**New Lies for Old** Anatoliy Golitsyn,1984      **New Lies for Old** Anatoliy Golitsyn,1986      **Marketing the Public Sector** Seymour H. Fine,2017-07-12 The administrative officers of public and nonprofit organizations have become increasingly interested in marketing techniques during the 1990s They reason that if commercial marketing methods can successfully move merchandise across the retail counter those same techniques should be capable of creating a demand for such social products as energy conservation women s rights military enlistment or day care centers The goal of this volume is to provide social sector executives with practical and effective guidelines on how to harness the power of marketing in order to improve service to their constituencies Marketing the Public Sector builds upon two decades of research in social marketing and represents the current state of the art The authors demonstrate how the principles developed in earlier studies can be applied in actual situations Included here are case studies of marketing plans prepared for hospitals political campaigns Third World social change and community foundations that proved to be as effective as those in the private sector The case study approach is effectively supplemented by theoretical chapters that define first principles in essential matters such as product management value determination advertising and analysis of market performance This amalgamation of theory and application is suitable to middle range social marketing sizes as well as full scale projects that large agencies might undertake The problems differ only in magnitude no organization is too small or too large to adopt a consumer orientation Marketing the Public Sector is not only a guide to marketing it is also about communication social change propaganda and education It will be of great interest to sociologists public sector administrators and specialists in communications public relations fund raising and community affairs      Strategic Review ,1984 dedicated to the advancement and understanding of those principles and practices military and political which serve the vital security interests of the United States      *Between the Icon and the Idol* Artur Mrowczynski-Van Allen,2013-11-14 The totalitarian state clearly intends to eliminate all those forms of organic community that rival the absolute loyalty of the individual to the state This god is a jealous god Mrowczy ski Van Allen s diagnosis is therefore no less relevant after the fall of the Berlin Wall And his proposed cure is no less salutary He appeals to the work of Grossman and other voices from the East to oppose the idolatry of the deified self with the icon which opens up a distance in which giving and forgiving can occur Eastern voices are so helpful because they refuse to quarantine theological questions the borders between theology politics and literature are fluid and porous because they are all a part of an integrated life The holism of totalitarianism must be opposed by another kind of holism that replaces the idol with the icon At the same time the aspiration of secularism to separate politics from theology and power from love must be opposed by a politics based on an opening of human persons to God and to each other the kind of self donation found in Grossman and for Christians on the Cross From the Foreword by William T Cavanaugh

**Conspiracy** Daniel Pipes,1999-05-01 A solid sketch of a difficult and intriguing topic without indulging in sensationalism

Kirkus Reviews August 15 1997 Was AIDS intentionally inflicted upon blacks by whites Was JFK assassinated as part of an intricate conspiracy Pipes traces conspiracy theories through history to show that Conspiracism genuine and virulent belief in a conspiracy dates back to the First Crusade and reached a peak in the Soviet Union and Nazi Germany with the focus shifting from the Jews groups such as Freemasons and the Rosicrucians and back again Daniel Pipes org *Cloak & Gown* Robin W. Winks, 1996-01-01 The CIA and its World War II predecessor the Office of Strategic Services OSS were for many years largely populated by members of Ivy League colleges particularly Yale In this highly acclaimed book Robin Winks explores the underlying bonds between the university and the intelligence communities introducing a fascinating cast of characters that include safe crackers and experts in Azerbaijani as well as such social luminaries as Paul Mellon David Bruce John P Marquand Jr and William Vanderbilt This edition of the book includes a new preface by Winks Reviews of the first edition One of the best studies of intelligence in recent years Edward Jay Epstein Los Angeles Times Book Review The most original book yet written on the interpenetration of counter intelligence and campus Andrew Sinclair Sunday Times London Winks writes a lively compound of analysis and anecdote to illuminate the bonds between academe and the intelligence community His book is a towering achievement Robert W Smith Chicago Sun Times Among the more important contributions to the history of Anglo American espionage to appear this or any other year Moves with an unfolding pace that any thriller writer might envy Tom Dowling San Francisco Examiner A brilliant book Sallie Pisani Journal of American History

**Protest, Reform and Repression in Khrushchev's Soviet Union** Robert Hornsby, 2013-02-14 Protest Reform and Repression in Khrushchev's Soviet Union explores the nature of political protest in the USSR during the decade following the death of Stalin Using sources drawn from the archives of the Soviet Procurator's office the Communist Party the Komsomol and elsewhere Hornsby examines the emergence of underground groups mass riots and public attacks on authority as well as the ways in which the Soviet regime under Khrushchev viewed and responded to these challenges including deeper KGB penetration of society and the use of labour camps and psychiatric repression He sheds important new light on the progress and implications of de Stalinization the relationship between citizens and authority and the emergence of an increasingly materialistic social order inside the USSR This is a fascinating study which significantly revises our understanding of the nature of Soviet power following the abandonment of mass terror
