Sex Maxi

Kamala Kempadoo,Jo Doezema

Sex Maxi:

Global Sex Workers Kamala Kempadoo, Jo Doezema, 2018-10-24 *Global Sex Workers* presents the personal experiences of sex workers around the world. Drawing on their individual narratives, it explores international struggles to uphold the rights of this often marginalized group.

Sex and Ethics in Spanish Cinema Cristina Sánchez-Conejero, 2015-07-30
Reflecting on a series of ethical and moral questions significant to contemporary Spanish culture, Cristina Sánchez-Conejero analyzes several issues related to sexuality in gender as they are portrayed in Spanish film.

Sex Slaves and Discourse Masters Doctor Jo Doezema, 2013-07-18
Why is the international community so concerned with the fate of prostitutes abroad? And why does the story of trafficking sound so familiar? In this pioneering new book, Jo Doezema argues that the current concern with trafficking in women is a modern manifestation of the myth of white slavery. Combining historical analysis with contemporary investigation, this book sheds light on the current preoccupations with trafficking in women. It examines in detail sex worker reactions to the myth of trafficking, questions the current feminist preoccupation with the suffering female body, and argues that feminism needs to move towards the creation of new myths. The analysis in this book is controversial but crucial, an alternative to the current panic discourses around trafficking in women. An essential read for anyone who is concerned with the increased movement of women internationally and the attempts of international and national governments to regulate this flow.

Sun, Sex, and Gold Kamala Kempadoo, 1999-10-27
With tourism accounting for approximately thirty percent of the Caribbean's GDP and twenty-four percent of employment, a link between the sex trade and the tourism industry has gained recent attention. Shifts in global production, an increase in disposable income for pleasure and recreation, and a desire by North Americans and Europeans for an experience of exotic cultures are often claimed to be the cause. This volume explores the connections between the global economy and sex work, focusing on the experiences and views of women, men, and children who sell sex. Apart from attention to sex tourism in Cuba, the Dominican Republic, Barbados, and Jamaica, the book also examines sex work in the gold mining industry in the hinterlands of Suriname and Guyana, and in the entertainment sector in Belize and the Dutch Antilles. It presents new insights into the Caribbean sex trade and provides proposals and strategies for addressing the situation in the twenty-first century.

Sex and Sexuality Glyn Hudson-Allez, 2005-06-24
This book bridges the gap between the counsellor and the specialist sex therapist by providing answers to questions raised by patients or clients about sex, gender, and sexuality. It covers physiological information about genitalia, variations in sexuality, the differences between men and women in genital sexual arousal, and sexual dysfunctions. An understanding of developmental sexuality and information as to whether the sex discussed is normal or pathological. By having a clearer understanding of usual sexual practices, counsellors can be readily equipped to reassure their clients or refer to an appropriate person for specialist referral. Topics covered include physiological difficulties like erectile problems, ejaculatory difficulties, vaginismus, and dyspareunia, and loss of sexual desire; gender problems including cross-dressing.

transsexualism and intersex and psychological problems include sexual addiction fetishism and unusual sexual practices These are discussed in the context of individual clients and in couple dynamics and provide a comprehensive reference for the non specialist mental health professional , *Attachment and Sexuality* Diana Diamond,Sidney J. Blatt,Joseph D. Lichtenberg,2011-06-23 The papers featured in *Attachment and Sexuality* create a dense tapestry each forming a separate narrative strand that elucidates different configurations of the relationship between attachment and sexuality As a whole the volume explores the areas of convergence and divergence opposition and integration between these two systems It suggests that there is a bi directional web of influences that weaves the attachment and sexual systems together in increasingly complex ways from infancy to adulthood The volume s unifying thread is the idea that the attachment system and particularly the degree of felt security or lack thereof in relation to early attachment figures provides a paradigm of relatedness that forms a scaffold for the developmental unfolding of sexuality in all its manifestations Such manifestations include infantile and adult masturbatory and mutual and normative and perverse Also central to the papers is the idea that the development of secure attachment is predicated in part on the development of the capacity for mentalization or the ability to envision and interpret the behavior of oneself and others in terms of intentional mental states including desires feelings beliefs and motivations Topics discussed in the book will help to shape the direction and tenor of further dialogues in the arena of attachment and sexuality

Video and Film Reviews American Psychiatric Association,American Psychiatric Association Staff,Kernberg,1990-11-01 The book is a compendium of articles from *Hospital and Community Psychiatry* *Public Health Reports* ,1931

Women's Sexual Function and Dysfunction Irwin Goldstein,Cindy M. Meston,Susan Davis,Abdulmageed Traish,2005-11-17 The first definitive text on female sexual dysfunction this major new book summarizes the current body of knowledge in the field traces the history of developments in the area and identifies work still needed in the future Reflecting a multidisciplinary approach to the subject the book details the methods and materials for ensuring the appropriate management of women with sexual health problems and concentrates on the presentation of evidence based data concerning the physiology pathophysiology diagnosis and treatment of sexual function and dysfunction in women The inclusion of difficult cases also enhances the use of text as a practical guide to all disciplines concerned with the field of female sexual dysfunction This important work will become a key resource for basic science researchers endocrinologists gynecologists psychologists urologists health care clinicians and anyone else interested in women s sexual health All proceeds are donated to the International Society for the Study of Women s Sexual Health
