New England Weather Page P. Coulter, 1997 This is a collection of poems on New England weather weather is everywhere in snatches of conversations it is different in all seasons Readers' Guide to Periodical Literature , 1905

Adrienne Rich's Later Poetry Alec Marsh, 2024-12-12 Reorienting understandings of Adrienne Rich's later work through her interest in Marx and Marxist politics this book engages with this overlooked part of her oeuvre through considerations of issues such as race nationhood and gender From 1983 onward after she visited revolutionary Nicaragua until the end of her life Rich's political vision can best be described as Marxist Humanist Until recently very little attention has been paid to Rich's interest in Marx there is no in depth treatment of the effect of Marx's humanistic philosophy on Rich's later work or even on her unwavering but altered dedication to Women's Liberation This book fills this gap showing how Rich's discovery of Marx's humanism affected her poetry In doing so it makes a significant intervention into debates about the direction of American poetics and argues powerfully for a greater consciousness of political engagement through poetry

Readers' Guide to Periodical Literature Anna Lorraine Guthrie, 1915 An author subject index to selected general interest periodicals of reference value in libraries **The Oxford Dictionary of American Quotations** Hugh Rawson, Margaret Miner, 2005-12-15 With nearly 6 000 quotations arranged historically and annotated extensively you'll know not just who said what but get the full story behind the quote Follow any of the more than five hundred topics from Abolition to Zeal and you will get a nutshell history of what great and not so great Americans had to say about each one Quotations are arranged chronologically in each topic allowing the reader to trace patterns of thought over time Fully indexed by author including brief biographical sketches and keyword this is an essential reference for anyone interested in the great people and ideas of American history **A Poem for Autumn** K. Correll, 2006-04 Autumn Smythe doesn't foresee anything unusual on the early October evening when she drives home from a party But her entire world changes when she finds herself lost in a dark forest during a blizzard She seeks shelter at The Inn at the End of the Road where a ghostly innkeeper saves her from the storm but charges her with an unusual mission she cannot decline Autumn leaves the next morning on an unwilling quest to locate a man whose identity is a mystery What ensues is a thrilling adventure that winds through the White Mountains of New Hampshire and chilling dreamscapes through Boston's oldest neighborhoods and finally a graveyard in a distant land Haunted by her dreams and frightened by shocking news about the innkeeper's death Autumn seeks distraction in the arms of a handsome stranger The stranger's fiery passion leads her perilously close to losing herself in a world of violence and deceit But her terrors are compounded when she unveils the identity of the man she is to find Autumn finds herself torn between two lovers and forced to make a decision that leads her to the most thrilling discovery of all that love is powerful enough to transcend even death **Junior High School Literature ...** William Harris Elson, Christine M. Keck, Mary H. Burris, 1928 **The Boys' and Girls' Readers** Emma Miller Bolenius, 1926 **Land of**

Sunshine Sigrid Anderson, 2024 Sigrid Anderson focuses on the Southern California magazine Land of Sunshine a publication that featured authors such as Edith Eaton Mary Austin and Charlotte Perkins Gilman to explore how regional periodical fiction offered agency to women and the implications for the region and its populace

The Collected Poems of Wallace Stevens Wallace Stevens, 2015-08-18 An essential book for all readers of poetry and the definitive collection from the man Harold Bloom has called the best and most representative American poet Originally published in 1954 to honor Stevens's seventy fifth birthday the book was rushed into print for the occasion and contained scores of errors These have now been corrected in one place for the first time by Stevens scholars John N Serio and Christopher Beyers based on original editions and manuscripts The Collected Poems is the one volume that Stevens intended to contain all the poems he wished to preserve presented in the way he wanted It is an enduring monument to his dazzling achievement

Poems John Newland MAFFIT, 1841

Contemporary American Poetry Lloyd M. Davis, 1985 Lists over 5 200 titles of books published by American poets between 1973 and 1983

Poems of American History Various , 2015-01-26 Example in this ebook The poetry relating to American history falls naturally into two classes that written so to speak from the inside on the spot and that written from the outside long afterwards Of the first class The Star Spangled Banner is the most famous example as well as perhaps the best Even at this distant day reading it with a knowledge of the circumstances which produced it it has a power of touching the heart and gripping the imagination which goes far toward proving the genuineness of its art Of the second class Paul Revere's Ride is probably the most widely known though Mr Longfellow's own Ballad of the French Fleet is a better poem It is evident that in compiling an anthology such as this different standards must be used in judging these two classes The first

