraphilias and what treatment options are available to sexual offenders are also included This book is the first book to place sexuality where it belongs within the context of relationships demonstrating how sexuality relates to intimacy by both enhancing and negatively affecting it Explains psychological biological and sociological theories of sexuality Addresses sexual dysfunctions according to various models of sex therapy Discusses the biological developmental and sociological theories of sexual orientation Explores the specific hormones in male and female sexual behavior **Women in Relationships with Bisexual Men** Maria Pallotta-Chiarolli, 2016-03-08 Framed by a comprehensive review of international research literature and film this book is an intimate journey into the experiences and insights of 79 Australian women in relationships with bisexual men It takes us into the daily lives sexual intimacies and families of MOREs mixed orientation relationships that span the gamut from extremely oppressive experiences with bi misogynist men to extremely liberating with bi profeminist men Aged 19 to 65 the women are in monogamous open and polyamorous relationships with bisexual identifying and or bisexual behaving men The women themselves are bisexual lesbian heterosexual while others refuse to categorize their own sexualities The book addresses the discovery or disclosure of the man's bisexuality how the relationships work and where they flounder how the partners negotiate and establish new rules and boundaries to maintain their relationship and the impact of class rural urban setting ethnicity indigeneity race religion and education on these relationships But this book isn't only about MOREs The research revelations and reflections in this book tell us much about current and shifting global constructions and understandings of intimate relationships sexual desires and love and the socio cultural representations and labeling of genders and sexualities

What's Next in Love and Sex Elaine Hatfield, Richard L. Rapson, Jeanette Purvis, 2020-02-25 What's Next in Love and Sex is a comprehensive examination of contemporary academic findings relating to all matters of the mind body and heart. Inspired by questions asked by students the book covers cutting edge topics so new that they are rarely addressed in current sexuality texts providing insight into modern trends such as hookup culture virtual pornography robots apps and online dating as they evolve in this day and age. Written by one of the pioneers of love and sex research Elaine Hatfield along with historian Richard Rapson and social psychologist Jeannette Purvis this book uses contemporary scientific findings to provide an updated and relevant explanation for why we do the things we do when we're in love searching for love making love or trying to keep a faltering relationship together. Combining rigorous scholarship with an accessible and entertaining style no other book will give college students and academics alike such a developed understanding of contemporary love and sex.

An Introduction to Christian Ethics Roger H Crooks, 2015-10-02 This book is a college level introductory textbook in Christian ethics. It introduces the field of ethics and a variety of approaches to its study. The book is written for college students and is designed to help them develop a method of dealing with the thorny moral issues.

Psychology and the Challenges of Life Spencer A. Rathus, Jeffrey S. Nevid, 2019-09-18 In the 14th edition of this market leading title Psychology and the Challenges of Life Adjustment and Growth authors Spencer Rathus and Jeffrey Nevid continue to reflect on the many ways in which psychology relates to the lives we live and the important roles that psychology can play in helping us adjust to the many challenges we face in our daily lives. Throughout the text the authors explore applications of psychological concepts and principles in meeting life challenges such as managing time developing self identity building and maintaining relationships adopting healthier lifestyles coping with stress and dealing with emotional problems and psychological disorders. The new edition has been thoroughly updated to meet the needs and concerns of a new generation of students. It provides additional information on psychology in the digital age social media the current Opioid crisis as well as offering greater coverage of matters concerning sexuality and gender and sexual orientation.

The SAGE Encyclopedia of LGBTQ Studies Abbie E. Goldberg, 2016-05-10 This far reaching and contemporary new Encyclopedia examines and explores the lives and experiences of Lesbian Gay Bisexual Transgender and Queer LGBTQ individuals focusing on the contexts and forces that shape their lives. The work focuses on LGBTQ issues and identity primarily through the lenses of psychology human development and sociology emphasizing queer feminist and ecological perspectives on the topic and addresses questions such as What are the key theories used to understand variations in sexual orientation and gender identity? How do Gay Straight Alliances GSA affect LGBTQ youth? How do LGBTQ people experience the transition to parenthood? How does sexual orientation intersect with other key social locations such as race to shape experience and identity? What are the effects of marriage equality on sexual minority individuals and couples? Top researchers and clinicians contribute to the 400 signed entries from fields such as Psychology Human Development Gender Queer Studies Sexuality

