The Global Restructuring of the Steel Industry Anthony D'Costa, 1999-01-28 Drawing upon case studies of the steel industry in the US Japan South Korea Brazil and India this book explains how and why the steel industry has shifted from advanced capitalist countries to late industrializing countries Anthony P D Costa examines the relationship between industrial change and institutional responses to technological diffu Women and the Canadian Welfare State Patricia Marie Evans, Gerda R. Wekerle, 1997-01-01 Explains not only how women are affected by changes in policy and programming but how they can take an active role in shaping these changes The Politics of the Global Himadeep Muppidi, 2004 Though presented often as an objective process globalization is frequently analyzed from subjective perspectives that are closed to their own historical and geographical specificity Refusing the false choice between objectivity and subjectivity Himadeep Muppidi considers the production of the global as an intersubjective process involving the interplay of meanings identities and practices from historically different locations Muppidi illustrates how the politics of globalization are played out in two multicultural democracies India and the United States particularly rich examples given the increasing interactions between them in the areas of global economy and security Although they differ in their approaches to worldwide regulation of weapons of mass destruction India and the United States cooperate in opposing terrorism Treating globalization as an intersubjective process reveals the different political possibilities e q colonial coercion postcolonial ambivalence and postcolonial co option that are opened by global relays of meanings identities and power Muppidi concludes by exploring a variety of spaces and strategies for resisting the colonization of the global Human and Global Security Peter John Stoett, 1999-01-01 Discusses four principal security threats state violence environmental degradation population displacement and globalization and shows that any meaningful interpretation must include both a narrow legal definition and a broader global perspective Workfare States Jamie Peck, 2001-02-13 This book examines the political economy of workfare the umbrella term for welfare to work initiatives that have been steadily gaining ground since candidate Bill Clinton s 1992 promise to end welfare as we know it Peck traces the development diffusion and implementation of workfare policies in the United States and their export to Canada and the United Kingdom He explores how reforms have been shaped by labor markets and political conditions how gender and race come into play and how local programs fit into the broader context of neoliberal economics and globalization The book cogently demonstrates that workfare rarely involves large scale job creation but is more concerned with deterring welfare claims and necessitating the acceptance of low paying unstable jobs Integrating labor market theory critical policy analysis and extensive field research Peck exposes the limitations of workfare policies and points toward more equitable alternatives Regulating Agriculture Philip Lowe, Terry Marsden, Sarah Whatmore, 2023-06-08 Originally published in 1994 this volume brings together a set of essays reflecting the complex political social and institutional problems encountered by modern states in seeking to manage their agricultural sectors

Drawing on different national and international viewpoints the essays present original analyses of agricultural regulation in a comparative context The aspects covered include the roots of the post war food order the roles of corporatism agribusiness and technological change the challenge of de regulation and environmental reforms the introduction of market principles and mechanisms into centrally planned economies and the efforts to forge a new order in international trade Stress Marjorie Griffin Cohen, Stephen Clarkson, 2013-07-04 This volume is the first work to emerge from a major international comparative research project exploring the political economy of globalization This inter disciplinary team of scholars is focusing on the semi periphery of world power Whether defined in social cultural economic or simply spatial terms semi peripheral countries share two qualities they are conscious of their subordination to the hegemonic powers at the centre of the global system the United States and the European Union they are also strong enough to have some ability to resist their domination The structural position of these middle powers in global capitalism is unlike those countries at the centre that do not experience domination and different from those Third World countries on the periphery that have no means to achieve more cultural and political autonomy more distinctive and diversified development or greater social equity and better income redistribution Four countries in North America Central America Europe and the Antipodes namely Canada Mexico Norway and Australia have been selected in order to explore the complexities of globalization from the perspective of the semi periphery Opening chapters examine the international institutions including the North America Free Trade Agreement the World Trade Organization and the European Union which now amount to a quasi constitutional conditioning framework for middle powers under globalization In the second part contributors detail the pressures with which these countries have to cope and consider their ability to pursue policies appropriate to the needs and democratically defined goals of each And in the concluding part after discussing the new economic political and social issues of governing under stress they appraise the possibilities for middle powers to chart distinctive national courses in the face of globalization s Contested Classrooms Parkland Institute, 1999-03 Education has become a battlefield the constraining challenge classroom the arena where the contest is fought The 1997 Ontario teachers strike the federal government s Millennium Scholarship and a wave of protests across the country are among the signals that the war is heating up Alberta stands as a Canadian model of radical education reform propelled by economic necessity But is all reform necessarily right or good and who decides A range of commentators teachers scholars parents and others discuss the conflict in Alberta's schools

