New Dimensions In Popular Culture:

New Dimensions in Popular Culture Russel Blaine Nye, 1972 Essays from an English graduate seminar in literature and popular culture given at Michigan State University *Our Jackie* Karen M. Dunak, 2024-11-12 Tells the story of Jacqueline Kennedy Onassis through her evolving public persona from campaign wife to First Lady to fallen idol to treasured national icon When Jacqueline Kennedy Onassis became First Lady of the United States over sixty years ago she stepped into the public spotlight Although Jackie is perhaps best known for her two highly publicized marriages her legacy has endured beyond twentieth century pop culture and she remains an object of public fascination today Drawing on a range of sources from articles penned for the women s pages of local newspapers to esteemed national periodicals to fan magazines and film *Our Jackie* evaluates how media coverage of Jacqueline Kennedy Onassis changed over the course of her very public life Jackie s interactions with and framing by the American media reflect the changing attitudes toward American womanhood Over the course of four decades Jackie was alternatively praised for her service to others and pilloried for her perceived self interest In *Our Jackie* Karen M Dunak argues that whether she was portrayed as a campaign wife a loyal widow a selfish jetsetter or a mature career woman the history of Jackie s highly publicized life demonstrates the ways in which news entertainment politics and celebrity evolved and intertwined over the second half of the twentieth century Examining the intimate chronicles of this famous First Lady s life *Our Jackie* suggests that media coverage of this enigmatic public figure revealed as much about the prevailing views of women in America how they should behave and whom they should serve as it did about Jacqueline Kennedy Onassis as an individual *The Republic of Love* Martin Stokes, 2010-10 Focusing on three entertainers who have become national icons Martin Stokes offers a portrait of Turkish identity that is very different from the official version of anthems and flags In particular he discusses how a Turkish concept of love has been developed through the work of the singers and the public reaction to them **God in Sound and Silence** Danielle Anne Lynch, 2018-06-22 Music by its indeterminate levels of meaning poses a necessary challenge to a theology bound up in words Its distinctive nature as temporal and embodied allows a unique point of access to theological understanding Yet music does not exist in a cultural vacuum conveying universal truths but is a part of the complex nature of human lives This understanding of music as theology stems from a conviction that music is a theological means of knowing knowing something indeterminate yet meaningful This is an exploration of the means by which music might say something otherwise unsayable and in doing so allow for an encounter with the mystery of God **Europe in the World from 1350 to 1650** Rila Mukherjee, 2025-08-23 This book covers both European and global History from 1350 to 1650 The eight modules in the textbook offer an all encompassing perspective on European history and a parallel understanding of world history establishing a holistic framework of the events narrated It provides a conceptual framework for understanding the factors that led to the rise of the modern West The textbook offers maps tables and illustrations to quickly comprehend and recollect significant events and

their causes and consequences in Europe's transformation from medieval to modern maps The textbook covers political economic intellectual and social history from 1350 to 1650 Each module carries suggested questions and exercises to achieve greater interactive learning The textbook serves as a convenient source of information for advanced readers and upper undergraduates in history to understand the genesis of modern Europe from multiple sources perspectives and languages

The 1950s William H. Young, 2004-04-30 Have the 1950s been overly romanticized Beneath the calm conformist exterior new ideas and attitudes were percolating This was the decade of McCarthyism Levittowns and men in gray flannel suits but the 1950s also saw bold architectural styles the rise of paperback novels and the Beat writers Cinema Scope and film noir television variety shows the Golden Age of the automobile subliminal advertising fast food Frisbees and silly putty Meanwhile teens attained a more prominent role in American culture with hot rods rock n roll preppies and greasers and gasp juvenile delinquency At the same time a new technological threat the atom bomb lurked beneath the surface of the postwar decade This volume presents a nuanced look at a surprisingly complex time in American popular culture *The Great Depression in America* William H. Young, Nancy K. Young, 2007-03-30 Everything from Amos n Andy to zeppelins is included in this expansive two volume encyclopedia of popular culture during the Great Depression era Two hundred entries explore the entertainments amusements and people of the United States during the difficult years of the 1930s In spite of or perhaps because of such dire financial conditions the worlds of art fashion film literature radio music sports and theater pushed forward Conditions of the times were often mirrored in the popular culture with songs such as Brother Can You Spare a Dime breadlines and soup kitchens homelessness and prohibition and repeal Icons of the era such as Fred Astaire and Ginger Rogers Louis Armstrong Bing Crosby F Scott Fitzgerald George and Ira Gershwin Jean Harlow Billie Holiday the Marx Brothers Roy Rogers Frank Sinatra and Shirley Temple entertained many Dracula Gone With the Wind It Happened One Night and Superman distracted others from their daily worries Fads and games chain letters jigsaw puzzles marathon dancing miniature golf Monopoly amused some while musicians often sang the blues Nancy and William Young have written a work ideal for college and high school students as well as general readers looking for an overview of the popular culture of the 1930s Art deco big bands Bonnie and Clyde the Chicago's World Fair Walt Disney Duke Ellington five and dimes the Grand Ole Opry the jitter bug Lindbergh kidnapping Little Orphan Annie the Olympics operettas quiz shows Seabiscuit vaudeville westerns and Your Hit Parade are just a sampling of the vast range of entries in this work Reference features include an introductory essay providing an historical and cultural overview of the period bibliography and index