Studies Social Work Sociology The SAGE Encyclopedia of LGBTQ Studies is an essential resource for researchers interested in an interdisciplinary perspective on LGBTQ lives and issues Gender, Power, and Communication in Human Relationships Pamela J. Kalbfleisch, Michael J. Cody, 2012-12-06 This edited volume establishes a state of the art perspective on theory and research on gender power and communication in human relationships Both theoretical essays and review chapters address issues relevant to female and male differences in power dominance communication equality and expectations beliefs All chapter contributors share two commonalities First each provides a 1990s assessment of power and equality in female and male relationships Second each reviews respective programs of research and focuses attention on the relevance of this research to understanding the relationships of women and men Unique because it incorporates a multidisciplinary approach to the study of gender and the communication of power in human relationships this book includes the original work of intellectuals with national and international reputations in the social sciences The volume provides both scholastic breadth and centralized treatment of issues that form the very foundation of social and personal relationships It will appeal to scholars working in the disciplines of communication and psychology as well as other areas of social science research *Shifting the Center* Susan J. Ferguson, 2022-11-21 *Shifting the Center Understanding Contemporary Families* Sixth Edition is a popular anthology of readings used in Sociology of Family and of Marriages Families Intimate Relationship courses Editor Susan J Ferguson brings together carefully selected pieces written by leading family researchers and drawn from a variety of scholarly sources including articles from the leading family journals and excerpts from several classic book length studies She also provides background and context to help students connect the topics in the readings to the broader themes in the study of family sociology The table of contents follows the same scope and sequence as the leading family survey texts **Mediated Intimacy** Meg-John Barker, Rosalind Gill, Laura Harvey, 2018-04-27 *Mediated Intimacy* looks at contemporary sex and relationship advice exploring how our intimate lives are shaped through different media from manuals and magazines to television and Twitter By exploring how intimacy is constructed through different media texts the authors consider which ideas and practices these changing forms of sexpertise open up and which they close down The book reveals the intimate operation of power in mediated advice how words and images stories and sound can work to shore up social injustice It critically engages with the ideas of choice and responsibility in sex self help arguing that these can obscure and or justify oppression even if they re sometimes experienced as empowering and or pleasurable This bold and incisive book provides a radical challenge to the assumptions underlying the sex advice industry and presents a critical collaborative and consensual vision for sex advice of the future *The Emerald Handbook of Narrative Criminology* Jennifer Fleetwood, Lois Presser, Sveinung Sandberg, Thomas Ugelvik, 2019-10-07 Over 23 chapters this Handbook reflects the diversity of methodological approaches employed in the emerging field of narrative criminology **Women in Philosophical Counseling** Luisa de Paula, Peter Raabe, 2015-04-23 With contributions from eighteen professional women counselors from

twelve different countries this book is the first to provide an overview of new born philosophical practices from an entirely female perspective It gives voice to women s thoughts and brings to the reader a living portrait of philosophy as a service to people and a training for those in search of a fully lived existence As the authors draw on first hand experience their philosophical analyses intertwine with changes in attitudes and real life stories unearthing that forgotten soul of philosophical thought which our ancestors referred to as the Anima The book provides a lively sprightly and vivacious picture of how philosophy is used in practice a long way from the rigidity and stereotypical severity of its traditional image It will not fail to inspire readers to live their thoughts and think their lives *The Social Context of Birth* Gurcharan

Rai,2017-09-07 Greatly expanded revised and updated with an entirely new chapter on disability *The Social Context of Birth* Second Edition provides an essential understanding of how social issues affect midwives the birth process and motherhood Childbirth is much more than a biological event or a set of case notes No one has an uneventful pregnancy and women seek narratives through which they can explain and try to make sense of what has happened to them This is often neglected in the relentlessly technocratic modern culture of childbirth Appreciating the social context surrounding an individual enriches the understanding a midwife must have if she is to work successfully alongside a woman and her family throughout a pregnancy and birth in an insightful intelligent and informed manner This comprehensive guide provides countless valuable insights for midwives nurses obstetricians and health visitors into the many different lives experiences and expectations of women in their childbearing years their babies and families in the 21st Century Written by a team of highly experienced health professionals it also covers contentious areas of maternity care such as new reproductive technologies and fetal surveillance