**Understanding Canada** Wallace Clement, 1997 As corporations are restructured governments cut back and the international economy transformed there is an increasing need to understand the economic and political forces involved evaluate their implications and develop strategies to modify them to meet society s interests In light of the current situation the study of political economy is more relevant than ever Understanding Canada examines a variety of topics from viewpoints ranging from the established to the interdisciplinary Issues such as gender Native peoples race ethnicity and migration

globalization foreign policy the welfare state regulation communications popular culture and space and the environment are examined as are the more traditional subjects of economic growth resources and The new Canadian political economy has emerged from its infancy and is now regarded as a respected and innovative field of scholarship Understanding Canada furthers this tradition by focusing on current issues in an accessible and informative way Contents Introduction Whither the New Canadian Political Economy Wallace Clement Economic Growth and Economic Crisis Canadian Capitalism Through the Ages Mel Watkins Toronto Resources and Manufacturing in Canada's Political Economy Wallace Clement and Glen Williams Carleton Labour in the New Canadian Political Economy Paul Philips Manitoba Gender at Work Canadian Feminist Political Economy after 1988 Meg Luxton York and Heather Jon Maroney Carleton Understanding What Happened Here The Political Economy of Indigenous Peoples Frances Abele Carleton The Political Economy of Race Ethnicity and Migration Daiva Stasiulis Carleton Going Global The Politics of Canada's Foreign Policy Mark Neufeld Trent and Sandy Whitworth York Re mapping Canada The State in the Era of Globalism Greg Albo York and Jane Jenson Montr al The New Political Economy of Regions Janine Brodie York The Challenges of the Quebec Question Paradigm and Counter Paradigm Daniel Sal e Concordia and William Coleman McMaster From the Post War to the Post Liberal Keynesian Welfare State Isabella Bakker York and Katherine Scott Displacing the Welfare State Liora Salter York and Rick Salter Public Discourse and the Structures of Communication Ted Magder York The Real Integrated Circus Political Economy Popular Culture and Major League Sport David Whitson Alberta and Richard Gruneau affil Contested Terrains Social Space and the Canadian Environment Iain Wallace Carleton and Rob Shields Carleton Policymaking and Prosperity Stuart S. Nagel, 2003-01-01 Policymaking and Prosperity is the second volume of a three volume set that examines the multidimensional role of policy in the development and promotion of democracy prosperity and peace The prosperity volume discusses the relationship between democratic practices and economic prosperity Its chapters consider questions of bi and multilateral trade policy relations the impact of economic pluralism sustainable development the global agricultural economy international environmental politics and bioregionalism In the Long Run We're All Dead Timothy Lewis, 2007-10-01 Canadian politics in the 1990s were characterized by an unwavering focus on the deficit At the beginning of the decade it seemed that fiscal deficits were intractable a fait accompli of Canadian politics yet by the end of the decade Ottawa had taken remarkable actions to eliminate its budgetary shortfalls and had successfully eradicated its deficits How such a radical change of political course came to pass is still not well understood In The Long Run We re All Dead The Canadian Turn to Fiscal Restraint offers the first comprehensive scholarly account of this vital public policy issue Lewis deftly analyzes the history of deficit finance from before Confederation through Canada's postwar Keynesianism to the retrenchment of the Mulroney and Chr tien years In doing so he illuminates how the political conditions for Ottawa's deficit elimination in the 1990s materialized after over 20 consecutive years in the red and how the decline of Canadian Keynesianism has made way for the emergence of politics

organized around balanced budgets This important book provides scholars and students of Canadian politics with a new framework by which to understand the adoption of government policy the economic and fiscal legacy of the Mulroney administrations and the emergence of the new politics of the surplus It will be of great interest to those engaged with Canadian politics political economy and public policy as well as to participants in policy processes and the informed public