'Blerwytirhwng?' The Place of Welsh Pop Music Sarah Hill, 2017-07-05 In the 1960s Welsh language popular music emerged as a vehicle for mobilizing a geographically dispersed community into political action As the decades progressed Welsh popular music developed beyond its acoustic folk roots adopting the various styles of contemporary popular music and ultimately gaining the cultural self confidence to compete in the Anglo American mainstream market The resulting tensions

between Welsh and English amateur and professional rural and urban the local and the international necessitate the understanding of Welsh pop as part of a much larger cultural process Not merely a Celtic issue the cultural struggles faced by Welsh speakers in a predominantly Anglophone environment are similar to those faced by innumerable other minority communities enduring political social or linguistic domination The aim of Blerwytirhwng The Place of Welsh Pop Music is to explore the popular music which accompanied those struggles to connect Wales to the larger Anglo American popular culture and to consider the shift in power from the dominant to the minority the centre to the periphery By surveying the development of Welsh language popular music from 1945 2000 Blerwytirhwng The Place of Welsh Pop examines those moments of crisis in Welsh cultural life which signalled a burgeoning sense of national identity which challenged paradigms of linguistic belonging and out of which emerged new expressions of Welshness

Encyclopedia of Library and Information Science Allen Kent, Harold Lancour, Jay E. Daily, 1978-01-01 The Encyclopedia of Library and Information Science provides an outstanding resource in 33 published volumes with 2 helpful indexes This thorough reference set written by 1300 eminent international experts offers librarians information computer scientists bibliographers documentalists systems analysts and students convenient access to the techniques and tools of both library and information science Impeccably researched cross referenced alphabetized by subject and generously illustrated the Encyclopedia of Library and Information Science integrates the essential theoretical and practical information accumulating in this rapidly growing field

The Organic Profit Andrew N. Case, 2018-03-15 From green lifestyle mavens who endorse products on social media to natural health activists sponsored by organic food companies the marketplace for advice about how to live life naturally is better stocked than ever Where did the curious idea of buying one's way to sustainability come from In no small part as Andrew Case shows the answer lies in the story of entrepreneur and reformer J I Rodale his son Robert Rodale and their company the Rodale Press These pioneers of organic gardening were also pioneers in cultivating a niche for natural health products in the 1950s organizing the emerging marketplace for organic foods in the 1960s and publishing an endless supply of advice books on diet and health in the process Rodale's marketplace environmentalism brought environmentally minded consumers together and taught Americans how to grow food eat and live in more environmentally friendly ways Yet the marketplace has proved more effective at addressing individual health concerns than creating public health interventions It is as liable to champion untested and ineffectual health supplements as it is to challenge the indiscriminant use of dangerous pesticides For anyone trying to make sense of the complex tensions between business profits and the desire for

environmental reform The Organic Profit is essential reading

Herbert Woodward Martin and the African American Tradition in Poetry Ronald Primeau, 2004 Herbert Woodward Martin is a prize winning poet and performer an actor and playwright a singer and opera librettist a professor and a scholar Born in Alabama in 1933 and educated in Toledo and New York Martin has lived and worked most of his life in Ohio His parents appreciated literature and music and saw to it that

their young son was immersed in the arts The family moved to Toledo Ohio when Herbert was twelve years old He began to write poetry during his undergraduate years at the University of Toledo from which he graduated in 1964 Herbert Woodward Martin and the African American Tradition in Poetry chronicles the writing and performing career of Herbert W Martin focusing on the way his life has informed his art and situating his creative work within the context of the African American tradition in poetry Author Ronald Primeau examines Martin s place in American literature with particular emphasis on his multidisciplinary talents and his contributions to the arts through his highly regarded performances of poetry especially that of Paul Laurence Dunbar and his acting playwriting and composing Even though Martin s work is highly regarded has been anthologiz

