Herman, 2008-01-01 NEW JERSEY ENCYCLOPEDIA is the definitive reference work on New Jersey ever published. The noted New Jersey historian Chad E. Leinaweaver, Director of the Library and Museum Collection for the New Jersey Historical Society, has written articles on Introduction to New Jersey History, Early History of New Jersey, and New Jersey History. These articles cover the history of New Jersey from the early explorers to twenty-first century events. Other major sections in this reference work are New Jersey Symbols and Designations, Geography and Topography of New Jersey, Profiles of New Jersey Governors, Chronology of New Jersey Historic Events, Dictionary of New Jersey Places, New Jersey Constitution, Bibliography of New Jersey Books, Pictorial Scenes of New Jersey, State Executive Offices, State Agencies, Departments and Offices, New Jersey Senators, New Jersey Assembly Members, U.S. Senators and U.S. Congress members from New Jersey, Directory of New Jersey Historic Places, and Index. NEW JERSEY ENCYCLOPEDIA contains stunning photographs and portraits to compliment the expertly written text. Population charts are arranged alphabetically by city or town name and by county. This allows students easy access to find population figures for their area of interest. Other population charts list all places in New Jersey by largest populated places to least populated places by city or county. Directories contain the information on elected state and federal officials along with their contact information including mail and email addresses, phone and fax numbers. Easy-to-use reference maps are included to find your elected state or federal officials. The Directory of State Services lists the head officials and full contact information on state agencies and departments, some of which were just newly created by the legislature. The Directory of New Jersey Historic Places contains all the latest up-to-date information on every New Jersey historic place. The Bibliography includes that latest books published on New Jersey. A detailed Index makes the work thoroughly referential. NEW JERSEY ENCYCLOPEDIA offers librarians, teachers, and students a single source reference work that provides the answers to the most frequently asked questions about New Jersey and its history.
