MacQuarrie The Story of an Old Duck Hunter is the first full length biography of this literary legend It explores the relationships he nurtured and treasured records his coming of age during Theodore Roosevelt s Conservation Movement documents his rise to national prominence as the first full time professional outdoor writer in America and follows his life as journalist storyteller husband father outdoorsman and conservationist Complete with rarely seen photographs and a comprehensive timeline of his writings this book is a fitting companion to MacQuarrie s own Stories of the Old Duck Hunters anthologies From Ridgetops To Riverbottoms Sam Venable,2025-03-14 From Ridgetops to Riverbottoms takes the reader on a journey down the many winding roads of the outdoor experience in Tennessee Such a journey requires a seasoned guide and there can be no better one than journalist Sam Venable who has written about the woods and waters of his native state for the past twenty five years For Venable the outdoor world is meant to be enjoyed Whether he is casting popping bugs to bluegills during the frenzy of a willow fly hatch lying motionless on his back in muddy corn stubble as mallards warily circle his decoys savoring the sounds and scents of a moonlit summer night when smallmouth bass are on the prowl or issuing plaintive love calls to an amorous wild turkey gobbler the author s fascination with outdoor recreation never diminishes And as the reader quickly finds this fascination is contagious Along with the lightheartedness and rich humor in these pages there is an unmistakable love of the land and a deep concern for the endangered bond between nature and humankind Like the trout in the stream or the deer in the forest Venable suggests we are as much a product of the land as any living creature And what affects one for better or worse ultimately affects all Pennsylvania Outdoors ,1986 **Ducks Unlimited** ,2005