aside from any quality as poetry which it may have is of value because of its historical or political interest because it is an expression and an interpretation of the hour which gave it birth With it poetic merit is not the first consideration which is perhaps as well Yet however slight their merit as poetry may be many of the early ballads possess an admirable energy directness and aptness of phrase and there is about them a childlike simplicity impossible of reproduction in this sophisticated age as where Stephen Tilden in his epitaph on Braddock requests the great commanders who have preceded that unfortunate soldier to the grave to Edge close and give him room With the retrospective ballad on the other hand poetic merit is a sine qua non It has little value historically however accurate its facts It differs from the contemporary ballad in the same way that the New Canterbury Tales differ from Froissart or as the Idylls of the King differ from Le Morte Arthur It is less authentic less convincing less vital It may have atmosphere but there is no infallible way of telling whether the atmosphere is right Unless it is something more than mere metrical history the modern ballad has little claim to consideration These are the two principles which the present compiler has had constantly in mind Yet the second principle has been violated more than once since in a collection such as this one must cut one's coat according to the cloth or rather one must make sure that one is decently covered though the covering may here and there be somewhat inferior in quality So it has been necessary in order to keep the thread of history unbroken to admit some strands anything but silken and if the choice has sometimes been of ills rather than of goods the compiler can only hope that he chose wisely The most difficult and trying portion of his task has been not to get his material together but to compress it into reasonable limits Especially in the colonial period was the temptation great to include more early American verse Peter Folger's A Looking Glass for the Times Benjamin Thompson's New England's Crisis Michael Wigglesworth's God's Controversy with New England the Sot Weed Factor and many others which it is recalling an old sorrow to name here were excluded only after long and bitter debate No doubt other exclusions will be noticed by nearly every reader of the volume and it may interest him to know that the material gathered together would have made four such books as this To be continue in this ebook

Beneath the Second Sun

Adam W. Sweeting, 2003 Indian summer the succession of warm fair days gracing New England in autumn is at once a flourishing period signaling the end of fall a meteorological event a vernacular cultural construction and a literary metaphor In this appealing and elegant book Sweeting plumbs Indian summer's use in literature as a symbol of second chance rebirth or reprieve before the onset of a harsher season Well researched and charmingly written Beneath the Second Sun is the first book to systematically treat the history and uses of Indian summer imagery in American life The author focuses on the ways in which New Englanders have embraced the season and he places the celebration of the season's beauty and its melancholy qualities within the context of Anglo Native American relations Sweeting does not try to locate the original definition of Indian summer rather he explores the far more interesting ways in which the season has been imagined and described in American culture Popular authors including Philip Freneau Susan Cooper Lydia Sigourney John Greenleaf Whittier Francis

Parkman Oliver Wendell Holmes and especially Henry David Thoreau Emily Dickinson and William Dean Howells freely employ Indian summer imagery in their works In the context of modern American Studies Sweeting s study is part of a post modern scholarly discussion of how tangible realities such as climate are mediated even forged by social needs Sweeting further investigates the imaginative early nineteenth century invention of New England regional identity and integrates traditional American Studies literary and historical concerns with a contemporary interest in the environment and sense of place Sweeting s graceful lively and accessible style beckons not only scholars of American literature and the nineteenth century but any traveler seeking the glories of autumn in New England Middle Distance: Poems Stanley

Plumly,2020-08-18 The probing commanding final volume from one of contemporary America s most gifted and influential lyric poets David Baker Kenyon Review After a diagnosis of cancer acclaimed poet Stanley Plumly found himself in the middle distance looking back at his childhood and a rich lifetime of family and friends while gazing into a future shaped by the press of mortality In Middle Distance his final collection he pushes onward into new territory with extended hybrid forms and revelatory prose pieces The result is the moving culmination of a long career a work of fearless transcendent poems that face down the impending eternal voyage Plumly populates this collection with tender depictions of poets family and friends the relationships that sustained him throughout his life as well as unflinching self portraits In White Rhino for instance he adopts the voice of the last of his kind using the rare creature as a canvas to depict the dying aging poet himself In Night Pastorals he writes vividly and movingly about being on his deathbed with fragmentary impressions of the other side In profound lyric narratives Plumly reaches out to a past that feels closer than ever returning to the Ohio of his childhood and the shadows of a country at war Blending documentary and memoir with his signature Keatsian lyricism Middle Distance contemplates at every turn the horizons of Plumly s life **Collected Poems, 1917-1982** Archibald MacLeish,1985 This expanded volume of the distinguished poet s work contains 29 previously uncollected poems some that had been published and some found in manuscript after MacLeish s death in 1982 This is the definitive volume produced by a life that filled several careers as writer teacher and public servant but was devoted above all to poetry *Eighteenth-Century Environmental Humanities* Jeremy Chow,2022-11-11 This groundbreaking new volume unites eighteenth century studies and the environmental humanities showcasing how these fields can vibrantly benefit one another In eleven chapters that engage a variety of eighteenth century texts contributors explore timely themes and topics such as climate change new materialisms the blue humanities indigeneity and decoloniality and green utopianism Additionally each chapter reflects on pedagogical concerns asking How do we teach eighteenth century environmental humanities With particular attention to the voices of early career scholars who bring cutting edge perspectives these essays highlight vital and innovative trends that can enrich both disciplines making them essential for classroom use **The Essays, Humor, and Poems of Nathaniel Ames, Father and Son** Samuel Briggs,Nathaniel Ames,1891 Garnet Poems Dennis Barone,2013-08-13 Connecticut may be a small state but

it is large indeed in its contribution to the nation's literature *Garnet Poems* features forty-two poets whose work has a strong connection to Connecticut The first major anthology of Connecticut poetry to appear since the mid-nineteenth century it includes the work of such notable poets as Wallace Stevens Lydia Sigourney Mark Van Doren Richard Wilbur Susan Howe and Elizabeth Alexander Distinguished writer-scholar Dennis Barone has supplemented the poems with an editor's preface notes that illuminate the poet's or poem's relation to the state and informative biographies The book also features a foreword by Dick Allen the current Connecticut state poet laureate