Transnational France Tyler Stovall,2018-04-20 In this compelling volume Tyler Stovall takes a transnational approach to the history of modern France and by doing so draws the reader into a key aspect of France s political culture universalism Beginning with the French Revolution and its aftermath Stovall traces the definitive establishment of universal manhood suffrage and the abolition of slavery in 1848 Following this critical time in France s history Stovall then explores the growth of urban and industrial society the beginnings of mass immigration and the creation of a new republican Empire This time period gives way to the history of the two world wars the rise of political movements like Communism and Fascism and new directions in popular culture The text concludes with the history of France during the Fourth and Fifth republics concentrating on decolonization and the rise of postcolonial society and culture Throughout these major historical events Stovall examines France s relations with three other areas of the world Europe the United States and France s colonial empire which includes a wealth of recent historical studies By exploring these three areas and their political social and cultural relations with France the text will provide new insights into both the nature of French identity and the making of the modern world in general

Gender and Popular Culture Kusha Tiwari,2019-11-13 This collection of essays explores contemporary reflections on interactions between gender and culture The 11 contributions focus on varied dimensions of popular culture that define interpret validate interrogate and rupture gender conventions There are discussions on how children react to gender expectations and how this reaction is reflected in their activities like drawing and games There are also investigations of films female bodybuilding in the USA transgender identity in Greek and Indian mythology and women breaking glass ceilings and pioneering social movements in developing countries like India Specific chapters are devoted to British TV series and Hindi films that address issues related to masculinity Essays on challenges that women face in the corporate world and the real world of social inequalities especially in developing countries give this volume rich thematic diversity The collection will be of interest to literary critics film critics gender studies scholars and poets

Rock 'n' Roll is Here to Pay Steve Chapple,Reebee Garofalo,1977

Melodrama and Modernity Ben Singer,2001-04-05 In this groundbreaking investigation into the nature and meanings of melodrama in American culture between 1880 and 1920 Ben Singer offers a challenging new reevaluation of early American cinema and the era that spawned it Singer looks back to the

sensational or blood and thunder melodramas e g *The Perils of Pauline* *The Hazards of Helen* etc and uncovers a fundamentally modern cultural expression one reflecting spectacular transformations in the sensory environment of the metropolis in the experience of capitalism in the popular imagination of gender and in the exploitation of the thrill in popular amusement Written with verve and panache and illustrated with 100 striking photos and drawings Singer s study provides an invaluable historical and conceptual map both of melodrama as a genre on stage and screen and of modernity as a pivotal idea in social theory

Culture and Society David Oswell,2006-12-07 Too often cultural studies discourse seems cut off from wider developments in social theory As a sociologist with a strong cultural studies sensibility David Oswell is ideally placed to put this right Through a series of well judged and historically nuanced readings of cultural social theory and critical philosophy this book provides just the bridge between cultural studies and wider debates that we need Nick Couldry London School of Economics and Political Science David Oswell has written a comprehensive introduction to cultural studies that guides the reader through the field s central foundations and its freshest ideas This book Grounds the reader in the foundations of cultural studies and cultural theory language and semiology ideology and power mass and popular culture Analyzes the central problems identity body economy globalization and empire Introduces the latest developments on materiality agency technology and nature *Culture and Society* is an invaluable guide for students navigating the dynamic debates and intellectual challenges of cultural studies Its breadth and unparalleled coverage of theory will also ensure that it is read by anyone interested in questions of materiality and culture

The Nature of Space Milton Santos,2021-07-21 In *The Nature of Space* pioneering Afro Brazilian geographer Milton Santos attends to globalization writ large and how local and global orders intersect in the construction of space Santos offers a theory of human space based on relationships between time and ontology He argues that when geographers consider the inseparability of time and space they can then transcend fragmented realities and partial truths without trying to theorize their way around them Based on these premises Santos examines the role of space which he defines as indissoluble systems of objects and systems of actions in social processes while providing a geographic contribution to the production of a critical social theory

Revisiting the "Nazi Occult" Monica Black,Eric Kurlander,2015 New collection of essays promising to re energize the debate on Nazism s occult roots and legacies and thus our understanding of German cultural and intellectual history over the past century

Encyclopedia of Contemporary Latin American and Caribbean Cultures Daniel Balderston,Mike Gonzalez,Ana M.