Globalization and the South Caroline Thomas, Peter Wilkin, 2016-07-27 This volume brings together a group of authors who share a common concern with the effects of globalization on the South Included among these effects is the accelerating erosion of the social economic and political significance of the territorial distinction on which the terms South and North are founded The authors aim is explicit to offer a unique perspective on globalization which places the transformation of the South and the renewed global organization of inequality at the heart of our understanding of the global order in Multilateralism Michael G. Schechter, 2016-07-27 The chapters in this volume identify and assess the political process and bases of support for multilateralism in terms of the shifting power relations in world politics institutional innovations in the United Nations and non UN multilateralisms They seek to answer the question What can and should be done to confront salient issues of the global problematic More specifically the essayists ask whether currently existing multilateral mechanisms are up to the challenge The Ends of Globalization Don Kalb, 2000 This book brings an empirical social science perspective to a public issue on which observers economists and business gurus have freely unleashed their abstract models and jumbo schemes Written by internationally acclaimed authors the chapters engage empirically tractable issues that are basic to any overall understanding of the social origins structures and consequences of the current wave of globalization The book brings together in one volume diverse issues related to globalization that are generally dealt with in separate publications such as migration social inequality flows of capital Americanization and cultural identities citizenship and collective action and global governance The diversity of topics and up to date discussion makes this book ideal as a text or supplementary reading for courses As an argument for greater complexity contingency and contradiction in contemporary debates on globalization it is essential reading for any scholar or lay reader concerned about contemporary change

Governance Without Government James N. Rosenau, Ernst-Otto Czempiel, 1992-03-26 A world government capable of controlling nation states has never evolved but governance does underlie order among states and gives direction to problems arising from global interdependence This book examines the ideological bases and behavioural patterns of this governance without government 
Tourism, Globalization and Development Donald G. Reid, 2003-07-20 Tourism is booming world wide it makes up a massive part of the global economy Donald G Reid s book focuses on tourism in developing and less developed countries He examines its social and environmental impact and offers a timely critical analysis of the part it plays in globalisation Many of the world's poorest countries rely on the tourist trade for the major part of their income However all too often the local communities involved do not reap the benefits of this trade Developers often exclude local communities

from the initial planning and decision making process viewing them either as a benign resource to be exploited or as an impediment This is a rigourous critique of corporate led tourism development which lays out alternatives for planning and control to the local communities It argues that only in this way can the vastly differing requirements of each community be addressed and social and environmental issues can be dealt with properly The book includes a discussion of macro planning theory and offers three case studies of locally controlled projects that show clearly how communities developing a tourist **Debating Development Discourse** David B. Moore, Gerald J. Schmitz, 2016-07-27 This book combines critical historical analysis and case studies of the theory and practice of post 1945 international development Beginning with a Gramscian analysis of institutional and academic development discourse continuing with critiques of international institutions current neo liberal economic and governance practices and followed by studies of African moral opposition to structural adjustment s scientific capitalism South African housing struggles Zimbabwean development strategies Costa Rican agrarian NGO s and northern Albertan public environmental hearings it advocates deepening radical and popular participatory democracy Change and Continuity Mark P. Thomas, Leah F. Vosko, Carlo Fanelli, Olena Lyubchenko, 2019-08-28 In a period characterized by growing social inequality precarious work the legacies of settler colonialism and the emergence of new social movements Change and Continuity presents innovative interdisciplinary research as a guide to understanding Canada's political economy and a contribution to progressive social change Assessing the legacy of the Canadian political economy tradition a broad body of social science research on power inequality and change in society the essays in this volume offer insight into contemporary issues and chart new directions for future study Chapters from both emerging and established scholars expand the boundaries of Canadian political economy research seeking new understandings of the forces that shape society the ensuing conflicts and contradictions and the potential for social justice Engaging with interconnected topics that include shifts in immigration policy labour market restructuring settler colonialism the experiences of people with disabilities and the revitalization of workers movements this collection builds upon and deepens critical analysis of Canadian society and considers its application to contexts beyond Canada The latest in a series of related volumes on Canadian political economy Change and Continuity explores the past present and potential futures of the discipline in a global context offering insight into some of the most pressing issues of our time

New Era Of Global Competition State Policy And Market Power: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have enthralled audiences this year. New Era Of Global Competition State Policy And Market Power: Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best: Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and selfdiscovery. New Era Of Global Competition State Policy And Market Power: Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he guickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
