Journals of William Scoresby the Younger / Volume I / The Voyages of 1811, 1812 and 1813 William Scoresby,2022-03-10 William Scoresby 1789 1857 made his first voyage in the whaler Resolution from Whitby to the Greenland Sea west of Spitsbergen in 1800 Three years later he was formally apprenticed to his father and another three years saw him promoted to chief officer On 5 October 1810 his twenty first birthday the earliest at which by reason of age I could legally hold a command his father moved to Greenock and another ship relinquishing the Resolution to his son Another ten years would see the publication of what has been described as one of the most remarkable books in the English language his two volume An Account of the Arctic Regions with a History and Description of the Northern Whale Fishery 1820 Even before he took command of the Resolution two developments had occurred that when combined with his seamanship and whaling skill were to make that book the foundation stone of Arctic science and cause the journals of his annual voyages to be remarkable accounts in their own right First Scoresby had studied during two brief winters at the University of Edinburgh Teachers such as John Playfair and Robert Jameson had made him aware of the scientific importance of his arctic experience

Together with Sir Joseph Banks the president of the Royal Society they encouraged him to observe experiment and record and provided opportunities for his data to be published Secondly this encouragement and the study habits he developed at Edinburgh led Scoresby to expand the logs of his arctic voyages into lengthy journals that contained scientific records and social and religious comment as well as detailed descriptions of navigation and whaling

Spoiled by the King Violine Vilbert, 2023-05-05 Health happiness and wealth are God's will for your life However if you feel the pulse of society you'll understand that not many have access to this reality Are you prospering in all things Are you wealthy and healthy in your spirit soul and body Do you have peace and faith in God Do you desire a deeper connection to something more satisfying eternal and higher than your temporal existence Authored by Violine Vilbert a transformational coach Spoiled by the King is a wisdom pack and highly inspirational book that explains and clears beyond every age-long belief that being wealthy healthy and happy doesn't reflect the true life of a Christian This book will liberate you from the never enough mentality to a place of understanding that you can eat your cake and have it in God's kingdom Who says you can't have it all You can be wealthy healthy peaceful and happy in spirit soul and body Written in an engaging and insightful style each page of this book will help you access All that God has in store for you even before the tick of creation's clock Proven truth about wealth and the kingdom Simple but powerful ways to be spoiled by God Discovering God's way to riches Thriving tools that will help activate your faith Spiritual habits for a happier life The healing power of God Real and lasting peace that only God can give As you read this book you'll realize that God is closer than you think and you'll learn how to involve him in every situation to live a victorious life Therefore like gifts around a Christmas tree grab a copy and you'll find gems with your name on them
