New Dynamics In National Strategy The Paradox Of Power:

New Dynamics in National Strategy, 1975 **New Dynamics in National Strategy**, 1975 The Politics of Ballistic Missile Nonproliferation W. Bowen, 2000-01-20 During the presidency of George Bush 1989 93 the proliferation of nuclear chemical and biological weapons and the ballistic missiles capable of delivering them rose greatly in significance as issues on the American security agenda In the missile field this became evident by the efforts of certain elements in the executive branch and several congressmen to improve domestic and international implementation of the Missile Technology Control Regime The Politics of Ballistic Missile Nonproliferation examines the political bureaucratic and systemic issues that interacted to determine the outcome of these efforts *New Dynamics in US-China Relations* Mingjiang Li, Kalyan M. Kemburi, 2014-10-17 Washington's strategic pivot to Asia and Beijing's pursuit of new strategic and security interests in the region have led to increasing tensions between the two powers US leaders have stressed that their increased interest in Asia is driven by a desire to benefit from the thriving regional economies as well as to play the leading role in maintaining peace and stability in the region However Beijing is particularly concerned about US efforts to consolidate its alliances and deepen security partnerships with a number of regional states Given the centrality of the two powers to the strategic stability and economic development of the region these new dynamics in US China relations must be properly understood and appropriately handled This book examines the growing Sino US strategic rivalry in the Asia Pacific alongside the strategies employed in the management of this relationship In turn it illuminates the sources of conflict and cooperation in US China relations looking specifically at maritime disputes economic relations energy security non traditional security defence and strategic forces and Taiwan Finally it explores the role of regional states in shaping US China relations and in doing so covers the influence of Japan India the Korean Peninsula the Philippines Vietnam Myanmar and Cambodia With chapters from leading scholars and analysts this book deals with a diverse range of issues including strategic rivalry expanding regional trade relations non traditional security issues the role of energy security maritime security and how Asian states view their relations with the US and China respectively *New Dynamics in US China Relations* will be of huge interest to students and scholars of Asian politics US politics international relation and security studies as well as practitioners involved in framing and implementing foreign security and economic policy pertaining to the Asia Pacific *Parameters*, 1976

The National Planning Idea In U.S. Public Policy David E Wilson, 2019-07-11 This book explores the eventful but largely forgotten history of national planning efforts in the United States first identifying and comparing five alternative approaches to contemporary national planning then using these approaches to assess the events of 1973 1976 a period when crisis pressures brought a vigorous resurgence of national planning activity and debate Dr Wilson concludes that two new approaches to planning learning adaptive and general systems are increasingly being used in lieu of the long established and less flexible rational and incremental approaches and that these might eventually achieve a beneficial new synthesis in both

federal policy practice and social science theory He argues that the twin questions of a planned versus a planning society and of who will plan for whom are inexorably emerging as key issues in U S public policy Along with its companion volume *National Planning in the United States An Annotated Bibliography* also published by Westview this book provides extensive new interdisciplinary research material and integrative perspectives on current planning challenges *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1976 **Quarterly Review of Military Literature** ,1975
