Musings William Charles Arbaugh, 2005-01-30 It is often said that in polite conversation the topics of religion and politics should be avoided but how long can most of us carry an engaging conversation on the weather One who is concerned about the directions in which this nation is moving must necessarily discuss controversial topics Have the labels liberal and conservative outlived their usefulness Is liberalism truly a bad word What are conservatives trying to conserve Is it possible to rise above the din of partisan debate These brief essays are critical comments on society politics and religion in which the author avoids the pitfalls of extremism The author a minister of the Lutheran Church and with an interest in education sees danger in extreme positions religious or political noting that the right produced Mussolini s Fascism and Hitler s Nazism whereas the left resulted in Stalinist Communism Against rigid absolutist positions as well as spineless relativism one is reminded of the church mouse who once delivered a pertinent aphorism If you stand in the middle of the road the traffic in two directions will flatten you into road kill Essay 10 The point is that controversial topics must not be ignored Problems of narrowness for example have been tackled by the author in Essay 6 which begins with this paragraph Some years ago an acquaintance who liked to speak in grand terms said to me in all seriousness My philosophy is the pursuit of happiness It was narrow and egocentric but at the time I had no response However now many years later I have an answer to that unforgotten statement thanks to a guest at St James Last month Dr William Foege from the Carter Center and Emory University speaking at St James stated that there have been many attempts to define civilization One of these is happiness which caused him to wonder whether a three year old with a chocolate might be more civilized than the parents *Capsule Overviews of*

Conboy, 2024-01-18 An American family s 134 000 word two part action filled fiction story from the Vietnam era Based on Ronald s tour guarding nuclear weapons in Europe and twin Rusty s actual combat narrative with the Marines in Vietnam How the family with an unflappable faith in their countries duty to fight the spread of Communism survived the war s turmoil that lambasted families and the country s persona for years Vietnam the rabbit hole about some went in some came out and some are still there Some memories won t leave you in peace They haunt Rusty and Rory and go round and round in their memories until they write it This thriller adventure story is a bridge between fact and fiction set in the Vietnam era by a witness to the witnesses of the quagmire