How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book Two Jon Knowles,2019-06-28 The ghosts that haunt our sexual pleasure were born in the Stone Age Sex and gender taboos were used by tribes to differentiate themselves from one another These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires For the early Christians all sex play was turned into sin instilled with guilt and punished severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Book Two of this two part publication traces the history of sex from the Victorian Era to present day Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This

book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we can get over it **The Social Context of Birth** Caroline Squire,2017-04-06 Midwives and other health care professionals need to have a deep understanding of the various lives childbearing women live in order to support them insightfully and practise in a nuanced manner The Social Context of Birth has been revised updated and enlarged to provide an essential understanding of the different lives women live and in which they birth their children For the first time it also contains original primary research on the perspectives of student midwives as they progress through their three year training This comprehensive guide provides countless valuable insights into the many different lives experiences and expectations of women in their childbearing years in the twenty first century especially vulnerable women Written by a team of highly experienced health professionals it also covers contentious areas of maternity care such as new reproductive technologies and fetal surveillance A true essential for all healthcare professionals who work with women giving birth such as midwives nurses health visitors and obstetricians and wish to deepen their knowledge of women s lives *Sex, Time, and Power* Leonard Shlain,2004-08-03 As in the bestselling *The Alphabet Versus the Goddess* Leonard Shlain s provocative new book promises to change the way readers view themselves and where they came from *Sex Time and Power* offers a tantalizing answer to an age old question Why did big brained Homo sapiens suddenly emerge some 150 000 years ago The key according to Shlain is female sexuality Drawing on an awesome breadth of research he shows how long ago the narrowness of the newly bipedal human female s pelvis and the increasing size of infants heads precipitated a crisis for the species Natural selection allowed for the adaptation of the human female to this environmental stress by reconfiguring her hormonal cycles entraining them with the periodicity of the moon The results however did much more than ensure our existence they imbued women with the concept of time and gave them control over sex a power that males sought to reclaim And the possibility of achieving immortality through heirs drove men to construct patriarchal cultures that went on to dominate so much of human history From the nature of courtship to the evolution of language Shlain s brilliant and wide ranging exploration stimulates new thinking about very old matters **Relax, It's Just Sex** Leslie Spurr Ph.D.,2017-05-18 Surveying the many forms of non possessive intimate relationships this book explains how these alternative lifestyle arrangements work psychologically and describes the benefits and risks for those involved within contemporary contexts such as swinging threesomes polyamory and recreational sex clubs The thought that one could have sex with outsiders with the consent and support of your spouse or significant other and still love and make love with your primary partner is a radical notion for most men and women And yet an increasing number of married and unmarried couples are doing just this and their relationships are flourishing as a result *Relax It s Just Sex* Understanding Non Possessive Intimate Relationships examines a relatively new form of intimate relationship that is increasingly popular among contemporary couples and singles The book introduces the term non possessive intimate relationships and shows from a psychological perspective how these

arrangements work emotionally and cognitively for the individuals involved Licensed clinical psychologist and relationship therapist Leslie Spurr PhD explores the psychologically issues involved and then takes a close look at various examples of the non possessive intimate relationship style within several mostly covert contexts in which relationship partners agree to provide each other with the freedom to engage intimately with outsiders Written in a nontechnical accessible style Relax It s Just Sex uses humor and references to popular culture including films novels and songs to engage the reader in content that is primarily informative but also entertaining This important and eye opening book makes clear the significance and reasons for the growing popularity of the non possessive intimate relationship phenomenon and explains why and how this lovestyle may constitute a sexual revolution

Flourishing Love Enrico Gnaulati,2023-10-05 Flourishing Love is a secular defence of marriage and long term intimate partnership It rejects a moral religious code to govern love lives and instead puts its faith in the human potential for couples to be benevolent loyal and forgiving to preserve and enhance their romantic union Dr Gnaulati draws on a variety of sources to present the joint emotional upkeep necessary to make an intimate relationship not just satisfactory but vital and to illustrate what these lasting bonds look like The latest science anecdotes from his own 30 year marriage as well as from his psychotherapy practice the musings of ancient and contemporary philosophers and real life interviews from partners in long term happy marriages and intimate unions are all used to reveal the secrets to a successful romantic partnership The result is a how to of engaging in attentive and sensitive communication employing a fairness habit of mind around household chores childrearing responsibilities and finances optimally moving through and beyond conflict keeping an erotic spark alive and ethically handling urges to stray outside the couple A must read for all those who crave meaning happiness and fulfilment in life and need their romantic partnerships to help not hinder in this endeavour

Family Ties and Aging Ingrid Arnet Connidis,2010 This advanced textbook covers issues of family ties and aging broadly the goal being to provide an integrated and thorough representation of what we know from the current research Whereas books on families and aging have traditionally focused on ties to a spouse and to children and grandchildren Family Ties Aging is more extensive and more reflective of contemporary society The text includes groups and relationships that typically receive short shrift exploring such neglected populations as single divorced and childless older people and their family relationships as well as sibling relationships among the elderly live in partnerships not formalized by marriage and the kinds of family ties forged by gay and lesbian persons over the life course The book weaves the vast range of information we now have about the many facets of family relationships and aging into a critical comprehensive and integrated whole
