People have burning questions about the end times. They want to know what, when, and how, and they want to know it now. Will I know my family in eternity? What are the Tribulation and the Millennium? What needs to happen before Jesus returns? Anyone can understand End Times prophecy.      The Bible Knowledge Commentary: Epistles and Prophecy John F. Walvoord, Roy B. Zuck, 2018-03-01 Teachings of God's Grace: His Character and Christ's Coming Return. Letters to the early church have inspired Christians for thousands of years. From the relationship between the New Covenant and the Old Covenant in Hebrews to the practical wisdom of James to the warnings of Jude, each of these epistles has much to tell us about following Christ today. This exposition looks at what these letters teach us about God's character, His relationship with His people, and His call for our commitment. The authors also help us better understand the book of Revelation, one of the most misunderstood books of the Bible. Though Revelation is often daunting to laypeople and scholars alike, The Bible Knowledge

Commentary gives life changing insight into the interpretation purpose and application of this profound book Together the later epistles and the book of Revelation offer explanations of God s ancient truths and hope for a world to come     **A**

**Celebrate King Jesus** Dr. Bonnie L. Westhoff,2016-07-28 Many refer to the Book of Revelation as the book of the Tribulation However in reality it is the time for the coronation of King Jesus Many people ask why God keeps Satan on the earth but are afraid to read the Book of Revelation which is an account of when Jesus does finally remove him from the earth The Book of Revelation is the only book where God ensures a blessing to those who read it Gods plan was always to know Him and dwell with Him God has been long suffering as He has given every opportunity to every generation to come to Him and make their dwelling place with Him Col 1 23 No one knows the day or the time when Christ will come for His Church Mt 24 36 but that will be the time of the Book of Revelation The Greek word for Revelation is apokalypsis and means an unveiling The word is singular only one person is revealed Christ Throughout the New Testament we saw Jesus as our Savior but now He comes to rule the world It is only now that Jesus receives His inheritance as the King of the Kingdom of God The Church the bride of Christ will rule and reign with King Jesus throughout the Millennium The bride will share in the inheritance of King Jesus This book has an overview in the introduction and before each chapter to understand how everything fits chronologically in time sequence The intent is that it is easy to read and the focus is to see the big picture before the details are explained All Scripture in Revelation is included as well as Scriptures within the Bible that prophesy each event that will occur

**Life-study of James and the Epistles of Peter** Witness Lee,2023-09-27 In Life study of James Witness Lee emphasizes two key points related to the Epistle of James first that the believers must progress in practical Christian perfection and second that the believers must be careful not to cultivate such perfection without a clear vision concerning the law and grace of God in God s New Testament economy In Life study of First Peter he describes the Christian life under the government of God with its high demand and in Life study of Second Peter he details the divine provision that supplies the believers with all that they need to meet that high demand

*Kim Kardashian's Marriage* Sam Riviere, 2015-02-03

The 72 poems in Kim Kardashian's *Marriage* mark out equally sharpened lines of public and private engagement. Kim Kardashian's 2011 marriage lasted for 72 days and was seen by some as illustrative of celebrity life as a performance, as spectacle. Whatever the truth of this and Kardashian's own statements refute it, Sam Riviere has used the furor as a point of ignition, deploying terms from Kardashian's make-up regimen to explore surfaces and self-consciousness, presentation and obfuscation. His pursuit is toward a form of zero privacy, akin perhaps to Kardashian's own life that eschews a dependence upon confessional modes of writing to explore what kind of meaning lies in impersonal methods of creation. The poems have been produced by harvesting and manipulating the results of search engines to create a poetry of part collage, part improvisation. The effect is as refractive as it is reflective and disturbs the slant on biography through a bricolage of recycled and cross-referenced language until we are left with a pixellation of the first person.
