Paul J N Lawrence **Becoming an Instrument** Travis L. Matthews,2023-04-14 Saint Barnabas did not disappear after the quarrel with Saint Paul This happy loveable servant of the Lord knew God s purpose for life defiantly obeyed the spirit of the Lord and overcame opposition failure rejection and hardships to obtain an eternal reward through faith in Jesus Travis L Matthews celebrates Saint Barnabas s accomplishments and argues he should be more highly regarded He explores his motives conduct and accomplishments The portrait he conveys is a great servant of the Lord Barnabas was an ambassador for Christ who knew God s purpose recognized the time and made contacts to accomplish God s will Barnabas changed the world by helping people make transitions in turbulent times Two apostles trained by Barnabas were instrumental in developing Christianity into a worldwide faith Saint Barnabas became an instrument of God to facilitate the transition from Law to Grace By completing his mission the message of salvation was brought to the world and Jesus became the Lord of our lives His Name Is One Jeff A. Benner,2003 When we read an English translation of the Bible we define the words within it according to our modern vocabulary allowing our culture and language to influence how we read and interpret the Bible The Bible was written by ancient Hebrews whose culture and language was very different from our own and must be read and interpreted through their eyes When we define the names of God using our culture and language we lose the Hebraic meanings behind the original Hebrew names of God Consequently the true nature and character of God is hidden behind the veil of time and culture By understanding the various names of God through the vocabulary and language of the ancient Hebrews the nature and character of God is revealed to us in a new light The prophet Zechariah described the character of God with the words sh mo ehhad translated as His Name is One Zechariah 14 9 This phrase beautifully describes the character of God from a Hebraic perspective that is lost to us through translation and unfamiliarity with ancient Hebrew culture **Spirit Heart Soul** J.
