Help My Unbelief Geert Lernout, 2010-02-11 From the very beginning James Joyce s readers have considered him as a Catholic or an anti Catholic writer and in recent years the tendency has been to recuperate him for an alternative and decidedly liberal form of Catholicism However a careful study of Joyce s published and unpublished writings reveals that throughout his career as a writer he rejected the church in which he had grown up As a result Geert Lernout argues that it is misleading to divorce his work from that particular context which was so important to his decision to become a writer in the first place Arguing that Joyce s unbelief is critical for a fuller understanding of his work Lernout takes his title from Ulysses I believe O Lord help my unbelief That is help me to believe or help me to unbelieve itself
